TEACHERS.

Miss Martha W. Cilley. Primary School.
 Miss Elsie M. Gove. Grammar School.
 Miss Mabel F. Knight. Center School.
 Mrs. Hannah E. Messer. Box Corner School.

ROLL OF PERFECT ATTENDANCE.

For the Year Ending August 31, 1920.

Grammar.

First Term—Gladys Caldwell, Raymond Caldwell, Ralph Richards, Arthur Dalphond.

Second Term—Gladys Caldwell, Raymond Caldwell, Muriel Bedell, Eleanor Hall, Frederick Hawes, Ralph Richards.

Primary.

First Term—Lena B. Burton, Dorothy Mathewson.

Third Term—Mary L. Cheney.

Center.

First Term—Geraldine Adams, Eva Cressy, Charles Cressy, William Cressy, Margaret Fowler, Harley Fowler, Hildur Forsberg, Laurence Smith.

Second Term—Geraldine Adams, Charles Cressy, William Cressy, Eva Cressy.

Third Term—Geraldine Adams, Eva Cressy, Charles Cressy, William Cressy, Kenneth Chase.

SCHOOL CALENDAR.

Spring term of 11 weeks opens Monday, April 4.

Spring term closes Friday, June 17.

SUMMER VACATION.

Fall term of 15 weeks opens Tuesday, September 6.

Fall term closes Friday, December 16.

VACATION OF TWO WEEKS.

Winter term of 10 weeks opens Monday, January 2, 1922.

Winter term closes March 12, 1922.

The School Board recommends that the school district raise the following sums of money for 1921-22:

An additional sum of one dollar and fifty cents on a thousand to the minimum amount required by law.

For high school tuition.....	\$500.00
For flags	30.00

JOSEPH W. SANBORN,
FRANK E. ANDREWS,
FRANK B. GOULD,
School Board.

REPORT OF SUPERINTENDENT.

Members of School Board:

This report, the first made by your present superintendent, covers the year ending August 31, 1920, and includes organization and attendance, instruction, extension activities, buildings and equipment, and recommendations.

ORGANIZATION AND ATTENDANCE.

Teachers had been engaged for all the schools before the present superintendent assumed his duties. Miss Gove, who was transferred from the Center to the Village school, and Miss Cilley were retained from the previous year.

Due largely to the required licensing and the contract system of employment of all teachers in the state, the only change in the staff during the year was caused by the resignation of Mrs. Anna Pritchard Fortune. Mrs. Hannah E. Messer was appointed substitute for the remainder of the year.

The following is a complete list of teachers employed in the elementary schools.

TABLE I.

Teachers, 1919-1920.

Name.	School.	Credentials.	Special Training.	Previous Experience.	Salary Annual Rate.
Martha W. Cilley.....	Primary	N. H. Certificate.....		13 years	\$648
*Elsie M. Gove.....	Grammar	N. H. Certificate.....	Graduate Keene, 1915....	6 years	720
*†Alice G. Goodhue.....	Craig	Permit			432
Hannah E. Messer.....	Box Corner..	License		20 years	540
Anna Pritchard Fortune..	Box Corner..	License	North Adams Normal....	2 years	540
*Chestina M. Roberts....	Center	License	Simmons, Summer 1918...	1½ years	540

*Attended Keene, summer 1920.

†Attended Plymouth, February, 1920.

A school year of thirty-six weeks was maintained in both the village and rural schools.

When we consider the extremely severe weather of last winter and the length of transportation routes, the following table of attendance reflects credit upon the perseverance of your boys and girls and the co-operation of their parents.

TABLE II.
Attendance Statistics, 1919-1920.

William A. Cressy

INSTRUCTION.

Particular attention was given in the first four grades to the subject of reading. The ability to read readily and comprehendingly is the key to promotion in these grades and is essential to the enjoyment and profit derived by the child from the work in all grades. In addition to more formal reading emphasis was placed upon the silent reading of even a larger list of books and upon the training of the child to accurately and in correct language reproduce the content of the printed page. This serves the double purpose of facility in reading and of applied language training.

Standard scale tests in reading, prepared by Professor Adams of Plymouth Normal School, were given in all eight grades both at the mid-year and again in June. While the average results from these tests showed improvement, too large a number of pupils from all grades were below the standard in both speed and comprehension.

In the grammar grades in addition to the study of American history considerable time was given to the earlier racial history of the peoples contributing to modern civilization.

The mathematical work of the ninth grade was organized as far as possible in keeping with the program of the junior high school. Much of this work was well motivated and productive of good results.

For the moral value of the pupil's self-reliance and habits of accuracy simple proof methods of checking results were taught and insisted upon in the number work of the primary grades.

Stress was placed on the practice of personal hygiene, on the relation of the individual to the health of the community and on the menace of alcoholics and narcotics.

Thrift and patriotism as civic duties were interpreted through classroom exercises, current history and biography, care and economy in the use of school materials and through boys' and girls' club work.

EXTENSION ACTIVITIES.

Foremost among these I wish to mention the medical inspection of the pupils and teachers, made by Dr. H. Russell Green. Fully as important as the inspection is the need of follow-up work, which is not included in the duties of the inspecting physician. During the long summer vacation the largest number of corrective treatments can usually be secured. It is during these summer months as well as during the school year that the services of a school nurse may be made of particular value to both the parents and children.

TABLE III.

Report of Medical Inspection, 1919-1920.

Number of pupils examined 91.

Number of teachers examined 5.

Defects.	No. cases found.	No. treatments secured.
Defective vision	7	7
Defective hearing	2	1
Nervous disease	2	2
Defective teeth	6	..
Hypertrophical tonsils	12	..
Adenoids	8	3
Enlarged glands	1	..
Unvaccinated	20	..
*Unvaccinated (without proper excuse).....	18	..
Measles	2	2

*Since this inspection was completed the matter of vaccination was brought to the attention of the parents during the summer vacation and the number of pupils unvaccinated was reduced to a minimum.

Through the generosity of the women of the community, in co-operation with Miss Gove, the boys' and girls' club leader, utensils were provided and hot cocoa or stew or other dish containing a large proportion of milk, was furnished to the pupils during the winter, to supplement their cold lunches. The pupils shared in contributing materials; and both girls and boys shared in preparing and serving the lunches. Community service of this type adds not only to the comfort but also to the physical and mental efficiency of the children in numerous cases. The superintendent wishes to express to the women of the community his appreciation and that of the teachers and pupils.

In addition to the very successful results achieved by the boys' and girls' club in the village schools, I wish to mention the excellent home gardens planted and cared for entirely by a number of pupils from the rural schools. These varied from single projects with beans or potatoes to the entire care, in some cases, of the kitchen garden.

BUILDINGS AND EQUIPMENT.

I regret to say that in the matter of repair, seating, heating, lighting and sanitary equipment your school rooms, with one exception, do not compare favorably with the minimum requirements.

During the year the schoolhouse at the Center has been equipped with separate toilets for boys and girls. The window at the front of the room has been removed and replaced by a blackboard. Several additional windows have been inserted, to secure ample and properly directed lighting. The piazza extending across the entire front of the building has been enclosed. This shuts off much draft from the floors of the schoolroom and affords a closed passage to the toilet. This is the only schoolroom entirely equipped with individual desks. The present stove is adequate in size, but for better heat distribution and warm air ventilation this stove should be jacketed. This would give opportunity for out-of-door air to be admitted and warmed within the jacket. A return for foul air exit should also enter the chimney.

Repair of schoolroom, lighting and toilet facilities at Box Corner are extremely poor and do not even approach the minimum requirements.

The schools in the village are seriously hampered by inadequate lighting. The seating has been arranged to utilize all the available light; yet the location of blackboards necessitates continual eye-strain. Uniform heat and ventilation cannot be secured with the present system. These conditions constitute a distinct menace to the health and efficiency of the school children.

RECOMMENDATIONS.

In making a survey of the schools of your district, I would recommend that your schools be consolidated into two or three buildings. In the rural schools there would be given instruction to only the first six grades. The village school should provide for ten grades and should have facilities for teaching manual training, cooking, sewing, school gardening and elementary agriculture. Bradford is primarily an agricultural town and the course of study should tend to promote its agricultural resources. A consolidated village school means a building of few rooms,

with approved and qualified teachers, equipped with modern improvements. This would mean that the district would own one or more closed transportation vehicles, so equipped as to be either motor-driven or horse-drawn, according to the season.

CONCLUSION.

In conclusion, I wish to thank the citizens, teachers and school board for helpful support and loyal co-operation.

Respectfully submitted,
 GEORGE H. HARMON,
Superintendent of Schools.

SCHOOL TREASURER'S REPORT.

AUDITOR'S REPORT

Bradford, January 31, 1922.

I, the undersigned Auditor of Bradford, hereby certify that I have this day completed an examination of the accounts of the Selectmen, Treasurer, Collector of Taxes, Road Agent, Library Trustees and Trustees of Trust Funds, and find the same correctly cast and properly vouched. I find uncollected taxes amounting to \$886.54 and find a cash balance of \$5,177.68 in the hands of the Treasurer and a cash balance of \$131.66 in the hands of the Road Agent.

FRANK E. ANDREWS,
Auditor.

School Board Meetings

The School Board will meet on the first Saturday of the month in November, December, January, February, March and April at 9 o'clock in the morning and on Friday before the first Saturday in the month of May, June, July, August, September and October at 8 o'clock in the evening.

The School Board recommends that the school district raise the following sums of money for 1922-23.

For high school tuition	\$1,000.00
Books and supplies	200.00
Flags	15.00

FRANK B. GOULD,
FRANK E. ANDREWS,
JOSEPH W. SANBORN,

School Board.

REPORT OF SCHOOL TREASURER

RECEIPTS

Cash on hand Aug. 31, 1920	\$234.93
School money	3,976.93
Literary fund	150.00
Equalization fund	499.94
Dog licenses	111.10
High school tuition rebates	164.45
Tuitions from Newbury	78.00
Sale of supplies	4.94
	\$5,220.29

DISBURSEMENTS

Orders of school board	\$5,199.01
Cash in hand Aug. 21, 1921	21.28
	\$5,220.29

Respectfully submitted,

GEORGE W. COFRIN,

School Treasurer.

REPORT OF SUPERINTENDENT

To the Members of the School Board:

This report covers the year ending June 30, 1921, and includes teachers and salary schedules, attendance, instruction, health, and changes in the school law.

TEACHERS AND SALARY SCHEDULES

This year probably marked the apex of large salary increases among teachers who were not normal school graduates. While in several districts these increases in salary varied from one hundred to three hundred dollars and were pro-

proportionately larger among graduate teachers of experience, Bradford retained in three schools experienced teachers at salary increases varying from thirty-six to seventy-two dollars. The teacher at the Center, Miss C. M. Roberts, accepted a position in the graded schools at Warner. This school, to which were transported the children from the Craig district, was the only position filled by inexperienced teachers. During the Winter term of ten weeks a transportation route was discontinued and a home school for three pupils was taught by Mrs. Kate M. Hawes.

TEACHERS EMPLOYED 1920-21

School	Teacher	Professional Training	Previous Experience	Salary Annual Rate
Box Corner	Hannah E. Messer ..	None	20 years	\$540.00
Center	Mabel F. Knight ..	Keene Summer	None	612.00
	Katherine Wiggin ..	Keene Normal		612.00
Home School	Kate M. Hawes	Castine Normal	None	360.00
(10 weeks)				
Village Grammar	Elsie M. Gove	Keene Normal	7 years	756.00
Village Primary	Martha V. Cilley ...	None	14 years	720.00

ATTENDANCE

Favorable weather conditions and weekly attendance reports from all schools in the five towns comprising the Supervisory Union served to promote and sustain in all the towns a gain in the percent of attendance; while in Bradford there was a reduction of over thirty percent in the number of tardinesses per pupil. Compared with the other towns in the union, Bradford stands second in the percent of attendance and fourth in the record of non-tardiness.

ATTENDANCE STATISTICS

	1919-20	1920-21
Total pupils registered	91	84
Average membership	74.7	70.7
Number of tardinesses	356	225
Visits of superintendent	121	120
Visits of school board	23	29
Visits of parents and others	195	173
Pupils not absent or tardy	4	3
Percent of attendance	90	92.93
Number tardiness per pupil	4.7	3.1

HONOR ROLL—PERFECT ATTENDANCE

Eleanor Barstow, Vivian Stevens, Gladys Caldwell.

INSTRUCTION

Few changes have been made since last year in the details of instruction. The Thompson Minimum Essentials in Arithmetic, consisting of oral drills and written tests in the four fundamentals, were used to advantage in all grades to encourage greater speed and accuracy among pupils who were not fully qualifying for promotion.

Precaution was taken in reading to secure more thought and content reproduction, and to avoid as far as possible with beginners rhyme and memory recital so often mistaken for reading ability. More systematic drill in phonetic spelling has been used to advantage in both spelling and reading ability.

Considerable improvement was noticeable in penmanship in all written exercises, and particularly in the spelling blanks where the pupil's attention was not focused on penmanship, and hence his true habits of penmanship were in evidence.

Eleven pupils completed the prescribed work of the eighth grade and received certificates of admission to high school.

HEALTH

The annual medical inspection was made by Dr. H. Russell Green.

Report of Inspection

	1919-20	1920-21
Number pupils examined	91	67
Number teachers examined	5	4
DEFECTS		
Malnutrition		2
Defective vision	7	9
Defective hearing	2	2
Nervous disease	2	1
Orthopedic defects		1
Defective teeth	6	10
Hypertrophied tonsils	12	15
Adenoids	8	8
Enlarged glands	1	
Unvaccinated	20	1
Unvaccinated (without proper excuse)	18	2
Measles	2	
Other defects		3
Treatments secured since last report	15	35

The table above enables comparison of conditions found during two consecutive years. These defects—relating particularly to teeth, tonsils and adenoids—retard concentration upon school work, cause much irregular attendance, and result frequently in the loss of age-grade promotion. The number of treatments secured since the last report are gratifying and indicate a more practical recognition of the fact that a healthy body is essential to the normal development of a growing mind.

A careful observation in all your schools leads me to recommend the employment, in combination with one or more neighboring towns, of a school nurse whose duty it would be not only to care for special cases but also to give health instruction to all pupils, and whose services would be available in the homes of school children. Such service, in co-operation with that of the school physician, would be an asset to both the schools and the community.

CHANGES IN SCHOOL LAW

The legislative Act of 1919 provided that school districts qualifying for state aid must raise and appropriate for the maintenance of elementary schools an amount equal to a five dollar tax per thousand dollars of the *inventory* valuation (Bradford \$683,729.00).

In the spring of 1921 the legislature so amended the State Aid Act that the amount required to be raised by the districts qualifying for state aid must equal a tax of five dollars per thousand dollars of the *equalized* valuation (Bradford \$996,172.00). This amendment has served to throw back upon the school districts a large share of the increased cost of education. It has in fact eliminated from state aid the Town of Bradford and numerous other small towns.

Among the 256 school districts in the state 1920-21 arranged according to current expenditures for public education—including the cost of both high and elementary schools and excluding the purchase of land, the cost of new buildings and

equipment, and the payment of debt on such land and buildings—Bartlett Special District stands at the head of the list with a cost of \$21.39 per thousand dollars of *equalized* valuation. Bradford is 228th from the head of the list with a current local expenditure of \$5.72 per thousand dollars of equalized valuation. The cost in 148 districts in the state was more than \$8.00 per thousand of their equalized valuation. A definite comparison of this type indicates that Bradford's increase in educational expenditure has not been extravagant.

CONCLUSION

The superintendent wishes to express his appreciation to the parents, citizens, teachers, and members of the School Board for their interest and co-operation in the work of the past year.

Respectfully submitted,

GEORGE H. HARMON,

Superintendent of Schools.

VITAL STATISTICS

**Births Registered in the Town of Bradford, N. H., for the Year
Ending Dec. 31, 1921.**

PINE BLISTER

The following statement indicates the expenditures of available funds in 1922.

Financial Statement

Town appropriation, ...	\$400.00
State aid as per agreement, ...	100.00
	\$500.00
Crew wages, ...	\$489.63
Crew expenses, ...	12.82
	\$502.45
Town funds expended, ...	\$400.00
State funds expended, ...	102.45
	\$502.45

Acres covered, 2,822 acres.

Average cost per acre, \$0.177.

Wild currant and gooseberry bushes destroyed, 53,260.

Cultivated currant and gooseberry bushes destroyed, 502.

Total destroyed, 53,762.

Plans for 1923

In view of the general distribution of Blister Rust in Bradford, the Forestry Department feels it is very important that the work of destroying currant and gooseberry bushes should be continued until all pine areas in the town receive similar protection. It recommends that an article be inserted in the Town Warrant calling for \$400.00. The state will increase this sum 25 per cent, thus giving a total of \$500.00 for control work.

Free supervision as formerly will also be given by the State.

Yours very truly,

J. H. FOSTER.

State Forester.

By L. E. Wyman, Agt. in charge.

Blister Rust Control.

AUDITORS' REPORT

Bradford, January 31st., 1923.

We, the undersigned Auditors of Bradford, hereby certify that we have this day completed an examination of the accounts of the Selectmen, Treasurer, Collector of Taxes, Road Agents, Library Trustees, Janitor of Town Hall, and Trustees of Trust Funds, and find the same correctly cast and properly vouched. We find uncollected taxes amounting to \$111.40 for 1920, \$493.81 for 1921, and \$1,113.58 for 1922 and find a cash balance of \$4,363.03 in the hands of the Treasurer.

ROSWELL W. CUMMINGS,
GEORGE K. STRATTON,
Auditors.

SCHOOL DIRECTORY

School Board

Frank E. Andrews	Term expires March, 1923 (Resigned)
Joseph W. Sanborn	Term expires March, 1924
Frank B. Gould	Term expires March, 1925

District Officers

George C. Trow, Moderator
 Harriette Sargent, Clerk
 George W. Cofrin, Treasurer

Superintendent

George H. Harmon, Warner, N. H.

Teachers

Miss Martha W. Cilley, Primary School.

Miss Anna L. Tift, Grammar School.

Mr. Kenneth E. Young, Center School.

ROLL OF PERFECT ATTENDANCE

For Year Ending June 30, 1922

Grammar

First Term—Alice Ansart, Eleanor Hall, Myrtie Heath.

Second Term—Eleanor Hall, Myrtie Heath.

Third Term—Myron Hazen, Eleanor Barstow.

Primary

First Term—Linwood R. Bedell, Dorothy Mathewson,
Emma Mathewson.

Third Term—Mary L. Cheney, Mildred Hazen, Donald
M. Richards.

Center School

First Term—Hilden Forsburg.

SCHOOL CALENDAR

Spring term of 11 weeks opens Monday, April 2.

Spring term closes Friday, June 15.

Summer Vacation

Fall term of 15 weeks opens Tuesday, September 4.

Fall term closes Friday, December 14.

Vacation of Two Weeks

Winter term of 10 weeks opens Monday, December 31.

Winter term closes Friday, March 8.

School Board Meetings

The School Board will meet on the first Saturday of the month in November, December, January, February, March and April at 9 o'clock in the morning and on Friday before the first Saturday in the month of May, June, July, August, September and October at 8 o'clock in the evening.

JOSEPH W. SANBORN,
FRANK B. GOULD,
School Board.

REPORT OF SCHOOL TREASURER

Expenditures

Orders of school board countersigned	\$5,755.97
Cash on hand June 30, 1922	44.81
	\$5,800.78

Respectfully submitted,.

GEORGE W. COFRIN,
School Treasurer.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Members of the School Board:

This, my third annual report, covers the year ending June 30, 1922.

Organization

Since only three Bradford pupils remained at Box Corner, this school was not opened. The pupils from this neighborhood were transported to the Village school. The Center school was the only one-room rural school maintained.

Teachers Employed 1921-22

School	Teacher	Professional	Training	Previous Experience	Salary Annual Rate
Center	Mae O'Donnell	Training School	Island	9 years	\$700.00
			Pond (Vt.)	1 year	
Village Grammar	Anna L. Tift	Keene Normal School		3 years	750.00
			2 summers		
Village Primary	Martha W. Cilley	Keene Normal School		15 years	750.00
			1 summer		

Enrollment and Attendance

The total public school enrollment of Bradford pupils was ninety four. Of this number eleven were attending the high school and one an elementary school in Warner; one attended the high school in Hillsboro. There were also six pupils from neighboring towns attending the Bradford Schools; four from Sutton, one from Newbury and one from Warner.

Attendance 1921-22

School	Center	Village Grammar	Village Primary	Total
Total pupils registered	24	23	37	*84(81)
Average membership	19	18	30	67
No. of tardinesses	72	64	165	301
Visits of superintendent	21	21	36	78
Visits of school board	10	10	12	32
Visits of parents and others	16	98	86	200
Percent of attendance	85	90	88.4	88
No. of tardinesses per pupil	3.8	3.5	5.5	4.5

*Three cases of double registration.

Instruction

The "A" subjects including arithmetic, geography, language and grammar, reading, spelling and writing were assigned a regular routine place on the daily timetable and have received systematic instruction and drill.

Equipment

During the year the primary room in the Village school was partially equipped,—and has since been fully equipped with the most modern of movable chair-desks. These, by relieving the crowded conditions, have aided in securing better order and discipline which in turn have made more efficient the work of the teacher.

With the number of pupils now occupying the two rooms in the Village school it is impossible to secure proper heat and ventilation without exposing some of the children to sudden and extreme changes in temperature. This is not only uncomfortable but endangers the health of the pupils. For this reason I recommend and urge that the District appropriate the sum of one hundred dollars for the purpose of equipping each of the two stoves with ventilated jacket, fresh-air intake flue and foul-air exit similar to those now in use in the school-house at the Center.

Health

Since the report of last year fourteen medical and dental treatments have been secured.

The following is the report of the medical inspection made by Dr. Lloyd H. Cogswell of Warner.

Year	1921-22
Number of pupils examined	64
Number of teachers examined	3
Defects	
Malnutrition	8
Defective vision	3
Defective hearing	4
Anaemia	1
Defective teeth	43
Hypertrophied tonsils	15
Adenoids	4
Unvaccinated	14

The fact that over 71 per cent of those examined had defective teeth and that this was followed by 22 per cent of enlarged tonsils brings to our attention the belief among many school physicians that diseased tonsils often occur as a result of defective and diseased teeth. Here is a possible field of activity for the Parent-Teacher Association or some other interested organization which could bring, through the local dentist or the Farm Bureau clinic, dental treatment within the reach and means of all school children.

Conclusion

In conclusion I wish to commend the teachers for the professional spirit in which they have accepted my criticisms and have adopted suggestions. As I come and go among your schools and catch the gleam of faces young but eager in their tasks, I have the feeling that your teachers are building well that which makes for men and women.

Respectfully submitted,

GEORGE H. HARMON,
Superintendent of Schools.

AUDITORS' REPORT

Bradford, Feb. 12, 1924.

We, the undersigned, Auditors of Bradford, hereby certify that we have this day completed an examination of the accounts of the Selectmen, Treasurer, Collector of Taxes, Road Agent, Library Trustees, Trustees of Trust Funds, Town Clerk and School Board, and find the same correctly cast and properly vouched.

We find uncollected taxes amounting to \$120.04 for 1921; \$265.51 for 1922; \$1,122.53 for 1923 and find a cash balance of \$6,193.51 in the hands of the Treasurer and a cash balance of \$25.02 in the hands of the Road Agent.

ESTHER D. TROW,
LESTER F. HALL,
Auditors.

GEORGE W. COFRIN,

School Treasurer.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Members of the School Board:

I submit herewith my fourth annual report which covers the year ending June 30, 1923. The year has been characterized by further improvement in school-room equipment and by an increasing interest taken by the community in the work of the school children.

Organization

In addition to the two-room school in the village one rural school was maintained at the Center. The only September change in teachers was made in this Center school; where Mr. Kenneth E. Young, of Beals, Maine, was elected teacher. It was with regret that Mr. Young's resignation was accepted at the close of the Winter Term. The remainder of this year was completed by Mr. Henry H. Hall of Warner. Mr. Hall came to this work without professional teacher-training, but with a thorough education supplemented by extensive travel secured through military and business experience. His keen appreciation of possibilities in the individual pupil and his adaptation of instruction to the individual were characteristic of his work.

Teachers Employed 1922-23.

School and Name of Teacher	Professional Training	Previous Teaching Experience	Salary Annual Rate
Center	1 summer		
Kenneth E. Young (24 Weeks)	Washington Normal School Machias, Maine	4 years	\$900.00
Henry H. Hall (12 Weeks)	None	1 year	\$720.00
Village Grammar			
Anna L. Tift	3 summers Keene	4 years	\$750.00
Village Primary			
Martha W. Cilley	1 summer Keene	16 years	\$750.00

Enrollment and Attendance

The total number of Bradford children attending public schools was eighty-nine. Ten of this number were enrolled in the high and elementary schools of neighboring towns. There were in addition seven tuition pupils residing in neighboring towns and attending school in Bradford.

The total average membership increased nearly 12 per cent over that of last year. In spite of deeply drifted roads and an epidemic of whooping cough the cases of tardiness per pupil were reduced to less than one-half the number of last year and the per cent of attendance was slightly increased. The per cent of attendance should not fall below 90 in any school.

Attendance, School-Year 1922-23

School		Grammar	Primary
Half-days in session	334	342	342
Half days lost	26	18	18
Total pupils registered	26	22	38
Average membership	23	21	31
Per cent of attendance	88	93	87.5
No. tardinesses per pupil	2.4	1.1	1.2
Visits of school board	3	4	13
Visits of superintendent	25	29	29
Visits of citizens and others	27	47	82
			156

Distribution of Bradford pupils attending schools elsewhere :

	High	Elementary
Henniker		1
Hillsboro Special	1	
Warner	8	
	—	—
Totals	9	1

Distribution of tuition pupils attending school in Bradford:

	Elementary
Newbury	1
Sutton	6
	—
Total	7

Health

The following is the report of the regular medical inspection made by Dr. R. F. Oliver in November, 1922.

Number of pupils examined	80
Number of teachers examined	3
Number of defects remedied since last report ..	14
Number of exclusions on account of communicable diseases	4

Number of cases found—

Malnutrition	5
Anaemia	1
Nervous disease	3
Pulmonary disease	1
Orthopedic defects	1
Defective teeth	54
Hypertrophied tonsils	21
Adenoids	4
Unvaccinated	17
Unvaccinated without proper excuse	12
Whooping cough	1
Defective vision	5
Defective hearing	3

The per cent of pupils having defective teeth has been slightly reduced since the examination of last year. There are still 67 per cent of the children more or less handicapped by dental defects. Several cases of defective vision listed in this report have since been corrected.

Instruction and School Activities

Instruction in the "A" subjects on a strictly elementary school basis as provided by the School Board has been made the objective in each school.

Characteristic activities in patriotic instruction and local history were the essay contests conducted by the Parent-Teacher Association. Prizes were offered to the boy and girl, from the fifth and sixth grades, writing the best essays on The Flag; and to the boy and girl, from the seventh and eighth grades, writing the best essays on The History of Bradford. Nine pupils participated in the contest. Prize winners in the seventh and eighth grades were Eleanor Barstow and Charles Cressy, and in the fifth and sixth grades Lucille Dodge, Allen Adams and Philip Dodge. The last two boys were tied for the honor.

In June, 1923, a class of three pupils was graduated from the eighth grade with final examination averages from 75 to 88 per cent. From this class Marjorie Bartlett is attending Warner high school, Charles Cressy is employed at home, and Arthur Dalphond is attending the Henniker high school.

Improved Equipment.

The village grammar room has recently been equipped with movable desk chairs similar to those adopted for use in the primary room a year ago. Both rooms in this school have been wired for electricity and drop lights have been installed.

Through the efforts of Mr. Young, while a teacher at the Center, an efficient heating and ventilating system was installed. This equipment dispenses with the location of the stove at the front of the room, insures a more even distribution of heat—particularly near the floor,—and provides for a constant change of air without open windows and doors.

Conclusion

In the final analysis it is not to courses of study or to schoolroom facilities but to the patience, tact and idealism of your teachers that the chief credit for the success of your schools belongs.

Respectfully submitted,

GEORGE H. HARMON,
Superintendent of Schools.

Births Registered in the Town of Bradford, N. H., for the Year
Ending December 31, 1923

Date	Name of Child	Name of Father	Maiden Name of Mother

Respectfully submitted,

GEO. W. COFRIN,

School Treasurer.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the Members of the School Board:

This report for the year ending June 30, 1924, is the fifth in succession which I have the honor of presenting to your Board.

ORGANIZATION.

Two changes were made necessary in the staff of teachers.

The position of teacher in the village grammar school, formerly occupied by Miss Anna L. Tift, was filled by the election of Mrs. Maude F. Merrithew of Plainfield, Vermont. Mrs. Merrithew brought to her work valuable experience of over ten years as a successful teacher. This experience was supplemented by recent professional training.

At the very opening of the school year Mr. Arnold S. Bryant of North Cutler, Maine, was elected to teach the Center school.

For the purpose of effecting a more equitable distribution of pupils the fourth grade of the Village school was transferred from the primary to the grammar room for home-room instruction, while a portion of their recitations were continued in the primary room.

TEACHERS 1923-24.

School	Teacher	Professional Training	Teaching Experience	Salary Annual Rate
Center	Arnold S. Bryant	None	2-3 yr.	\$800
Village Grammar	Maude F. Merithew	Burlington 2 Summers	17 yrs.	900
Village Primary	Martha W. Cilley	Keene 1 Summer	17 yrs.	900

ENROLLMENT AND ATTENDANCE.

Number pupils enrolled in Bradford schools	88
Bradford children enrolled in elementary school elsewhere	1
Bradford children enrolled in high school elsewhere	8
Total	97
Deduction for non-resident and duplicate enrollment....	8
Total Bradford children in schools	89

ATTENDANCE 1923-24

School	Center	Village Gram.	Village Prim.	Total
One Half days in session	336	334	338	336
One-Half days lost	24	26	22	24
Total pupils registered	28	32	28	88
Average membership	26	30	26	82
Percent of attendance	81	91	91	87.7
No. pupils not absent or tardy	0	1	0	1
Avg. tardiness per pupil	1.8	2.5	2	2.1
Visits of school board	8	8	15	31
Visits of superintendent	19	36	27	82
Visits of citizens and others	3	137	119	259

HEALTH.

During the year no physical examination of children was made by school physician or school nurse. By the use of the "healthometer," belonging to the District, height and weight measurements were made of all pupils. Children underweight were encouraged to regulate diet and hours of sleep. Where there were suspected defects in vision and hearing, the board of health tests were given by the teachers and superintendent, and report was made to parent or guardian, recommending corrective treatment. In nearly every case the cooperation of the home was excellent and the child's efficiency increased.

Several exclusions were made by the school authorities of children who had symptoms of contagious disease.

The continued prevalence of the mumps for several months was detrimental both educationally and economically and

was partially responsible for the fall of school attendance below the average of the previous year.

INSTRUCTION AND GRADUATION.

In all the eight grades there has been elementary instruction in reading, writing, arithmetic and spelling. Correlated with these has been the instruction in the upper grades in geography, history and civics, language, and physiology. Particular in the Village school and in the upper grades have the following objectives been kept in mind in all studies and school activities; training in health, command of fundamental processes, worthy home membership, vocation, citizenship, worthy use of leisure and ethical character.

In June a class of seven participated in the graduating exercises held in the Town Hall. Of this number Cynthia Cressy, Carroll Butman, Raymond Caldwell and Myron Hazen are attending high school in Warner. Miss Eleanor Barslow from the Center school is attending the Hillsboro High School. William Cressy also completed with credit the work of the eighth grade in the Center school.

RECOMMENDATION.

Since the ground toilets in the schoolhouse at the Center continue to be a frequent annoyance in the schoolroom and a menace to the health of the children, I recommend that early action be taken to replace these ground toilets with a two-unit chemical tank toilet with stool and ventilation flue in each of the two toilet rooms now in use.

CONCLUSION.

In conclusion I want to commend to you the teachers who build with a vision, the transportation drivers who brave and sometimes break the winter roads and, last but not least, the faithful janitors who keep comfortable and tidy the physical environment of your schools.

Respectfully submitted,

GEO. H. HARMON,

Superintendent of Schools.

PINE BLISTER

Financial Statement

1925 Town Appropriation		\$400.00
State Aid		100.00
Town and State Balance 1924		.38
Total Available		\$500.38
Crew Wages		\$474.89
Expenses		25.05
Total Expended		\$499.94
Town and State Balance		.44
Town Balance	.35	
State Balance	.09	
Area covered		2,137 Acres
Average cost per acre		0.233
Currant and gooseberry bushes destroyed	30,185	
Pine infections located by crew	233	

An infection was located on the land of Mrs. Couch and a study made to determine the amount of infection. It was found that out of a total of 265 trees on the quarter acre examined 166 trees, or 62 per cent, were diseased by blister rust.

N. H. Forestry Commission,
By J. H. FOSTER,
State Forester.

CLARK D. STEVENS,
JOHN W. HORNER,

School Board.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the Members of the School Board:

GENTLEMEN:

Following is my first annual report. This covers the year 1925-26. During the year the following teachers were employed:—

<i>School</i>	<i>Teacher</i>	<i>Training</i>	<i>Exp.</i>	<i>Cred.</i>	<i>Salary</i>
Grammar—	Maude F. Merrithew	2 sum.	19 yrs.	Cert.	\$900
Grammar—	Helen M. Clough	2 sum.	2 yrs.	Lic.	720
Primary —	Martha W. Cilley	1 sum.	19 yrs.	Cert.	900
Center	—Frances Welch	Grad. P. N. S.	0 yrs.	Lic.	900

The total number of pupils in the district attending public schools was 95, of which 81 were enrolled in the local schools. Fourteen were registered in schools outside the district as follows:

Henniker elementary schools, 1; H. S., 1; Hillsboro H. S., 2; Nashua H. S., 1; Simmonds H. S., 9.

Non-resident pupils enrolled in the public schools of the district were as follows: Newbury, 1; Sutton, 2, making a total registration of 84 pupils in the Bradford schools. This is four less than for the previous year.

Following are at attendance statistics for the year:—

	<i>Center</i>	<i>Primary</i>	<i>Grades</i>		<i>Total</i>
			<i>4-5</i>	<i>6-8</i>	
No. $\frac{1}{2}$ days in session	340	342	341	340	1363
No. $\frac{1}{2}$ days lost	20	18	19	20	77
Total pupils registered	22	24	17	21	84
Average membership	19	18.8	15.1	14.8	67.7
Per cent of attendance	89.7	91.6	92.7	93	91.7
No. of tardinesses	16	48	97	71	232
Av. tardinesses per pupils	.8	2.5	6.4	4.8	3.4
No. visits of school board	9	9	6	2	26
No. of visits of Superintendent	29	32	29	33	123
No. of visits of citizens	17	115	90	110	332

It may be noted that an average of over nineteen half-days, or nearly two weeks time was lost by each school on account of holidays and other causes. In teachers' salaries this represents about \$182 paid out with no return.

By arrangement of the school calendar to avoid the principal holidays, and having school observance of others, at least a week of this might be saved. A plan in use in several towns of the state is to contract with the teacher for 360 half-days of service in 37 weeks. This gives opportunity for teachers to attend institutes, conventions, and to have certain holidays. Every day lost for any reason may be made up and a full thirty-six weeks of school obtained in place of thirty-four.

The roll of perfect attendance is as follows:—

For one year:—Willard Dodge, Annie Belle Hadley.

For two terms:—Joseph Clement, Graydon Barstow, John Barstow, Virginia Clement, Dorothy Howe, Pearl Davis, Louise Watkins.

For one term:—Winifred Davis, Mertie Woodward, Donald Douglass, Rachel Dodge, Kenneth Chase, Clayton Craig, George Dodge, Jr., Lucille Dodge, Leita Shove, Zealous Shove, Kenneth Brown, Violet Rollins.

Following is a report of the health inspection for this year:—

No. pupils examined	67
No. teachers examined	4
Cases defective vision	19
Cases defective hearing	5
Cases defective teeth	41
Cases defective tonsils	7
Cases defective adenoids	1

It will be noted that about 61% of the pupils have defective teeth.

In June a class of eight graduated from the eighth grade as follows:

Clayton Craig, Lucille Dodge, Eleanor Hall, Donald Richards, (These four graduates are now attending Sim-

monds High School); Kenneth Chase, now employed at home; John Barstow, now at Henniker H. S.; James Ansart, now at Concord, H. S.; and Lena Burton, now at Claremont H. S.

During the year the school equipment was improved by the purchase of new geography text books.

Standard tests given show that Bradford pupils compare favorably with others in all the common branches.

At Bradford Center the toilets are unsatisfactory. By replacing these with chemical toilets the present disagreeable features could be entirely eliminated. The shed floor is also in need of repairs. The cross lighting of the school-room is harmful to the eyes of the pupils.

At the village school a great improvement was made by grading up the playground for the primary school, and putting in a cement wall. Several swings in substantial frames were put up by the board at very low cost.

In conclusion we wish to thank the board for their co-operation and support, and shall consider it a pleasure to work with them for the improvement of the schools and the advancement of the pupils during the coming year.

J. A. SINCLAIR,
Superintendent.

Winter term closes March 15, 1929.

JOSEPH W. SANBORN,
CLARK D. STEVENS,
JOHN W. HORNER,
School Board.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the Members of the School Board:

GENTLEMEN:

Following is my annual report for the year 1926-27. During the year the following teachers were employed:

<i>School</i>	<i>Teacher</i>	<i>Training</i>	<i>Exp.</i>	<i>Cred.</i>	<i>Salary</i>
Center	—Frances Welch	P. N. S. Grad.	1 yr.	Cert.	\$900
Primary	—Martha W. Cilley	1 sum.	20 yrs.	Cert.	1,000
Grammar	—Blanche G. Cobb	4 sum.	21 yrs.	Lic.	1,000

The school statistics for the year are as follows:

	<i>Center</i>	<i>Primary</i>	<i>Grammar</i>	<i>Total</i> 26-27	<i>Total</i> 25-26
No. half-days in session	342	344	342	1028	1022
No. half-days lost	18	16	18	52	58
Total pupils registered	20	29	27	76	84
Average membership	15.5	25.5	23.2	64.2	67.7
Per cent of attendance	92.1	91.9	91.4	91.9	91.6
No. of tardinesses	4	113	142	259	232
Average tardiness per pupil	.2	4.44	6.1	4	3.4
No. visits of school board	6	15	13	34	26
No. visits of supt.	27	34	35	96	94
No. of visits of citizens	42	118	133	293	242

Some good features to be noted in the above comparison are:

1. Six less half-days time were lost this year. However, two schools each lost nearly two weeks of school. This might be avoided by a better arrangement of the calendar.
2. The per cent of attendance is slightly higher.
3. More visits were made by the school board, the superintendent, and citizens.

The number of tardinesses in the village school is much too great.

The total number of pupils in the district attending public schools was 91. Of these 76 were enrolled in the schools of the district and others as follows:

Henniker High school, 1; Hillsboro High school, 2; Warner High school, 12.

Four non-resident pupils were enrolled as follows: Newbury, 1; Sutton, 3.

The roll of perfect attendance is as follows:

For the year:—Leita Shove.

For two terms:—Rachael Dodge, Zealous Shove, Willard Dodge, Walter Stevens, Frances Woodward.

For one term:—Beatrice Dalphond, Pearl Davis, Kenneth Brown, Annie Belle Hadley, Roland Forsaith, Dorothy Howe, Violet Rollins, Helen Stevens, Lillian Flannagan, Ellsworth Brown, Stanley Brown, Laurence Long, David Cheney, Clarence Willey, Myrtie Woodward.

No medical inspection of the pupils was made this year.

In June a class of five was graduated from the eighth grade as follows: Vera Bradbury, Frank Fortune, Evelyn Heath, Estelle Wright, Donald Wright.

During the year courses of study in arithmetic and history as prescribed by the board were adopted. Outlines of these were made and placed in the hands of the teachers. The latter have been found helpful in avoiding reduplication of work, and in offering a definite year's plan for the teachers.

At the Center school the cross lighting is injurious to the eyes of the pupils. It might be improved by adding more windows on the left of the pupils and shading those on the right. The toilets are unsatisfactory, and would be improved by the installation of a chemical toilet such as are ordinarily used in schools of this type.

In conclusion we thank the board for the co-operation and support which they have given us during the year.

Respectfully submitted,

JOHN A. SINCLAIR,
Superintendent of Schools.

REPORT OF SCHOOL TREASURER

Simonds Free High School	\$1,019.21
Special School District, Hillsboro	180.00
Concord High School	97.66
	\$1,296.87

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Members of the School Board:

GENTLEMEN:

The report following is for the work of the schools of the district during the year 1927-28:

The following teachers were employed:

School	Teacher	Training	Exp.	Cred.	Salary
Center	Doris B. Williams	3 sum.	5 yrs.	Lic.	\$900
Primary	Martha W. Cilley	1 sum.	20 yrs.	Cert.	1000
Grammar	Blanche G. Cobb	4 sum.	22 yrs.	Lic.	1000

The school statistics for the year are as follows:

	Center	Primary	Grammar	Total 27-28	Total 26-27
No. half-days in session	348	342	343	1033	1028
No. half-days lost	12	18	17	47	52
Total pupils registered	17	32	28	77	76
Average membership	16.01	27.07	23.33	66.41	64.19
Percent of attendance	92.5	93.6	94.2	93.6	91.97
No. of tardinesses	9	113	126	248	259
Average tardiness per pupil	.56	4.1	5.5	3.7	4.03
No. visits of school board	3	12	6	21	34
No. visits of supt.	22	27	29	78	95
No. visits of citizens	20	57	73	150	293

1. From the above table it may be noted that five less half-sessions were lost this year, yet nearly two weeks of work were lost by the village schools. At least a week might be gained by better arrangement of the school calendar.

2. The average membership of the schools has slightly increased.

3. There is a decided gain in the per cent of attendance.

4. While the total number of tardinesses has slightly decreased, the number in the village schools is much too high. Parents could aid in preventing this by starting children to school in good season.

The total number of pupils in the district attending public schools was 96. Of these 77 were enrolled in the Bradford schools, and 19 in the schools of neighboring towns as follows:

Washington Elementary, 4; Concord High, 1; Hillsboro Special, 2; Warner High, 12. One non-resident pupil from Newbury was registered.

The roll of perfect attendance is as follows:

For one year—Dorothy Howe, Leita Shove.

For two terms—Zealous Shove, Geo. Dodge, Rachael Dodge, Pauline Stevens, Louise Watkins, Walter Stevens, Helen Stevens, Eleanor Wright, Marjory Howe, Edwin Ward.

For one term—Virginia Clement, Esther Cressey, Myrtie Woodward, Violet Rollins, Annie Belle Hadley, Mary Hall, Lucile Ward, Frances Woodward, Eleanor Dodge, Phyllis Chase.

The annual medical inspection was made in June by Dr. R. F. Oliver. Sixty-three pupils were examined with results as follows:

Number of cases of defective vision, 4; hearing, 2; nervous condition, 1; defective teeth, 21; defective breathing, 2; diseased tonsils, 7.

In June a class of four was graduated from the Grammar School. Its members were as follows:

Ellsworth Brown, Stanley Brown, Rachael Dodge, Frances Watkins. All these graduates are now attending high school.

During the year the equipment of the village school was improved by the installation of jacketed heaters. Ventilators for use in the windows were also added.

At the Center school the cross-lighting is injurious to the eyes of the pupils. This could be remedied by closing up all the windows on the side of the building next to the old pound, and installing a good sterling blackboard in their place. A considerable part of the present blackboard is in poor condition. The desks could then be turned a quarter way around to face this new board, and two or three more windows cut on the side of the building next to the Chase property. By this change the injurious cross-lighting would be eliminated, and adequate board room provided.

The toilets at this school are also in poor condition, and should be replaced by the type of chemical toilet commonly in use in neighboring towns. In the schoolroom the plaster-

ing is cleaving from the walls in several places, and the paper is peeling. Possibly the best way to repair this would be to cover all the walls with beaver board as the ceiling is now covered. This could be painted a correct color and would last for many years.

The Center school also needs a 12-inch hanging globe for use in geography.

During the year each teacher has endeavored to improve and advance her school as much as possible. We have found it a pleasure to work with them to this end.

In conclusion we would express our appreciation of the co-operation of the parents and the support of the board in our endeavors to obtain the maximum of good for the pupils at minimum expense to the district.

Respectfully submitted,

JOHN A. SINCLAIR,
Superintendent of Schools.
