TOWN WARRANT
State of New Hampshire

**THE POLLS WILL BE OPEN FROM 12:00 NOON TO 7:00
P.M. MARCH 10, 1981.**

*To the inhabitants of the Town of Bradford in the County of
Merrimack in said State qualified to vote in Town affairs:*

You are hereby notified to meet at the Town Hall in said Bradford on Tuesday, the tenth of March next, at twelve o'clock noon to act on the following Articles:

- 1 To choose all necessary Town Officials for the ensuing year.
- 2 To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same. To adjourn the meeting until Wednesday, March eleventh at 7:00 o'clock in the evening; the raising of money and other articles in the Warrant to be taken up at adjourned meeting.
- 3 To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.
- 4 To see if the Town will vote to authorize the Selectmen to apply for, accept, expend and appropriate through the Budget Committee:
 - a. Any Federal Fund under Title I, Local Public Works, Capital Development and Investment Act of 1976, contingent on availability.
 - b. Contingent on availability, Federal Disaster Funds in the event such funds are needed.
 - c. Contingent on availability, Federal Anti-Recession Funds under Title II (assistance to State and Local governments.)
 - d. Contingent on availability, Anti-Crime Commission Funds for police use.

- e. Contingent on availability, energy conservation funds from Federal and/or State sources.
- 5 To see if the Town will vote to approve the application for, acceptance and expenditure of Comprehensive Employment and Training for funding Public Service employment positions in the Town, contingent on availability.
- 6 To see if the Town will vote to accept monies received for the establishment of Trust Funds during the year since last Town Meeting.
- 7 To see if the Town will vote to accept for use on Town highways and roads:
 - a. The sum of \$12,816.72 from the State Highway Subsidy Fund. (Recommended by the Budget Committee)
 - b. An estimated sum of \$9,688.38 of Additional Highway Subsidy Funds for improvement and/or construction of Class IV or V highways in Town. (Recommended by the Budget Committee)
 - c. A State subsidy of \$7,971.89 (Duncan Fund) for the maintenance of Class V highways in the Town. (Recommended by the Budget Committee)
- 8 To see if the Town will vote to raise and appropriate the sum of \$1,144.85 for Town Road Aid (TRA) and to accept the sum of \$7,632.36 from the State in Matching Funds. (Recommended by the Budget Committee)
- 9 To see if the Town will vote to retain the unexpended portion of the Conservation Commissions's 1980 appropriation in the Special Conservation Fund established in 1977 under the provisions of RSA 31:112 (II). (Recommended by the Budget Committee)
- 10 To see if the Town will vote to authorize the expenditure of 15,000 from Revenue Sharing Funds to cover part of the cost of removal of garbage from the Disposal Area. (Recommended by the Budget Committee)
- 11 To see if the Town will vote to authorize the billing and

collection of property taxes on a twice yearly basis; a billing in June to be one half of the taxes levied for the previous year, the balance to be billed at the usual time and to be based on the new tax rate for the year. This authorization to raise, appropriate and expend an additional \$1,500 to cover the cost of such collection. This will amend the Town Officers' Salaries by an additional \$1,000 and amend the Town Officers' Expenses by an additional \$500. The process is needed to increase cash flow to operate Town services and reduce short term borrowing. It would further amend interest on temporary loans from \$15,000 to \$6,000. A saving to the Town of an estimated \$7,500. (Recommended by the Budget Committee)

- 12 To see if the Town will vote to raise, appropriate and expend the sum of \$19,000 to construct a two stall auxiliary Fire House on West Road on the Pearl Lot owned by the Town. (Not recommended by the Budget Committee)
- 13 To see if the Town will vote to appropriate from the Sarah R. Hoyt Trust Fund the sum of \$250 per year for the next four years to offset the cost of the Town Poor. (Recommended by the Budget Committee)
- 14 To see if the Town will vote to raise, appropriate and expend the sum of \$10,000 to plan, develop and install means of conserving energy, reducing heat loss and preserving the Town Hall, an Historic Building; to seek assistance from the Governor's Office of Energy for obtaining and expending through the Budget Committee monies for energy conservation. \$2,000 to come from Revenue Sharing; \$8,000 to be raised by taxes. (Recommended by the Budget Committee)
- 15 To see if the Town will vote to raise, appropriate and expend the sum of \$2,500 from Revenue Sharing Funds for Town Officers' Expenses. (Recommended by the Budget Committee)
- 16 To see if the Town will vote to fill all positions on the Town Planning Board by election when their present terms expire, and not by the appointment of the Selectmen. This would take effect for the year 1982. (Submitted by petition)

- 17 To see if the Town will vote to allow not more than one mobile home for every ten permanent, single family homes occupied at the time of application. (Recommended by the Planning Board)
- 18 To see if the Town will vote to petition the Representatives and Senators who represent the Town in the General Court to support in the current session of the General Court, the concurrent resolution to amend the State Constitution to limit the annual increase in property taxes to five percent and to limit the annual increase in spending by the State or any city, town or other governmental unit of the State to five percent. (Submitted by petition)
- 19 To see if the Town will vote to raise and appropriate the sum of \$278.00 as its' share of the cost of supporting the Dartmouth-Lake Sunapee Region Association—the official N.H. non-profit tourism promotion organization for the area. (Not recommended by the Budget Committee)
- 20 To see if the Town will vote to accept the reports of the Town Officers.
- 21 To transact any other business that may legally come before the meeting.

SELECTMEN'S COMMENTARY 1980

The year 1980 saw many good things happen to the Town but to offset the good, unforeseen outside effects created problems of the operation of Town business.

Our Road Agent, Mr. Phillips Byfield has progressed into his second year and has developed a more stable and dependable crew which has worked hard on the transportation network of the Town as well as to upgrade equipment. The equipment has been maintained on a regularly scheduled basis and is performing very satisfactorily. The new truck has been put in service and the older vehicles maintained for special uses. The Town Barns have been upgraded and maintained. Insulation has been installed and the heating system converted to wood at no out-of-pocket expense. With little snowfall, the crew proceeded to remove brush and encroaching trees along the roads for safety and easier maintenance. New culverts were installed to keep drainage and washing problems at a minimum. A new large culvert for Deer Valley/Nichols road was purchased and will be installed after the spring rains period. Center Road, started a year ago, was paved as planned and sealing and oiling was carried out as scheduled by the Town crew.

The road sweeper authorized for purchase with Revenue Sharing Funds was obtained at a much more favorable price than anticipated and the cost of paving Main Street was reduced by favorable action by the Road Agent. This newly paved road has added much to the Town's pride.

In addition to the usual highway duties, the Road Crew has been called on for work at the Disposal area, maintaining it and doing needed burning and grading. They also setup a truck to receive broken down cardboard cartons and bundled paper which has been trucked out and sold, resulting in a small but welcome return to the Town. The cooperation of the merchants in complying with the request to dispose of such material in this way is much appreciated, as is the effort of individuals. Small though the returns are, they are savings on your tax bill. In addition the reduction in the number of loads to be hauled out has been reduced at a substantial saving. As time goes on we may find we can recycle other material. The road crew also worked on Parks and Recreation Fridays; constructing and grading for the Brown-Shattuck skating rink and enlarging the ballfield. Both are of benefit to the Town.

The police cruiser authorized from Revenue Sharing Funds was purchased and after a considerable wait, it finally arrived. The old

cruiser was traded in. The police activity increased during the year with calls increasing as thefts in outlying areas rose. The Selectmen urge that those seeing violations of property and laws to please call the Police Department. The dispatcher will take calls if the office is not manned. We have 24 hour coverage but if you do not call we cannot help. (See the Chief's report for complete details.)

The authorized new pumper was ordered and the chassis and some equipment paid for. Delivery of the completed unit is expected mid-year 1981. Authorized bonds in the total amount of \$24,000 were obtained at an average rate of 11% per year interest and of course, will be paid for yearly until redeemed.

Mr. Harold Gustavsson was appointed Trustee of the Trust Funds. He has consolidated funds and invested those dollars as well as the capital reserve in high earning C.D. notes. These have earned considerable money for the Town, which will be reflected later in the Town's revenue.

The Land Inventory Map (Tax Map) continues to be very helpful. It is revised annually to include new subdivisions and transfers of ownership. The subdivision and resurveying of land continues at a surprising rate despite the economic conditions of the country. Many tracts of unknown ownership have been traced down and placed on the tax roles. While discrepancies between what the landowner believes he owns and what he is taxed for exist, the Board will adjust acreages based on the findings certified by a registered land surveyor at the owner's expense.

Bradford is a member of the N.H. Municipal Association, a non-partisan, non-profit organization of 223 member cities and towns, sharing a common interest in better local government. Services of N.H.M.A. provided to members are advice and assistance on legal and group insurance programs, technical advice and personnel services. Through the utilization of these services, we have reduced costs this year. Also available are workshops for staff and the Board on municipal liability, assessing, budgeting and the exchange of procedures in other governmental units.

Building in the Town continued at a rapid rate during the year. An increase of assessed value of tax base of approximately \$500.00 was tallied for the year, a total of over \$13,000 for tax levies. This was done at a cost of \$3,000. Costs for this service were higher than anticipated but will be reduced in coming years as the Board becomes more familiar with procedures. We feel that continuity of assessment procedures is essential in keeping values "fair and just".

The Town benefited by increased receipts of Room and Meals Tax, and Interest and Dividends Tax. Other gains were reflected in shrewd purchases by Departments. Pluses this year were that deficit spending was held to a minimum despite wildly spiraling costs of materials and services.

While the Town tries to be careful of the dollars it spends, some items are beyond our control. Insurance on Town property, personnel and equipment continues to increase even though we are increasing our deductible share. Retirement and Social Security continues on an upward trend. Disposal service charges are tied to the inflationary spiral and though we have sought bids from other vendors, our present contract is most favorable in spite of the escalation. Public Welfare costs increased beyond anticipation and undoubtedly will continue as a reflection of the economic conditions.

Bradford is a "retirement town" as found out by the Master Plan groups. Not that there are no young families, our school population certainly points up the fact that we do have a growing population, but our Town does attract and hold an elderly population because of its' quite rural atmosphere, our resident health services, a bank and several active merchants.

Because of this there are an increasing number of elderly exemptions on the tax roles. In 1979 there were 25 applicants who were granted \$250,000 in exemptions. 1980 saw 29 applicants whose exemptions amounted to \$295,000. Part of the increase is due to the increased age of the qualifying residents.

The Town is the recipient of the flag flown at the Town Hall. This flag was given by Mr. Glendon Mayo, a landowner and part time resident, in memory of his father Frank E. Mayo. He anticipates replacing the flag as needed. The Town accepts this gift with pleasure and thanks. The Mayos hope to be full time residents soon.

One of the highlights of the year for the Conservation Commission was the purchase by the State of New Hampshire of the 900 acre Low Property abutting Hillsboro. The large tract of high, rough land, practically inaccessible by any road system in Bradford will henceforth be one of the larger State Forests in South Central New Hampshire and will be open for hunting, hiking and other recreation as well as the production of forest products. While there is an immediate loss of tax base, the value of State ownership and the consequent reduction of the

possibility of subdivision of a tract in a remote area is of long time benefit to the Town. (See the Conservation Commission report.)

The Master Plan volunteers have concluded their data assembling and are working to put together the final results and recommendations. Co-Chairmen Nelson Spaulding and Harold Gustavsson and their co-workers are to be commended for the many hours of work spent on this project.

During the year, two pillars of Bradford's devoted public servants left our Town. Mr. and Mrs. Bernard Woods (Barney and Anne), who served the Town for many years as Selectmen, Tax Collectors and part time police officer, were honored at a party organized by Chief Rich and Florence Jones. It was attended by many townspeople. We wish them a well and happy retirement!

In the Town Office, paperwork continues to multiply. Forms one gets used to doing change constantly; detailed reports increase. Merchants require bills to be returned leaving us to duplicate them for our records. Keeping up with land transaction, tax maps, assessment figures, inventories, requests for reports in great detail is a time consuming effort. Fortunately devoted public servants are still available. The Town Office is staffed by a competent and devoted secretary, Mrs. Virginia Carter, ably assisted by Miss Hazel Fisk, who had been financed by the Green Thumb program during the year though she serves additionally during periods of critical need.

The Historical Society and its dedicated members have set up their building on Town property on Route 114. Volunteers are raising money for work on the building and the site. They were also instrumental in having the Town Hall placed on the National Roster on Historical Buildings.

Our Fire Department and the Rescue Squad have actively served the Town and through Mutual Aid, the surrounding areas. As home grown energy (wood) use increases, calls for chimney fires have increased. Fortunately, prompt response has held damage to a minimum.

The year has been rewarding and frustrating, difficult to plan for expenditures. Even as this is written it appears the budgeted costs beyond our control (fuel, electricity, telephone, paper, supplies, etc.) may be inadequate for the year.

School costs which make up 68% of your tax bill can upset you, the

taxpayer, and make the 25% of that bill which is the Town's share be squeezed harder. We urge you, therefore, to make your feelings known and participate in the budgeting procedure for school costs which make up the greatest share of your tax bill.

Special commendation is due the dedicated service of the Budget Committee for the hours they have met with the Selectmen to pound out a bare bones budget for the Town operation. You will not find a bit of "fat" on the proposals.

LIBRARY TOWN REPORT - 1980

Bradford's Town Library continues to offer a variety of services to the townfolk; one of which is our magazines (we circulated 1647 last year). They vary in content: news, household, crafts, history and others. Our books continue to be a variety of fiction and non-fiction, thanks to the efforts of our librarian's continued search for worthwhile books.

One of the sadder events confronting the friends of the Brown Memorial Library was the death of Effie M. Craigie, librarian for so many years and close friend of those who were so deeply nourished by the reading of books. Effie's love of people and of books overflowed. Memorial contributions were made to the Effie M. Craigie Children's Book Fund. This fund will be used to purchase children's books.

Another event which saddened many of us was the death of Amy Milner, who also shared her life so deeply with books and friends. We pay loving tribute to these ladies.

During National Library Week in April the Trustees gave a tea for the purpose of acquainting our patrons with the new bookshelves. In June we had an open house for the children who come as a group each week from the elementary school. During July we had a successful book and bake sale.

We also purchased an additional card catalog and set of World Book Encyclopedias as well as our usual purchase of books.

The Board of Trustees and our Librarian, Mrs. Dolores Hansen wish to extend a thank you to the townspeople for your cooperation in the fine support of our library facilities.

REPORT OF THE BRADFORD POLICE DEPARTMENT

Once again I am pleased to submit to you the 1980 Annual Report of your Police Department.

As our report indicates we have serviced 804 varied type of complaints which shows an increase of 117 over 1979. This increase in workload left the department with a substantially reduced amount of unobligated time or time which was not actually devoted to routine patrol, building checks, vacant home checks and other activities. This increase also caused more paper work and without the services of a secretary many hours was spent in headquarters preparing reports.

Because of the emergency nature of the police service, forecasting future police operations in terms of funds necessary to perform the wide variety of possible police tasks is not an easy assignment. It has been said, and truly so, that a community receives the quality of police services that it demands and is willing to support financially and otherwise.

Your Police Department fully realizes its responsibility to the citizens of Bradford and we constantly striving to better serve you. Improved police techniques are helping this department detect and arrest offenders. The population has increased over 300 since I assumed the position of Chief of Police and we find it necessary for the citizenry to report violations or suspicious happenings immediately after observing them. An on-going Public Relations program has helped us build a bond with the community and we are proud to serve its needs.

Respectfully submitted,

MARVIN RICH
Chief of Police

Partition.....	-	3	Drills-Meetings ...	12	15
Car Fires.....	3	1	Work Sessions....	6	5
Accidents	3	2	Pump Test	-	1
Mutual Aid	7	7	Trailer	1	0
			TOTAL.....	51	68

Please note that the above is over a 30% increase in the number of calls your Department answered this year. It does not take into consideration the many Sunday morning work sessions. We do most of our own maintenance. This increase put a strain on our budget so that we had to go without some items that should have been replaced such as hose to maintain a minimum reserve.

When you look at the budgets of neighboring towns you find an item for labor for fighting fires that runs from \$4,000.00 to \$8,000.00.

One of our largest single items in our budget is for telephones, the use of which is shared equally with the Rescue Squad.

Seven firemen completed and passed with high marks the "Certified Firemen's" 90 hour course this fall. The expense of attending these classes was borne by these men themselves.

Your Department furnished the equipment for flooding the ice rink.

Engine 2 was put thru a pumping test at the request of the "Insurance Services" and it passed the "Class A" requirements. This is the truck the Department would like to see placed in a new station along with Tanker 1 (Mack) upon which has been installed a more suitable tank. The tank was purchased with funds earned by our Annual July 4th activity.

Two new hand held two way radios were also purchased from the above funds.

It is hoped that it is clearly apparent that all projects performed or recommended are done, with the best interests of the Town in mind.

ROBERT A. MOORE
Chief

REPORT OF FOREST FIRE WARDEN AND STATE FOREST FIRE SERVICE

Forest Fire Prevention: Your Business, Our Business, Good Business. Forest fire prevention slogans have been seen in association with Smokey Bear since the late nineteen forties when a national effort to check the spread of forest fires was implemented.

New Hampshire residents recognized that forest fire prevention and suppression was the responsibility of every citizen, a half century before this national campaign, when our legislature established our first forest fire laws in 1903. Since that date, the State has appointed a town/city forest fire warden who is responsible for forest fire law enforcement in his municipality.

All fires kindled out of doors when there is no snow on the ground must be approved in writing by the forest fire warden before being kindled. All forest fires must be suppressed by the warden and his deputies as soon as they are reported. The cost of fire suppression is shared jointly by the town/city and the State of New Hampshire, as are forest fire prevention and forest fire training costs.

This state and local municipality cooperative forest fire program has given New Hampshire one of the best forest fire records in the United States.

REPORT OF THE ROAD AGENT

The past year has been a busy one for the Bradford Highway Department and this is a summary of our year's work.

Last spring, several roads in Town washed out and we installed large culverts in them to correct this problem once and for all. On Main Street, we removed the rocks, installed a new drainage system and resurfaced the section between Rt. 114 and Rt. 103. We finished TRA projects on Center road and started on Silver Hill. Howlett Road and County Road were both widened.

Repairs and improvements to the Highway garage, which includes insulation, doors and heating have been completed. We have built a road roller to use in the resurfacing and oiling of roads.

In addition, we have stopped using road salt or sand mixed with salt on Town Roads in the wintertime. Using salt entails spending \$400 to \$500 per storm whether it's a small storm or a large one.

Maintenance of the Town Dump and French's Park are now part of the regular duties of the department. At the Dump, we have initiated a recycling program for cardboard and newspapers which benefit the Town in two ways; one, the compactor doesn't fill up so quickly and two, we get income from the recycling program, which goes into the General Fund.

Many of you may have noticed a marked difference in the appearance of French's Park. We now have a regular cleanup and trash removal service in operation.

Respectfully submitted,

Phillips Byfield III
Road Agent

KEARSARGE VISITING NURSE ASSOCIATION ANNUAL REPORT OF SERVICES

The Kearsarge Visiting Nurse Association continues to serve the residents of its nine participating towns with home health care on an individual basis and health promotion clinics on a community basis. Greater efficiency has made it possible for us to request no increase in the per capita assessment of \$1.95 from each participating town.

The Kearsarge Visiting Nurse provides the following services for your town!

HEALTH PROMOTION - FREE

- Immunization Clinics
- Child Health Clinics
 - Preschool Dental Clinic
 - Speech Therapist
 - Nutritionist
- Prenatal, Newborn & Postpartum Care
- Child Protection Team
- WIC Supplemental Food Program
- Infant Car Seat Loan Program
- Adult Health Clinics
- Food Bank
- Medical Equipment Loan Closet
- Blood Pressure Clinics

CARE OF THE SICK - REIMBURSED

- Skilled Nursing Care(RN's)
 - Acute and chronic care for medical, surgical and mental health patients.
 - Blood Drawing (new service), injections, dressings, heart/lung exam, etc.
- Physical Therapy
- Occupational Therapy
- Home/Health Aide
- Homemaker (where medically necessary)

The growth of the KVNA is reflected in a total of 277 Nursing Care visits, 66 Physical and Occupational Therapy visits and 314½ hours for Home/Health Aide and Homemaker for Bradford.

If anyone knows of a relative, friend, neighbor or family who needs help, please call us at 526-4077.

Your continued support and confidence in our organization allows us to grow and serve the health needs of your community.

Robin Gallup, RN
Tanya Wilkie, RN
Co-Directors

Your town representatives are: Donald Garman
M. Louise Signorino

REPORT OF THE BRADFORD TOWN HALL RESTORATION COMMITTEE

November 12, 1980 the Bradford Town Hall was entered in the National Register of Historic Places. Registered places are eligible to be considered for Federal Matching Grants for protection or preservation. It imposes no restrictions or limitation on the use, unless Federal Funds are directly involved.

Part of the Eva Gebhard-Gourgand Foundation grant is being used to have a curtain for the back of the stage. Plans are in the making for further improvement.

Respectfully submitted,

CARROL BUTMAN
WILLIAM CURLESS

EUGENE SCHMIDT
MATILDA WHEELER

HEALTH OFFICERS' REPORT - 1980

Even though the national economy remains slow, Bradford is growing as shown by receipt of 8 approved construction plans for new septic systems. State regulations now require all septic system designers to be licensed probably as a result of the higher than expected rate of failure of recently installed systems. Additionally, new applications must include location and percolation tests for a replacement system if the original should fail.

Older systems are slowly being replaces--four this year in Bradford. Treat your septic system kindly and avoid expensive repairs is the message in a publication *A Homeowners Guide to Septic System Maintenance* available free from the Selectmen's Office.

Well drillers have been busy in all areas of Bradford as the ground water table continues to drop. Please remember that new wells must be located at least 75 feet from septic systems, even your neighbor's. One badly contaminated well in Bradford has caused the owners considerable expense and inconvenience trying to correct the problem. Yet the cost is much less than a trip to the hospital. If you notice any change in the quality of your well water don't hesitate to call on one of the Health Officers for advice.

During 1981, the Health Officers and Selectmen will be working on a Health Code primarily for the health and safety of tenants residing in multi-family dwellings. We will also examine the impact on septic systems of converting seasonal camps to year around dwellings.

Respectfully submitted,

JAMES V. BIBBO

Health Officer

FRED BODHOLT

Deputy

REPORT OF THE BRADFORD PLANNING BOARD

The master plan committee has spent the past year or so collecting information on Bradford's resources in order to identify the potential growth areas and those areas that should not be developed. When the committee is finished with the draft master plan there will be plenty of opportunity for community input at public hearings. The final plan will reflect the wishes of most people in town if we all make the effort to attend the public forums.

This year eight applications for subdivision were received and the board approved seven and refused one. The latter application was for a simple subdivision on a road which had been closed many years ago and would be far too expensive for the town to provide services.

The tax map continues to be a great aid to landowners and town officials. Much land untaxed for years has been discovered and is now making its way onto the tax rolls. Because the tax map must be up-dated each year, the planning board now requires an accurate survey by a registered surveyor for all final subdivision maps. This will insure an accurate tax map and help reduce the Town's cost for revisions.

The Selectmen and planning board members have been studying the problem of proposed subdivision and on class 6 roads (those closed by prior action of the Town) and we have reached the conclusion that subdividers would have to petition the town via the warrant and present their case at town meeting. The voters would be apprised of future town cost of maintenance and would decide if the road in question should be opened or remain closed.

Since 1974 Evelyn Lammert has faithfully served Bradford in many capacities. Without Evelyn's dedicated service as planning board secretary many good things would have gone unaccomplished. Evelyn was quick to keep us on track and to remind us of the little things that add to a community if done right or, if unchecked, detract from and otherwise pleasant town. Thank you, Evelyn for all your hard work and may your new endeavors be rewarding.

If you are thinking about subdividing your land please come and visit with the planning board on the second Wednesday of each month. Meetings are held in the Selectmen's office at 7:30 pm.

Respectfully submitted,

Fred Bodholt, Chairman

CENTRAL NEW HAMPSHIRE REGIONAL PLANNING COMMISSION

1980 marks the tenth year that the Central New Hampshire Regional Planning Commission has been in existence. During this period the Commission has continued its involvement in studies of both a local as well as a regional nature.

The Commission is solely an advisory body to the member communities and as such is often invited to provide technical assistance and advice on local projects.

As a part of this ongoing technical assistance the commission has been pleased to provide information to the Planning Board on master plan procedures as well as base maps and data to be used in formulating such a plan.

The Commission, this past year, again hosted a series of legal seminars for local officials and an open house on alternative energy sources.

The Commission hopes to be able to continue to serve the needs of its member communities in the future and appreciates the past support of its activities by the Town of Bradford.

Respectfully submitted,

**EVELYN LAMMERT
MARY SMITH**
Bradford Representatives to
the Commission

REPORT OF THE BRADFORD CONSERVATION COMMISSION

This year we completed the Fitness Trail, planted trees on Main Street and continued our planting of shrubs across from the entrance to Bradford Pines.

The Acworth Conservation commission needed financial aid in activating a repeal of the court ruling against honoring a conservation zone. We raised \$130.00 by selling changes on a Hitchcock type morror made by Adam Lammert and adorned with a painting by Shirley Hambrecht. The outcome of the case will set a precedent and affect all Conservation Commissions.

A clean up at French's Park was one of our projects. Skindivers removed glass and debris from the swimming area. The picnic table and trash basket was again provided by the State Highway Department and the trash removed by Clarence Wheeler.

The G. Prescott Low property was acquired by the state for a forest. Both Bradford and Hillsboro Conservation Commissions and Representative James Bibbo worked toward this goal. Evelyn Lammert and Matilda Wheeler were present at the signing of the deed.

We have a continued interest in the Bog, the Pines and our wetlands.

It is with regret that we accept the resignation of our efficient secretary, Evelyn Lammert.

Respectfully submitted,

MATILDA WHEELER, Chairman

EVELYN LAMMERT,
Secretary (resigned)

ISABEL SHEEHAN, Treasurer

COMMUNITY ACTION PROGRAM BELKNAP-MERRIMACK COUNTIES, INC.

The Kearsarge Valley Community Action Program located in the Old Graded School, Main Street, Warner, serves eight towns in Merrimack County: Bradford, Henniker, New London, Newbury, Sutton, Warner, Webster, and Wilmot. This year we were able to double the dollar amount of services to the Elderly and low-income families of this area. That translates to \$354,463.63 in services.

Services to the elderly include Meals-on-Wheels and the Senior Companion Program for shut-ins; Congregate Meal Sites in Henniker, New London-Wilmot, and Warner; and a Rural Transportation Bus that gets Senior Citizens into Concord. Our fuel assistance program last year reached 220 families in the eight towns. We expect that this year even more people can be helped. We are again offering an Adult Basic Education Course teaching basic skills in the areas of parenting, family health, money management and nutrition. In addition, this year we are going on 24-hour call for emergency situations. There will be a phone number published when the program gets into full operation.

The money your town appropriates for Community Action goes to run the Area Center in Warner. The Center's budget goes for salaries, travel expenses, office supplies, and the cost of heat and maintenance for the Community Action Neighborhood Center. The federal government provides the bulk of monies for the 1981 budget. What we ask from each town is a percentage of program participants from each town.

Respectfully submitted,

THOMAS CHAMBERLIN
KVCAP Area Director

THE BRADFORD HISTORY COMMITTEE

“Two Hundred Plus” the history of Bradford published in 1976, sold twenty six copies this year. The sum of \$462.10 was turned over to the town treasurer by Eleizabeth A. Cilley, agent for the book. Copies may be obtained at the office of the town clerk.

The history committee is requesting again this year that anyone having geneological material relating to Bradford people contact them. A gift from Winfield S. Smyth of his geneological files on Bradford families, gives the committee a basis on which to build.

Pictures, either old or current of Bradford people, places or events, are welcomed by the committee to preserve in their albums.

We urge support of the Bradford Historical Society either by membership or gifts. Its home, the former Bradford Post Office, is on a permanent foundation, is half paid for and will require much volunteer labor to renovate the interior and landscape its grounds.

Everyone is welcome to attend the monthly meetings of the society held usually in the church vestry on the fourth Wednesday evening of the month.

It is only six years to the celebration of Bradford's Bicentennial!

Elizabeth A. Cilley, Chairman

Mildred Gunscheon

Julian F. Dodge

BRADFORD COOPERATIVE KINDERGARTEN

The Bradford Co-op Kindergarten and Preschool operates as a non-profit organization. Our aim is to provide the children of Bradford with a comprehensive Kindergarten and Preschool program.

We purchase all the supplies and equipment necessary to run a Kindergarten and preschool program; and we provide for a qualified teacher and a working format for this program. It is our intent to work along with the regional school system so that our children will be able to make a smooth transition into first grade. Every year, despite rapid inflation, we have strived to keep tuition reasonable with the hope that all children in our community will be able to attend a local kindergarten. We feel that the preschool years are extremely important years, and that the Bradford Co-op Kindergarten offers a valuable service to the town at no extra cost to the taxpayers.

Our annual budget for the 1980-81 school year is in excess of \$6,000.00. Our organization has raised \$2,240.00 through various fund-raising efforts. This includes our major money-making project "The Olde Fashioned Pig Roast and Dance." We also published "The Bradford-Newbury Business Directory." Other fund-raising projects include a wood raffle and election dinners served to town officials. Individual donations and tuition payments support the balance of our budget.

We would like to take this opportunity to extend our sincere thanks to all the residents of Bradford for their continued support of our organization.

Respectfully submitted,

KATHY MCKENNA
President Bradford Co-op Kindergarten

NEW HAMPSHIRE DEPARTMENT OF RESOURCES AND ECONOMIC DEVELOPMENT

As New Hampshire State Historic Preservation Officer, I am pleased to inform you that the Bradford Town Hall was entered in the National Register of Historic Places on November 13, 1980. A copy of the official notice is enclosed for your records. A copy of the National Register nomination is on file and is available for your inspection at the New Hampshire State Historic Preservation Office, 6 Loudon Road, Concord, New Hampshire.

The National register is the official Federal listing of significant heritage resources (buildings, structures, sites, districts and objects) worthy of preservation, but it does not impose any restriction or limitation on the use of private or non-Federal property, unless Federal funds or programs are directly involved. Registered resources are eligible to be considered for Federal matching grants-in-aid for protection, preservation, rehabilitation or reuse. National Register designation also provides for review by the Advisory Council on Historic Preservation (a Federal agency) of potential effects which any Federally funded, assisted or licensed project might have on registered properties.

HUD Historic Preservation Loans are available to rehabilitate Register properties for residential use. In addition, Section 2124 of the Tax Reform Act of 1976 (PL 94-455) contains Federal tax incentives for rehabilitation of privately-owned income-producing Registered properties; it discourages destruction of historic buildings by reducing tax incentives both for demolition of such structures, and for new construction on the site of demolished historic buildings. The Tax Reform Act also provides tax benefits for donation of easements and other gifts of real property for conservation, preservation, recreation, and education purposes, thus encouraging the protection of archaeological sites and natural settings as well as significant structures and districts.

Detailed information about the National Register program and the Tax Reform Act is enclosed. If you have any questions or concerns, please call the Preservation Office (603-271-3483).

Your comments will be appreciated.

Sincerely,

GEORGE GILMAN

Commissioner

NH State Historic Preservation Officer

NHMA'S TOWN CRIER

Published by N.H. Municipal Association

"The New Hampshire Municipal Association has existed since 1957. It is a non-partisan, non-Profit organization whose 223 member cities and towns share a common interest in better local government.

NHMA provides a wide variety of services to its member communities. Among the services provided are: legal services, technical assistance, group insurance programs, personnel services and representation of municipal interests before federal, state, and administrative bodies.

The ultimate goal of these services is to help elected and appointed officials provide more efficient and effective government at the local level. In its representation of municipal interests before the state legislature, one of the primary goals of the Association is preventing excessive property tax burdens being placed on local governments.

NHMA also conducts many workshops and seminars dealing with local needs and problems. These include programs on such topics as municipal liability, welfare administration, assessing, land use and planning law, budgeting and labor relations. The biggest and most important learning opportunity offered by NHMA is its annual meeting. Held every fall, this meeting provides local officials with valuable program sessions designed to give local officials ideas and information they can put to use in their communities for the people they serve.

Further information about NHMA can be obtained from the Board of Selectmen or by contacting NHMA offices at 193 No. Main St., Concord, N.H. 03301.

DARTMOUTH-LAKE SUNAPEE REGION ASSOCIATION

The Officers and Board of Directors of the Dartmouth-Lake Sunapee Region Association (DLSRA) wish to thank the townspeople and officials of Bradford for their generous appropriations at the 1980 Town Meeting.

DLSRA, a non-profit organization, worked hard to make this area a vacation destination during 1980. Our 120 business members and volunteer board members believe that all businesses, not only inns and restaurants, benefit from a healthy vacation travel economy. We applied for and received over \$7,000 in N.H. State Matching Funds to produce and distribute 75,000 copies of our new color-covered vacation brochure. This was the first time our region had a selling piece that was competitive with other sections of the state and New England. Exactly \$7,332 in private funds were matched by a like amount of state dollars in November 1980 so that DLSRA could organize and carry out an important advertising campaign to promote mid-week skiing in our region. All major downhill and cross-country centers participated along with over 25 lodgings and dining establishments. DLSRA also funded a seven day a week live ski information phone during the winter of 1979-80.

In addition to these major achievements DLSRA mailed nearly 4,000 vacation kits to people who wrote our office, handled several hundred phone inquiries, prepared several news releases and feature stories for over 90 travel editors throughout the East and established a unique theatre/lodging/dining discount program for summer arts enthusiasts.

This year promises to be busier than last and we would sincerely appreciate your continued support! Thank you.

TOWN WARRANT

State of New Hampshire

The Polls will be open from 12:00 to 7:00 p.m. March 9, 1982.

To the inhabitants of the Town of Bradford in the County of Merrimack in said State qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Bradford on Tuesday, the ninth of March next, at twelve o'clock noon to act on the following Articles:

1. To choose all necessary Town Officials for the ensuing year.
2. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same. To adjourn the meeting until Wednesday, March tenth at 7:00 o'clock in the evening; the raising of money and other articles in the Warrant to be taken up at adjourned meeting.
3. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.
4. To see if the Town will vote to authorize the Selectmen to apply for, accept, expend and appropriate through the Budget Committee:
 - a. Any Federal Fund under Title I, Local Public Works, Capital Development and Investment Act of 1976, contingent upon availability.
 - b. Contingent on availability, Federal Disaster Funds in the event such funds are needed.
 - c. Contingent on availability, Federal Anti-Recession Funds under Title II (assistance to State and Local governments.)
 - d. Contingent on availability, energy conservation funds from Federal and/or State sources.
5. To see if the Town will vote to approve the application for, acceptance and expenditure of Comprehensive Employment and Training for funding Public Service employment positions in the Town, contingent on availability.

6. To see if the Town will vote to accept monies received for the establishment of Trust Funds during the year since last Town Meeting.
7. To see if the Town will vote to accept for use on Town highways and roads:
 - a. The sum of \$8,561.53 from the State Highway Subsidy Fund. (Recommended by the Budget Committee)
 - b. An estimated sum of \$9,377.47 of Additional Highway Funds for improvement and/or construction of Class IV or V highways in Town. (Recommended by the Budget Committee)
 - c. A State subsidy of \$4,116.90 (Duncan Fund) for the maintenance of Class V highways in the Town. (Recommended by the Budget Committee)
8. To see if the Town will vote to accept the sum of \$7,595.07 from the State for TRA. (Recommended by the Budget Committee)
9. To see if the Town will vote to retain the unexpended portion of the Conservation Commission's 1981 appropriation in the Special Conservation Fund established in 1977 under the provisions of RSA 31:112 (II). (Recommended by the Budget Committee)
10. To see if the Town will vote to authorize the expenditure of \$17,500 from Revenue Sharing Funds to cover part of the cost of removal of garbage from the Disposal Area. (Recommended by the Budget Committee)
11. To see if the Town will vote to raise and appropriate \$8,728 for the purchase of a special sander-dump body for use by the Highway Department. (Recommended by the Budget Committee)
12. To vote on the following question by ballot: "Shall we adopt the provisions of RSA 72:43-f for the adjusted elderly exemptions from property tax. These statutes provide for the following exemptions, based on assessed value for qualified taxpayers: for a person 65 years of age up to 75 years, \$10,000; for a person 75 years of age up to 80 years, \$15,000; for a person 80 years or older, \$20,000. To qualify, the person must have been a New Hampshire resident for at least 5 years; own the real estate individually or jointly, or if the real estate is

owned by his spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a combined net income of less than \$10,000 or if married, a combined net income of less than \$12,000, and own net assets of \$30,000 or less, excluding the value of the person's residence."

13. To see if the Town will vote to raise and appropriate the sum of \$10,000 for additional oil to seal roads in the Town as designated by the Road Agent and the Board of Selectmen.
14. To see if the Town will vote to raise and appropriate the sum of \$1,800 for additional hose for the Fire Department's new pumper. (Recommended by the Budget Committee)
15. To see if the Town will vote to raise and appropriate the sum of \$820 for two radios for the Police Department use by part-time officers. (Recommended by the Budget Committee)
16. To see if the Town will vote to designate the former Pearl Land on West Road, Parcel #22-669,170, given to the Town for Conservation purposes as the Bradford Town Forest, excepting two acres of frontage for possible other Town purposes. This will also authorize the Bradford Conservation Commission to erect a suitable sign so designating the property.
17. To see if the Town will vote to accept the reports of the Town Officers.
18. To transact any other business that may legally come before the meeting.

SELECTMEN'S COMMENTARY

1981 proved to be a good year for Bradford. Our budget, long labored over by The Budget Committee and the Selectmen, proved to be very close to the actual expenditures and this was in spite of some increased costs and because of some hard-to-estimate expenditures were less than anticipated at budgeting time.

With careful planning, departments lived within their budgets for the most part and in some cases, joint efforts saved money while making it possible to stay within the budget.

The solid waste disposal program set in motion in 1978 continued to operate smoothly. Revenue Sharing funds totalling \$15,000 offset part of the projected cost of the operation. Savings due to the program of separating bundled paper and broken-down cardboard cartons has had a growing effect on costs of operation. While the sale of these items has brought in small amounts of revenue, the greatest "revenue" has been an appreciable reduction in the loads of material for the compactor. Because of this factor alone the Disposal Area stayed within budget. Thanks is due to the fine cooperation of the Town's merchants and to those folks who voluntarily cooperated with the program. Everyone can help keep taxes down by cooperating and remembering that our growing population puts increasing pressure on the facility.

The Fire Department became the proud possessor of a new pumper truck, authorized and funded in March of 1980. Through the very anxious time of bankruptcy procedures of the supplier, the Fire Chief, Robert Moore, Town Counsel, Kenneth Brown and the Board of Selectmen successfully worked together to arrange the delivery of the truck and its' complement of equipment.

Probably the greatest change in Town procedures has been due to the approval at the 1981 Town Meeting of the billing and collection of property taxes on a twice-yearly basis. The procedure was instituted in the June billing of taxes with a second billing in December. Collections have been good and with the collections beginning in June, the Town's cash-flow was improved with a drastic reduction in interest charges for the Town. Results of this endeavor were beyond our expectations. A sincere "thank you" to Lillian Frey for her extra efforts.

The highway program continued to improve. Reconstruction of Fairgrounds Road proceeded on schedule with a new surface recycling program. Defective culverts were replaced, rocks and ledge removed and proper ditching carried out. It was sealed in the Fall. The recycling procedure resulted in more roads improved for no additional cost. Sealing of other roads was done

as far as the money for materials allowed. Cost of oil increased, resulting in less treated miles than anticipated. Phillips Byfield and his crew continued to develop equipment needed for the roads, maintaining and improving existing equipment by weekly checks and servicing and thus brought us through the year with no major problems. The crew salvaged much timber along the roads during roadside brush cutting. This material was taken to sawmills and sawn into lumber for expanding the existing town barn to a size where now all equipment will be under cover and more covered work space is now available. Thanks go to many people for donating logs and lumber and especially to Dr. James Bibbo for several large hemlock logs cut from his woods by the crew for the long rafters needed for the building. With such contributions, costs for valuable work space have been minimal. The expansion will be finished in 1982.

The town crew also worked at the disposal area and, as instituted last year, such work was charged to it. Burning of allowable material, clean up, etc. are all charged to that project. Similarly, costs of maintenance of Parks and Recreation areas and garbage collection from them by the crew are also charged to that program. As a result, costs for highway maintenance are now true reflections of those services.

January to April saw little snowfall and lower costs for highway maintenance. The same was true of the mild November. However, December was a different story. Several heavy snowfalls, reminiscent of those "old fashioned winters" with storms every other day put severe strains on equipment, the men and the budget right up to the end of the year. After two years of very little snow, unusual snowfalls brought home the fact we live in Central New Hampshire!

One of the programs planned was an enlarged and improved skating rink at Brown-Shattuck, but early and continuous snowfall wiped out that facility which was so much enjoyed last year.

Because inflation has been running at 10% or more annually since the reappraisal of the town, the equalization rate was bound to drop. The rate set by the Department of Revenue Administration of 64% was challenged by the Board of Selectmen by appeal to the State Board of Taxation. This appeal resulted in a 70% Equalization Rate being set. This adjustment resulted in a calculated \$10,000 savings on the school taxes assessed to the town. This meant about fifty cents on your tax rate.

Pressure from the State Board of Taxation resulted in a program of revaluation of all undeveloped lots in subdivisions. Values set are now more in keeping with valuation of lots in rural towns in the general area.

Last winter saw a series of problems with destruction and theft of personal property which spread into four adjacent towns. Chief Rich instituted a five-town program involving chiefs from those towns, the Sheriff's Office and State Police. The coordinated effort resulted in the apprehension of suspects and return of much of the stolen material. As is usual in times of reduced employment, rural property can be a target of such attacks. Elderly residents also, may well be targets of such marauders. It seems, however, that the experiences of 1981 have had a beneficial effect of making a larger segment of our 1,118 people residing in Bradford aware of the need of reporting suspicious acts and incidents promptly. Your Police Department is anxious to serve, but can only do so if you call. The dispatch service is available twenty four hours a day - call 938-2422. (See the Chief's report)

It is with regret that we acknowledge the resignation of three yeoman workers for the Town: Lillian Frey, Florence Jones and Catherine MacLeod, who have served as Supervisors of the Checklist for many years. Their many "sittings" and devoted service are deeply appreciated. Appointed to fill their vacancies were MaryLou Valley, Isabel Sheehan and Michelle Smith.

Legislation passed by the State last year has mandated District Solid Waste Disposal Regions. These are to be set up with taxing powers on the Towns, operating much as School Districts. The New Hampshire Municipal Association, representing 223 member cities and towns, including Bradford, has assisted in developing proposed legislation to reduce the impact and cost of such proposals. This is but one of the services of the N.H.M.A. the Town has used to attempt to keep costs low and keep us updated.

Bradford is a "retirement town" with a high population of elderly held here by our resident health services, bank and organization programs. Because of this, there are an increasing number of elderly exemptions on the tax role. Under the present system, twenty applicants were certified under State rules and standards. These exemptions for 1981 total \$245,000 of property valuation. Those qualifying for elderly exemptions are likely to increase as time goes on.

The Town Hall was surveyed for an energy audit during early summer. A program of insulation and tightening up was developed and placed for bid. In early winter the work was started, based on priorities which would give greatest pay back for dollars expended. Unfortunately, many others desire the same work done and while a start has been made, the job is not yet complete. The programmed work will be completed in 1982. Blown-in insulation, heat-leak sealing, tightening flooring, placement of batts in strategic places and storm windows will be included in the final work.

Co-Chairman Nelson Spaulding and Harold Gustavsson of the Master Plan Committee have nearly completed work on this essential tool for Bradford. Plans are to publish it in early 1982 in its final form.

The Conservation Commission is continuing their program of planting in strategic places in the town. Shrubs and trees were established this year and with the good growing season, they made excellent starts. The Commission is also to be commended for its continuing efforts to maintain a clean French's Park by sponsoring an under-water clean-up of cans, bottles and other debris at the park. This event enlisted scuba divers, Scouts and townspeople resulting in a much needed clean up of material hazardous to swimmers in the area. A "feed" for those participating was put on by the Commission with donated and purchased food. Our thanks to them for their efforts.

Again this year we would close with a plea that you also be concerned with your school budgeting process. Remember school taxes make up the largest part of your tax bill. Town taxes are only 27% of your total tax. We urge you to participate in your school meetings and see that your wishes are known. Our efforts to keep town costs down are essential but monitoring your school costs is just as important.

The Board of Selectmen wishes to thank the continued efforts of the Budget Committee to monitor, at least quarterly, the Town Budget and their work in developing the joint budget presented here which we feel recognizes the balance between the needs of the Town and the hard facts of the financial picture of the times.

LIBRARY COMMENTARY

In spite of the high cost of new books, especially fiction, our Librarian was able to purchase 444 new books for Brown Memorial Library. A new world atlas from the National Geographic Society was purchased.

Mrs. Patricia Delgado set up a fund in memory of her mother, Mrs. Leonora Sanborn, a nine year trustee of the library. The interest to be used in part for a subscription to Starlight Romance Series.

While the present Library building was constructed in 1931 we plan to celebrate our 50th anniversary of the library in October 1982.

Mrs. Hansen continues her weekly readings for the Kindergarten; grades 1 through 3 also use the library on a regular basis.

Our annual Book and Bake Sale was held in July. A new file cabinet and table has been purchased by the Trustees.

We would welcome displays of all sorts from clubs, crafts groups and other local organizations; previous displays have attracted favorable attention.

Our Librarian, Mrs. Dolores Hansen and the Board of Trustees wish to thank the townspeople for their continuing help with the library to make it a place for community enrichment.

HEALTH OFFICER'S REPORT 1981

During the past year there have been six approvals for the operation of new septic systems and three applications for construction still pending. Despite the current slump in new construction this is an increase in building activity in Bradford over the past few years. This reflects, in general, the steady growth Bradford has enjoyed over the past ten years. Our population has increased from 679 in 1970 to 1115 in 1980 for a percentage growth of 64.2 percent. This figure also makes us the fourth fastest growing town in Merrimack County.

Respectfully submitted,

DR. JAMES V. BIBBO JR.
Health Officer
DR. FREDERICK BODHOLT
Deputy Health Officer

REPORT OF THE BRADFORD POLICE DEPARTMENT

I am pleased to submit to you the 1981 Annual Report of your Police Department.

The year 1981 was highlighted by the increase in incidents and actions taken by the Police Department. There were 1,073 varied complaints handled during the year which showed an increase of 269 over last year. 1,589 phone calls were received during the year with the majority of them going through our dispatch center. This has been an extremely busy year for your department and many off duty hours were volunteered by our dedicated personnel which allowed us to remain within the confines of our assigned budget.

The responsibility of the police department is great, but equal responsibility also lies with the people of this community. For effective communication and progress of a law enforcement agency, the citizenry must play an active, dynamic role by reporting any unusual happenings. We will continue to act with concern for economy, bearing in mind that the taxpayer is affected by our actions. However to deny you sound and proper protection and safety, would be false economy. I offer my high regard for this community, this is a good community, and with your cooperation we will both continue to keep it a safe and good place to live.

I would like to offer my deep appreciation to all the members of the Fire Department, Rescue Squad and Highway Department for their assistance and dedication during the past year. I would be remiss if I did not thank the men and women serving our department along with Bruce Bowie and James Raymond who volunteer their services when needed. To the Board of Selectmen, Virginia Carter, and Hazel Fisk thank you all for your guidance and cooperation during the year.

Respectfully submitted,

MARVIN RICH
Chief of Police

Mutual Aid	7	9	TOTAL	68	58

It is good to show a small decrease in the number of calls answered by the Department this year.

Our new truck arrived late in June after a very nerve wracking struggle. It meets our expectations. We would be very pleased to have people stop by the station and show it to them. It was used on one structure fire late in the year and its performance was excellent.

The four inch hose reel on the rear has a capacity of 2000 feet. At the present there is only 1200 feet on it. The Department is asking for funds to purchase an additional 300 feet this year.

The Selectmen's report last year said more study was needed on the "Fire Station" question. The Department in June proposed to the Selectmen that a Committee be formed composed of department members, Selectmen, Budget and Planning Board personnel. The first meeting was held in late December. It is hoped that this study will be continued.

ROBERT A. MOORE
Chief

REPORT OF ROAD AGENT

In 1981 we finished the TRA project on Silver Hill and started on Fairgrounds Road. This road has been rebuilt by recycling the old surface. In doing so, we saved approximately \$20,000, thus enabling us to do all of Fairgrounds Road in one year as opposed to two or three years by using the more conventional method.

Early last spring we began construction of a large addition to the highway garage. All the work was done by the town crew. This building will allow us to keep all the equipment inside a heated space in the winter, causing alot less wear and tear on the trucks and sanders.

The Highway Department has two items on the Warrant this year. The first is a combination sander/dump body for the 1980 Ford truck. The unit will result in considerable savings of fuel and labor over its 10-15 year lifespan, by eliminating back tracking over plow routes to sand the roads after the storms.

The second item is to appropriate \$10,000 for an additional road oiling program. This will help catch up on several years of not oiling and prevent the expense of major road building in the future.

Respectfully submitted,

PHILLIPS BYFIELD III
Road Agent

KEARSARGE VISITING NURSE ASSOCIATION

The Kearsarge Visiting Nurse Association has touched the lives of many people in your town this year. The enrollment in the Child Health Program has increased serving 31 children in your town with a total of 69 immunizations given. We have screened 122 people at your Blood Pressure Clinics/Health Fairs with 50 new people in attendance. The growth of KVNA is also reflected in the 216 nursing care visits, 46 Physical and Occupational Therapy visits, and 385 hours for Homemaker and Home Health Aide in your town.

In 1982 we are requesting for the third straight year, the per capita assessment of \$1.95. Total town appropriations equal 15% of our operating budget. RN's Homemaker/Home Health Aides, a Physical Therapist and Occupational Therapist are offering more sophisticated health care including blood drawing and plans for IV Therapy. For the patient, this may mean reduced time spent in the hospital and lowered health care costs. For the elderly, our supportive services may enable people to remain in their own homes, forestalling or preventing institutional placement. These visits are reflected in the following age distribution of our total caseload.

If anyone knows of a relative, friend, neighbor, or family who needs help, please call us at 526-4077 for there truly is "no place like home".

Your continued support and confidence in our organization allows us to grow and serve the health needs of your community.

ROBIN GALLUP, RN, Co-Director
TANYA WILKIE, RN, Co-Director

YOUR TOWN REPRESENTATIVES ARE:

Mr. Donald Garman

Mrs. John Signorino

LOOKING TO BRADFORD'S BICENTENNIAL 1987

Please send to the Bradford History Committee a copy of your family tree. Forms are available from them to help you.

If you have pictures of current events or from former years, won't you share them to place in the historical albums.

Will you help, or do you have suggestions for the celebration of the Centennial which is only six years away.

Dorothy Davis and Linda Deschenes have joined our committee. "Two Hundred Plus" the only history of the town, a 1976 publication, has sold sixteen copies to individuals or libraries during 1981. Elizabeth A. Cilley, agent for the town, turned over \$283.75 to the town treasurer. \$444.00 remains to repay the town for the cost of publication. Copies are available at the town clerk's office.

The Bradford Historical Society received the support of eighty-five members during 1981 and several generous contributions. Much volunteer work has been done on the Old Post Office. They have been financially successful with the annual strawberry festival, the holiday bazaar and the publication of their cookbook. They welcome new members. Meetings are open to the public, the fourth Wednesday of the month.

REPORT OF CIVIL DEFENSE

I am happy to report that nothing of major importance happened during this year within the town that required calling on Civil Defense. We did have several power outages but fortunately they were of short duration and caused only minor inconveniences. When storms did cut electrical power, we were fortunate that our road agent took fast action clearing fallen trees and keeping the roads opened and sanded, enabling Public Service to make repairs.

With no serious structure fires, forest fires or no serious accidents involving fuels and gasoline and hazardous materials being transported over our roads and through our town day and night, we have slid through another year with God's grace. Amen to this.

In my last report, I asked for volunteers and help with civil defense. I am sorry to say I have had not even one offer for help, nor a single volunteer. I suggested that everyone have emergency rations, e.g. canned juices; portable heat - or auxiliary heat - candles, food, etc. Well, I hope they have provided themselves in some way. We do have several available heaters (kerosene) that are available in emergency - but surely not enough to fill the demand of a community. Some are available.

At a seminar in Laconia at the Margate Hotel, your selectmen, fire department and civil defense were represented. A lot of ground work on the various situations of civil defense were covered and explained in detail and I'm sure a lot was gained by attending this seminar. Hopefully in 1982 more of these seminars will be available for us to attend and we will.

At this time I still have no information to offer on the low flying military planes that pass over sometimes several times weekly. I have asked and made written requests for information and have had no reply to date.

To bring again to your attention, anyone having a gas mask issued by civil defense, it is now *not usable*. The charcoal canisters have gone by their usefulness and will not protect you. Please destroy these or make them unusable. This information comes from the Civil Defense Department in Washington, D.C.

At town meeting, an appropriation of \$50.00 is usually made for Civil Defense for our town. My question on this is, why? This amount wouldn't pay the postage to send a single post card to each resident of the town to inform them of any civil defense activity. To my knowledge this appropriation has never been used by Civil Defense. I would like to inform the townspeople again

that civil defense, as well as all the town departments, are on a twenty-four hour alert in the event of a disaster within our town.

Again, if anyone has anything to offer to civil defense, a service, volunteer to help, or anything, please inform me of it. Defense is everyone's concern - even yours.

Respectfully submitted,

L. HAROLD BULLOCK
Civil Defense Director

PLANNING BOARD REPORT

The Town Master Plan Committees continues collecting information on Bradford's resources for the most beneficial use of town land. When the final plan is completed by the Master Plan Committees, public hearings will be held for further input by the townspeople thereby reflecting most of the wishes of the town's population.

This year seven applications for subdivisions were received and the Board approved all seven.

The Tax Map continues to be a beneficial tool for both property owners and town officials as each piece of property in the town is put on the tax roll. In the past some property was omitted from the tax roll because some lots were not listed or registered. As the Tax Map must be updated each year, the Planning Board now requires an accurate survey by a registered land surveyor for all final subdivision maps. This insures an accurate tax map and helps to reduce the town's cost for revisions.

Planning Board meetings are held on the second Tuesday of each month at seven thirty in the evening at the office of the Selectmen in the town hall. Property owners of Bradford who are considering subdividing their land should attend these meetings for information that will be helpful to them.

THE CENTRAL NEW HAMPSHIRE REGIONAL PLANNING COMMISSION

The Central New Hampshire Regional Planning Commission has been in existence since 1970 and during this period has continued its involvement in studies of both a regional as well as a local nature. The Commission acts as an advisory body to its member municipalities and as such is often invited to participate in local planning projects.

As part of the ongoing technical assistance provided, the Commission has written several memoranda to the planning board regarding changes in the state laws and the best manner in which to comply with those changes. The Commission has also been working with several other organizations on amendments to laws that were recently passed but that have caused many problems for local officials.

The Commission again sponsored a series of legal seminars for local officials which was well attended.

The Commission hopes to be able to continue to serve the needs of its member municipalities in the future and fully appreciates the past support of its activities by the Town of Bradford.

Respectfully submitted,

MARY SMITH
Bradford Representative
to the Commission

REPORT OF THE BRADFORD CONSERVATION COMMISSION

Again this year we placed a picnic table and rubbish container provided by the State Highway Department near the entrance to Bradford Pines with the trash removed by Clarence Wheeler.

Two Norway Maple trees were added to our planting on Main Street with ten more bushes across from the parking lot at the Pines. We were able to have the State Highway Department remove the unsightly hump of dirt near our bush planting. We plan to have this area planted in the spring.

A clean up at French's Park of the beach and the lake frontage was sponsored by our Commission.

The upkeep of the Fitness Trail was continued and enjoyed by many people including the Brownie Troop of Bradford.

Frederick Spafford is our representative on the board for the G. Prescott Lowe State Forest. Matilda Wheeler was once again elected to the Board of Directors for the State Conservation Commission.

Victor Wandres has joined our Commission and has proven very helpful this year.

**COMMUNITY ACTION PROGRAM
BELKNAP-MERRIMACK COUNTIES, INC.**

The Kearsarge Valley Community Action Program, Main Street, Warner, serves an area encompassing some 300 square miles comprised of eight towns: Bradford, Henniker, Newbury, New London, Sutton, Warner, Webster, and Wilmot.

This past year we were able to provide \$305,391.42 in aid to the elderly and low-income families of this area.

Elderly Services include: The Meals-on-Wheels for homebound seniors, the Senior Companion Program for shut-ins, the Congregate Meal site in Warner, and a Rural Transportation Bus providing trips to Concord.

Our Fuel Assistance Program reached 263 families in the eight towns served.

We also offer many other programs including an on-going information and referral service, crisis intervention, and advocacy for those in need.

The money your town appropriates for Community Action goes for salaries, travel expenses, office supplies and maintenance of the local Area Center. Program funds are provided largely by the Federal Government.

Respectfully submitted,
THOMAS W. CHAMBERLIN
KVCAP Area Director

REPORT OF THE BRADFORD COOPERATIVE KINDERGARTEN

The Bradford cooperative kindergarten and preschool operates as a non-profit organization. Our aim is to provide the children of Bradford with a comprehensive kindergarten and preschool program.

We purchase all the supplies and equipment necessary to run a kindergarten and preschool program; and we provide for a qualified teacher and working format for this program. It is our intent to work along with the regional school system so that our children will be able to make a smooth transition in First Grade.

Every year, despite rapid inflation, we have strived to keep tuition reasonable with the hope that all children in our community will be able to attend a local kindergarten. We feel that the preschool years are extremely important years and that the Bradford Cooperative Kindergarten offers a valuable service to the town at no extra cost to the taxpayers.

Our annual budget for the 1981-1982 school year is in excess of \$6,500. Our organization has raised \$2,500 through various fund raising efforts. This includes our major money-making projects, "The Olde Fashioned Pig Roast and Dance". We also published "The Bradford-Newbury Business Director". Individual donations and tuitions payments support the balance of our budget.

We would like to take this opportunity to extend our sincere thanks to all the residents of Bradford for their continued support of our organization.

Respectfully submitted,

MICHELE SMITH, President
Bradford Cooperative Kindergarten

TOWN WARRANT

State of New Hampshire

The Polls will be open from 12:00 to 7:00 p.m. March 8, 1983.

To the inhabitants of the Town of Bradford in the County of Merrimack in said State qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Bradford on Tuesday, the eighth of March next, at twelve o'clock noon to act on the following Articles:

1. To choose all necessary Town Officials for the ensuing year.
2. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same. To adjourn the meeting until Wednesday, March ninth at 7:00 o'clock in the evening; the raising of money and other articles in the Warrant to be taken up at adjourned meeting.
3. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.
4. To see if the Town will vote to authorize the Selectmen to apply for, accept, expend and appropriate through the Budget Committee:
 - a. Any Federal Fund under Title I, Local Public Works, Capital Development and Investment Act of 1976, contingent upon availability.
 - b. Contingent on availability, Federal Disaster Funds in the event such funds are needed.
 - c. Contingent on availability, Federal Anti-Recession Funds under Title II (assistance to State and Local governments.)
 - d. Contingent on availability, energy conservation funds from Federal and/or State sources.
5. To see if the Town will vote to approve the application for, acceptance and expenditure of Comprehensive Employment and Training for funding Public Service employment positions in the Town, contingent on availability.

6. To see if the Town will vote to accept monies received for the establishment of Trust Funds during the year since last Town Meeting.
7. To see if the Town will vote to accept and expend for use on Town highways and roads:
 - a. The sum of \$13,687.52 from the State Highway Subsidy Fund. (Recommended by the Budget Committee)
 - b. An estimated sum of \$8,825.12 of Additional Highway Funds for improvement and/or construction of Class IV or V highways in Town. (Recommended by the Budget Committee)
 - c. A State subsidy of \$8,264.54 (Duncan Fund) for the maintenance of Class V highways in the Town. (Recommended by the Budget Committee)
8. To see if the Town will vote to accept the sum of \$7,822.61 from the State for TRA. (Recommended by the Budget Committee)
9. To see if the Town will vote to retain the unexpended portion of the Conservation Commission's 1982 appropriation in the Special Conservation Fund established in 1977 under the provisions of RSA 31:112 (II). (Recommended by the Budget Committee)
10. To see if the Town will vote to authorize the Selectmen to donate, on a one time basis, fifty dollars (\$50.00), per Bradford Lake Todd Littoral Property Owner, to a Lake Todd maintenance fund. This donation would be funded from extra taxes collected from these property owners based on special "waterfront" land values arbitrarily established, for which they have received no tangible or visible services. (Submitted by petition.) (Not recommended by the Budget Committee)
11. To see if the Town will vote to authorize the expenditure of \$18,000 from Revenue Sharing Funds to cover part of the cost of removal of garbage from the Disposal area. (Recommended by the Budget Committee)
12. To see if the Town will vote to raise and appropriate \$3,200 and authorize the expenditure of \$5,000 from Revenue Sharing Funds for the purchase of a new police cruiser, total cost \$8,200. (Recommended by the Budget Committee).

13. To see if the Town will vote to raise and appropriate \$800 to purchase and erect one hundred twenty (120) feet of fencing, sixty (60) feet on each side and four (4) feet high to be attached to the back stop at the ball field. There will be a three (3) foot wide walk through opening. (Recommended by the Budget Committee)
14. To see if the Town will vote to change the term of the Treasurer of the Town to one (1) year for 1984.
15. To see if the Town will vote to raise and appropriate \$65,000 to be used to enlarge, remodel and reconstruct the existing Fire House. \$10,000 to be raised by taxes, \$55,000 to be paid in serial notes payable over seven years. (Recommended by the Budget Committee)
16. To see if the Town will vote to transfer the \$11,000 and interest from accumulated sales of cemetery lots to a Capital reserve Town Land Purchase/Cemetery Improvement Fund. (Recommended by the Budget Committee)
17. To see if the Town will appropriate and expend \$1,000 from the Capital Reserve Town Land Purchase/Cemetery Improvement Fund. (Recommended by the Budget Committee)
18. To see if the Town will vote to raise and appropriate \$1,500 to cover the cost of a Fireworks display and public liability insurance for the Town's Fourth of July Community Activity. (Recommended by the Budget Committee)
19. To see if the Town will vote to authorize the Selectmen to require loggers to post, at the Board's discretion, a bond of up to \$3,000 per mile, to insure the repair of roads used in removal of forest products and equipment. (Recommended by the Budget Committee)
20. To see if the Town will vote to change the classification of Day Pond Road from the Bradford Town Line toward Bradford Center for a distance of 600 feet from Class VI to Class V. (Submitted by Petition) (Not recommended by Budget Committee)
21. To see if the Town will vote to go on record in support of immediate actions by the Federal Government to control and reduce acid rain which is harmful to the environment and economy of Bradford and to the health and welfare of the people of Bradford. These actions shall include:

1. Reduce by at least half the major cause of acid rain, sulfur dioxide emissions, by the year 1990.
2. Conclude negotiations and adopt a treaty with the government of Canada that will commit both nations to this same goal.

The record of the vote on this article shall be transmitted to the New Hampshire Congressional Delegation and to the President of the United States. (By Petition)

22. "Shall the citizens of Bradford, N.H. ask members of the New Hampshire Congressional delegation to support or co-sponsor a resolution in the U.S. Congress to: Request the President of the United States to propose to the Soviet Union that the United States and the Soviet Union adopt a mutual freeze on the testing, production, and deployment of nuclear weapons and of missiles and new aircraft designed primarily to deliver nuclear weapons, with verification safeguards satisfactory to both countries." (By Petition)
23. To see if the Town will vote to ask the Board of Selectmen to convey to the New Hampshire Congressional delegation the sense of this meeting to the effect that **CITIZENS OF THE UNITED STATES HAVE THE OBLIGATION TO KEEP OUR COUNTRY A FREE NATION; TO KEEP IT STRONG ENOUGH TO DETER ANY POTENTIAL AGGRESSORS; AND TO WORK TOWARD ULTIMATE REDUCTION OF WORLD ARMAMENTS.** (By Petition)
24. To see if the Town will vote to accept the reports of the Town Officers.
25. To transact any other business that may legally come before the meeting.

BUDGET FOR THE TOWN OF BRADFORD

SELECTMEN'S COMMENTARY

Following a rough winter, with plenty of snow, winding up with a heavy spring snowfall of over two feet, we had a very rainy June and it looked as if problems could occur with the roads. However, due to the progress on re-grading, re-ditching and better maintenance, problems did not arise and the late summer months saw again, progress in up-grading the roads.

One of the larger projects was the widening and re-building (Duncan Funds) of West Road, west of Bradford Center, which has been a bottle neck for many years. This is only a start but it is an essential part of the "Bus Loop". Roads around the "Lake Route" were re-built and cared for while part of the TRA money was used to wind up last year's work on Fairgrounds Road.

The \$10,000 appropriation for oiling was used on the stretch from East Washington Road to Box Corner, which is part of the "Bus Loop", Breezy Hill, and Forest Street while the new coating developed was also used on a comprehensive patching on short stretches of other roads. Mr. Byfield has found that the "coating" process is a much better procedure than applying only a thin cover of oil and sand as cracks and holes are more securely mended. This is part of the good news.

The bad news is that very unexpectedly the loader broke down at a very critical point. Estimates for repairs ran over \$10,000. It was felt that repairs must be carried out: so with judicial shopping around, utilizing the wet June weather, Mr. Byfield and his crew, with the help of Clarence Hall, put the unit back in shape at a \$2,000 savings. This item was, of course, not budgeted for and caused an over run in the highway budget. Our heavy equipment is aging but we feel with constant surveillance and good maintenance, the two costly pieces of equipment (costing well over \$125,000 to replace new) will hold out for several years. In spite of the long overtime hours and heavy use plowing, the trucks came through without serious problems. Sanding was done more efficiently with the new sander purchased - as a warrant item.

The Fire Department operated very successfully over the year. After many years of devoted service Chief Moore turned the reins over to Mark Goldberg. Many thanks are due Bob for his many years of service and to Ken Jones, who left the Department for warmer climes.

Solid waste disposal in 1982 operated smoothly in spite of some set backs. The economic climate for the year was such that newspaper was no longer in demand and very low prices were offered for broken down cardboard cartons. Scrap metal also found no sale and a projected glass recycling program had to be postponed again due to lack of a market. In spite of this, we must thank the

merchants for their cooperation with cardboard and the Townspeople with paper and cardboard disposal in the special area. George Ruff was successful in finding a "taker" for most metal so disposal there costs little. Brush disposal has been handled well and in spite of a fall that stretched from September to December, with much more "cleanup" than normally, the budget was adequate. Revenue Sharing was used as noted to cover part of the cost. New stickers for Disposal Area and the Park were issued. Your cooperation in the coming year with the rules and regulations will be appreciated.

Our Police Department has been very active during the year. See Chief Rich's report. Probably the economic climate has stimulated several unlawful activities, notable among them the theft of gasoline. Our night watches, by part time employees, has been a plus in apprehending and holding such activities to a minimum. With the passing of the year, maintenance of the cruiser is reaching unacceptable levels in spite of regular servicing and some minor repairs being done at the Highway Garage. Projected maintenance costs for the next year indicate appreciable savings if this cruiser is replaced as nearly 90,000 miles will be clocked by April's end...Again, both Chief Rich and the Selectmen request that you call 938-2422 at ANYTIME if you see suspicious incidents or have security problems. Aid can only be available if you call immediately.

Our Chief of Police is also Welfare Officer. This year, (again due to the economic climate) more calls for assistance were handled than previously but fortunately were covered by our very limited budget.

Parks and Recreation areas, as well as the Disposal Area, have been worked on by the Town Crew as indicated last year. Any collection of garbage, cleanup, burning of designated material and the labor and equipment use charges are covered by the appropriation to that unit. As a result, more accurate costs of each endeavor are reported and appropriations more correctly identified.

Our equalization rates continue to be a concern of the Selectmen. The 1981 rate was set at 73%. In 1982 a small number of legitimate sales during the year resulted in a small sample of values of which we question the legitimacy in view of the larger number of properties in the Town. Using these sales, our equalization rate will again drop. Building valuations seem to be reasonably on target, land values are probably being the problem at present. This is due to buyers from high valuation areas coming to Bradford and paying "outrageous" prices for parcels in the Town. Equalization rates have a considerable impact on our payments for school services to Kearsarge Regional School.

While we are on taxes, we may state that the second year of twice yearly billing has improved the cash flow for the Town and has resulted in a drastic reduction in charges for borrowed money. Tax Collector Hansen reports better than average tax collections by the end of the year and considerably fewer delinquent taxpayers. Treasurer Lillian Frey has continued her yeoman service in investing monies available and really managing the Town monies. Again, a sincere "thank you" to both officers.

The Conservation Commission is to be commended for their efforts to keep Bradford a Town to be proud of. Shrubs, trees and flowering plants continue to be established at strategic locations around Town. Town properties are monitored and cared for. Following a yearly custom, the Commission continued its' cleanup on the shore and under water of French's Park removing cans, bottles, broken glass and other debris hazardous to users of the Park. This spring cleanup enlisted support and manpower of youth groups, scuba divers and townspeople who were rewarded by a "feed" put on by the Commission with donated and purchased food. — For another years' efforts we thank all involved.

Bradford is in an unusual predicament in regard to school enrollments. Bradford's Post Office serves parts of Warner, Newbury and Sutton. The telephone books also list the Bradford exchange as covering the same three towns in addition to Bradford. The Selectmen feel that in the past, residents of those surrounding towns have been charged in part to Bradford due to mail and phone address. We are trying to run this complicated problem down but it is as yet unresolved. While on school matters, we again plead with you to be concerned with the School budgeting process. Remember that we, as Selectmen, and the Budget Committee have tried to hold down the costs of the Town and we feel we have done a reasonable job, yet very few of you appear at School meeting where you are asked to spend three times the amount of money that it costs to supply the services of the Town — for roads, for waste disposal, for recreation, for fire protection, police protection as well as the other services to keep Bradford a desirable place to live and work. Exert your civic responsibility all the way across the board — a night and an afternoon is not too much time to spend on these two vital aspects of life.

On a much lighter but sadder note for those of you who knew and worked with them: Pat's Peak was the site of recognition and going away dinner for Ken and Flossie Jones, at which friends and associates were present. Ken, for years, was very active on the Fire Department. Flossie, "the conscience of the Town" for those in need or in trouble, as well as supervisor of the check list, crossing guard and producer of cakes for nearly every event in Town. After the event they departed for the southwest. We wish them all a happy retirement, well deserved for services rendered.

Again, we must thank our Budget Committee for their close scrutiny of the Town's needs, their monitorings quarterly, of the state of our finances and their work in developing a budget, presented here, a balance between needs of the Town and the hard facts of the economic climate.

During the year Stephen White, our town moderator, resigned. He and his family moved over to the Portsmouth area where his business is located. We would like to thank Steve for his participation in town affairs. Brackett Scheffy was appointed as moderator until next annual meeting.

LIBRARY COMMENTARY

On August 18 the library held an Open House to celebrate its 90th anniversary as a free library and to acknowledge that the library has been in its present building for 50 years. The celebration was high-lighted by an excellent poetry reading by Pulitzer Prizewinning poet, Maxine Kumin. Ms. Kumin further delighted the audience by describing the situations that provided her with the initial inspiration for some of her poems.

In July Mr. Charles Hirshberg presented a slide and talk show on energy conservation.

Our Librarian, Mrs. Dolores Hansen and the Board of Trustees wish to thank the townspeople for their continuing help with the library to make it a place for community enrichment.

REPORT OF THE BRADFORD POLICE DEPARTMENT

Once again I am pleased to submit the annual report of your police department. This report will cover the year 1982.

*1,093 varied complaints were serviced by your department during the year, which reflected an increase of 20 over the previous year. There were 207 motor vehicle summons issued as compared to 114 for 1981. This increased activity was pointed at the high accident rate throughout the state, and in cooperation with New Hampshire State Police attempt to reduce alcohol related deaths.

Our budget as submitted is the means by which our department presents its future needs and requirements to the public body which governs the community it serves. To effectively perform the mission for which it was created a police department must be supported by sufficient budgetary appropriations. Probably the most difficult and most perplexing problem which I face in preparing budgetary requests is the important question of providing adequate numerical strength. We are torn between the desire to provide maximum police service and yet keep expenditures within the ability for this community to pay for such service. In the preparation of our budget this was kept in mind. I am sure you will support the budgetary requests if they are consistant with the public needs and concerns and if there exists a high level of public confidence that your police department will expend the allocated funds to the best advantage of public safety. It will be up to me to satisfy these public requirements through the capable delivery of police services on a daily basis.

The presence of the police officer in uniform and the visibility of a marked cruiser are still the greatest deterrents to the commission of crime.

I would like to thank the Board of Selectmen, Fire Department, Rescue Squad, Highway Department and all town employees along with the citizenry for the outstanding cooperation received by this department during the past year.

Respectfully submitted,

MARVIN RICH
Chief of Police

HEALTH OFFICER'S REPORT

During the past year there have been six approvals for the operation of new septic systems. This figure reflects a rather constant growth in Bradford in spite of poor national and state construction rates of private housing. Four existing systems were repaired or replaced. In addition several systems were dye tested in the Lake Massacum area and were found to be acceptable.

Respectfully submitted,

JAMES V. BIBBO JR.
Health Officer

REPORT OF THE BRADFORD FIRE DEPARTMENT

It has been a busy year for the Fire Department. The men have been extremely active answering fire calls and pursuing other fire related projects as well. Through donated funds we have purchased a cold water rescue suit and equipped all it's active members with paging equipment for faster response to emergencies. We have also purchased through donated funds, enough protective clothing to equip every active fireman. This protective equipment will increase our efficiency and safety at the fire scene.

The Fire Department held an Open House this year which was very well attended. We urge all towns people to attend future Open Houses to become familiar with your Fire Department.

Over 4000 man hours have been volunteered by the members this year. Of which includes fires, accidents, in house training, and maintenance of equipment. Plus firefighters have also attended 22 outside fire schools on their own time in the past year. This to provide the best possible fire protection for the community.

This year the Fire Department is asking for reconstruction of the existing fire house. The purpose of this reconstruction is to correct structural weaknesses and provide additional space to house our trucks and equipment. Provisions for water and sewerage are also included in this plan. We would appreciate your support for this project.

Remember...The best fire suppression is fire prevention.

REPORT OF THE BRADFORD FIRE DEPARTMENT

Officers 1982

Elected within the department

Mark S. Goldberg - Chief
Robert Moore - First Deputy
Ralph Carroll - Second Deputy
James Hanson - Treasurer
Bruce Bowie - Clerk

Training	12	13	TOTAL	69	96

REPORT OF ROAD AGENT

Many improvements were made on the roads this year. One of these was the removal of rocks and resurfacing of Forest Street and Oakdale Road, along with paving sections of Davis Road, Massasecum Avenue, Howlett Road and West Road.

For T.R.A. projects, we completed Fairgrounds Road and started rebuilding West Road. West Road is well under way and will be completed this summer.

The additional oiling program went very well and has put the town much closer to getting back on a regular oiling program.

The combination sander/dump body that you voted for last town meeting, has been in service since last summer, and has worked even better than we expected.

Lastly, the addition to the highway garage is nearly complete with only the concrete floors and overhead doors remaining.

Again, I would like to thank everyone for their continued support and patience.

Respectfully submitted,

PHILLIPS BYFIELD III

"HEALTH BEGINS AT HOME"

KEARSARGE VISITING NURSE ASSOCIATION ANNUAL REPORT OF SERVICES

The Kearsarge Visiting Nurse Association continues to provide personalized health care to the residents of your community. We serve people of all ages and all walks of life. Our professional staff works with physician and family to provide comprehensive health services at home. We are also able to offer many free health programs without an increase in your town appropriations for the fourth year in a row. Your continued support and confidence in our organization allows us to grow and serve the health needs of your community.

Visits to your town are reflected in the following graph.

If you know of someone who needs help, please call us at 526-4077. We will give a free evaluation visit with follow-up and referral as needed.

Robin Gallup, RN
Co-Director

Tanya Wilkie, RN
Co-Director

Representatives from your town on the Kearsarge VNA Board of Directors are:

Mr. Donald Garman

Mrs. Louise Signorino

REPORT OF THE BRADFORD HISTORY COMMITTEE

Calling all families who reside in the Town of Bradford! Please provide the committee with genealogy of your family, whether you've lived here many years or only one. Forms are available for your use.

Plans for 1983 are to research the ownership of the Old Post Office, and make a cassette recording by those who have personal knowledge of its history.

A second project is to bring together a group to plan a quilt to commemorate the town's history for its bicentennial year, 1987.

The Bradford Historical Society is to be congratulated on its accomplishments in the four years of its existence. In October they celebrated by burning the mortgage on the Post Office. They plan to continue renovations under the leadership of their new president, Margaret Ainslie. They welcome new members.

Elizabeth A. Cilley, agent for the sale of "Two Hundred Plus", the history of Bradford, published in 1976, reports that there were 23 books sold during the year and \$397.57 was paid to the treasurer. Some over one hundred books are still for sale for \$17.50 at the office of the Town Clerk.

The committee urges everyone to save pictures and other memorabilia of both present and past years.

ELIZABETH A. CILLEY, Chairman

PLANNING BOARD REPORT

In 1982 a total of five subdivision applications were presented to the Planning Board and all five were approved.

The town Tax Map has proved to be beneficial both for town officials and property owners.

As the Tax Map must be reviewed each year, the Planning Board requires an accurate survey by a licensed land surveyor for all final subdivision maps. This insures that the tax map will be up to date, thereby reducing the town's cost for the yearly revision.

Planning Board meetings are held on the second Tuesday of each month at 7:30 P.M. at the office of the Selectmen in the Town Hall. Property owners of Bradford who are considering subdivision of their land should attend any of these meetings for information that will be helpful to them.

CENTRAL NEW HAMPSHIRE REGIONAL PLANNING COMMISSION

The CNHRPC has been in existence since 1970 and during this period has continued its involvement in studies of both a regional as well as a local nature. The Commission is solely an advisory body to its member communities, and as such is often invited to provide technical assistance and advice on local projects.

For 1983, the Commission and its member communities face additional new challenges. The changing policies and priorities of both the state and federal governments continue to place additional responsibilities on local governments, such as the new state solid waste law which mandates regional cooperation. The CNHRPC, being active in many of these areas and being close to the local level of government, is aware of these strains being placed on our communities. In addition to the traditional planning, zoning and ordinance assistance offered, we are continually working to develop new ways to help our member communities, and to expand our services into those areas that have the greatest need. As in the past, we urge full participation by our member communities in the affairs of the Commission, and encourage questions and comments to be directed to the Commission office in Concord.

The Commission hopes to be able to continue to serve the needs of its member municipalities in the future, and fully appreciates the past support of its activities by the Town of Bradford.

Respectfully submitted,

MARY SMITH
Representative to the Commission

CONSERVATION COMMISSION

The Conservation Commission has had a busy year with several new projects in addition to taking care of past projects. The Bi-Centennial Walk once more had the brush trimmed back and removed. The walk was enjoyed by residents and the school children.

The picnic table placed by the Bradford Pines was available and enjoyed by many travelers and residents; the Bradford Bog is a responsibility which the Commission keeps a watchful eye on.

This year we placed a sign for the Pearl Town Forest and signs are presently in the process of being painted. There will be three signs placed at town lines which will read "Welcome to Bradford".

Trees were planted again on Main Street. This makes a total of twelve new maples on Main Street. The shrub and water hole planting on Route 103 was quite successful and was a new project for 1982.

The Conservation Commission hopes to continue its' work toward the beautification of the town.

We have meetings several months of the year on the second Tuesday. The public is most welcome.

MATILDA WHEELER, Chairman
ISABEL SHEEHAN, Treasurer
FREDERICK SPAFFORD, Secretary

		TOTAL:	\$51,044.47

BRADFORD CO-OPERATIVE KINDERGARTEN

The Bradford Co-Operative Kindergarten was organized in order to provide the children of Bradford with a complete kindergarten and pre-school program.

It is our goal in working along with the Kearsarge Regional School System, to help our children to make a smooth transition into first grade. We have found a well qualified teacher in Mrs. Cynthia Bunn.

The Kindergarten has an annual budget of over \$7,000.00 for 1982-1983. We have raised over \$2,900.00 this year through various projects such as our annual pig roast, the publication of the Bradford-Newbury Business Directory and our town election dinners.

We would like to take this opportunity to thank the people of Bradford for their continued support of our organization.

Respectfully submitted,

MARYBETH FENTON
President
Bradford Co-op Kindergarten

- Article 3 Authorized the selectmen to borrow in anticipation of taxes.
- Article 4 Voted to authorize the selectmen to apply for, accept, and expend and appropriate through the budget committee:
- Any Federal Fund under Title I, Local Public Works, Capital Development and Investment Act of 1976, contingent on availability.
 - Contingent on availability, Federal Disaster Funds in the event such funds are needed.
 - Contingent on availability, Federal Anti-Recession Funds under Title II (assistance to State and Local governments.)
 - Contingent on availability, energy conservation funds from Federal and/or State sources.
- Article 5 Voted to approve the application for, acceptance and expenditure of Comprehensive Employment and Training for funding of Public Service employment positions in the Town, contingent on availability.
- Article 6 Voted to accept monies received for the establishment of Trust Funds during the year since last Town Meeting.
- Article 7 To see if the Town will vote to accept and expend for use on Town highways and roads:
- The sum of \$13,687.52 from the State Highway Subsidy Fund. Recommended by the Budget Committee.
 - An estimated \$8,825.12 of Additional Highway Subsidy Funds for improvement and/or construction of Class IV or V highways in Town. Recommended by budget committee.
 - A State subsidy of \$8,264.54 (Duncan Fund) for the maintenance of Class V highways. (Recommended)

- A, B, C Voted as in warrant.
- Article 8 Voted to accept the sum of \$7,822.61 from the State for TRA (Recommended)
- Article 9 Voted to retain the unexpended portion of the Conservation Commission's 1982 appropriation in the Special Conservation Fund established in 1977 under the provisions of RSA 31:112 (II) Recommended by budget committee.
- Article 10 To see if the Town will vote to authorize the Selectmen to donate on a one time basis, fifty dollars (\$50.00) per Bradford Lake Todd Littoral Property Owner, to a Lake Todd maintenance fund. This donation would be funded from extra taxes collected from these property owners based on special "waterfront" land values arbitrarily established, for which they have received no tangible or visible services.
(Submitted by Petition) (Not recommended by budget committee).
Amendment: To authorize the selectmen to pay to the Lake Todd Association Maintenance Fund, on a one time basis, \$1,000.
Amendment passed 61 to 56.
Motion as amended defeated as amended.
- Article 11 Voted to authorize the expenditure of \$18,000 from Revenue Sharing Funds to cover part of the cost of removal of garbage from the Disposal area. Recommended.
- Article 12 Voted to raise and appropriate \$3,200 and authorize the expenditure of \$5,000 from Revenue Sharing Funds for the purchase of a new police cruiser, total cost \$8,200.
Recommended by budget committee.
- Article 13 Voted to raise and appropriate \$800 to purchase and erect one hundred twenty (120) feet of fencing, sixty (60) feet on each side and four (4) feet high to be attached to the backstop at the ball field. There will be a three (3) foot wide walk through opening.
Recommended by budget committee.
- Article 14 Motion to change the term of the Treasurer of the Town to one (1) year for 1984 was carried.
- Article 15 The motion to raise and appropriate \$65,000 to be used to enlarge, remodel and reconstruct the existing Fire House; \$10,000 to be raised by taxes, \$55,000 to be paid in serial notes payable over seven years (Recommended by budget committee) was amended to read:
To raise and appropriate the sum of \$75,000 to build and construct a one story fire station on the site of the present station, including provisions for well and septic system. \$10,000 to be raised by taxation, the balance to be in serial notes payable in eight years. The amendment was carried. Vote on the amended article by paper ballot was 138 yes 27 no. The moderator

- declared it passed.
- Article 16 Voted to transfer the \$11,000 and interest from accumulated sales of cemetery lots to a Capital Reserve Town Land Purchase/Cemetery Improvement Fund.
Recommended by budget committee.
- Article 17 Voted to appropriate and expend \$1,000 from the Capital Reserve Town Land Purchase/Cemetery Improvement Fund.
- Article 18 Voted to raise and appropriate \$1,500. to cover the cost of a fireworks display and public liability insurance for the Town's Fourth of July Community Activity.
Recommended by budget committee.
- Article 19 Voted to authorize the Selectmen to require loggers to post, at the Board's discretion, a bond of up to \$3,000 per mile, to insure the repair of roads used in removal of forest products and equipment.
Recommended.
- Article 20 The motion to change the classification of Day Pond Road from the Bradford Town Line toward Bradford Center for a distance of 600 feet from Class VI to Class V was defeated. This article was submitted by petition and not recommended by the budget committee.
- Article 21 The motion received an aye vote to go on record in support of immediate actions by the Federal Government to control and reduce acid rain which is harmful to the environment and economy of Bradford and to the health and welfare of the people of Bradford. These actions shall include:
1. Reduce by at least half the major cause of acid rain, sulfur dioxide emissions by the year 1990.
 2. Conclude negotiations and adopt a treaty with the government of Canada that commit both nations to this same goal.
- By petition.
Vote transmitted to Congressional Delegation and President of the United States.
- Article 22 A standing vote of 42 yes and 47 no defeated the following motion:
Shall the citizens of Bradford, N.H. ask members of the New Hampshire Congressional delegation to support or co-sponsor a resolution in the U.S. Congress to: Request the President of the United States to propose to the Soviet Union that the United States and the Soviet Union adopt a mutual freeze on the testing, production, and deployment of nuclear weapons and of missiles and new aircraft designed primarily to deliver nuclear weapons, with verification safeguards satisfactory to both countries. By petition.
- Article 23 Motion to table received a no vote.

Returned to the original article:

To ask the Board of Selectmen to convey to the New Hampshire Congressional delegation the sense of this meeting to the effect that Citizens of the United States have the Obligation to Keep Our Country a Free Nation; To Keep It Strong Enough To Deter Any Potential Aggressors; And To Work Toward Ultimate Reduction of World Armaments.

By Petition Standing vote: yes 53 no 30.

Article 24 Voted to accept the reports of Town Officers.

Article 25 Voted to adjourn.

A true copy of record. Attest

ELIZABETH A. CILLEY
Town Clerk

Dated March 18, 1983

TOWN WARRANT

State of New Hampshire

The Polls will be open from 12:00 Noon to 7:00 p.m. March 13, 1984.

To the inhabitants of the Town of Bradford in the County of Merrimack in said State qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Bradford on Tuesday, the thirteenth of March next, at twelve o'clock noon to act on the following Articles:

1. To choose all necessary Town Officials for the ensuing year.
2. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same. To adjourn the meeting until Wednesday, March fourteenth at 7:00 o'clock in the evening: the raising of money and other articles in the Warrant to be taken up at adjourned meeting.
3. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.
4. To see if the Town will vote to authorize the Selectmen to apply for, accept and expend, without further action by the Town Meeting, money from the State, Federal or other government unit or a private source which becomes available during the fiscal year.
5. To see if the Town will vote to accept monies received for the establishment of Trust Funds during the year since last Town Meeting.
6. To see if the Town will vote to accept \$41,921.00 from the State Highway Block Grant. \$20,000.00 to be spent on the construction and reconstruction of Class V roads, the balance (\$21,921.00) to be used to offset General Expense of the Highway Department.
7. To see if the Town will vote to retain the unexpended portion of the Conservation Commission's 1983 appropriation in the Special Conservation Fund established in 1977 under the provisions of RSA 31:112 (II).

8. To see if the Town will vote to authorize the expenditure of \$23,000 from Revenue Sharing Funds to cover part of the cost of removal of garbage from the Disposal Area. (Recommended by the Budget Committee)
9. To see if the Town will vote to raise and appropriate \$1,700.00 to cover the cost of a fireworks display, police protection and public liability insurance for the Town's July Fourth Community Activity. (Recommended by the Budget Committee)
10. To see if the Town will vote to raise and appropriate \$12,000.00 to create a recycling program at the Town's present transfer site. The project to include a baler for corrugated and newsprint, proper housing and storage area for the baler and bales and initial bins (tanks) to recycle glass and cans. (Recommended by the Budget Committee)
11. To see if the Town will vote to authorize the Selectmen to donate on a one-time basis \$34,000.00 to the Bradford Rescue Squad toward the purchase of a new ambulance. The ambulance, a Yankee Coach Pioneer III, with necessary equipment and a performance bond will cost \$49,000.00. The Bradford Rescue Squad will contribute from its funds \$15,000.00. The Town to appropriate \$34,000.00 with the anticipation of receiving revenues in the amount of \$17,340.00 from the Bradford Rescue Squad from contributions from the Towns of Newbury, Sutton and Warner. Newbury, Sutton and Warner have been asked to donate, on a one-time basis, \$7,140.00, \$6,120.00 and \$4,080.00 respectively toward the cost of the Bradford Rescue Squad Ambulance. (The contributions were arrived at by determining the percentage of "runs" per town, averaged over the last five years.) (Recommended by the Budget Committee)
12. To see if the Town will vote to raise and appropriate \$60,000.00 to purchase a new four-wheel drive diesel truck for the Highway Department. The truck to be equipped with a eleven foot plow and six yard dump body. The entire \$60,000.00 to be withdrawn from the Town's Capital Reserve Fund. (The Article requires a two-thirds majority vote for passage.) (Recommended by the Budget Committee)
13. To see if the Town will vote to change the classification of Day Pond Road from the Bradford Townline for a distance of 600 feet from Class VI to Class V. (Submitted by Petition)
14. To see if the Town will vote to authorize the Selectmen to sell Town owned property acquired by Tax Collector's Deed.

15. To see if the Town will vote to authorize the Selectmen to establish a committee of three to study the social and financial implications of altering the Bradford-Warner Townline to encompass the part of Warner on Rt. 114 south between Bradford and Henniker into Bradford. The committee to interact with Warner and report their suggestions prior to the 1985 Town Meeting.
16. To see if the Town will vote to change the classification of Alder Plains Road from the Scott Waite property to County Road from Class V to Class VI.
17. To see if the Town will vote to change the classification of Johnson Hill Road from the Richard Sweet property to Fairgrounds Road from Class V to Class VI.
18. To see if the Town will vote to change the classification of Jackson Road from Howlett Road to Forest Street from Class V to Class VI.
19. To see if the Town will vote to change the classification of Jewett Hill Road from the Gary Perkins property to Center Road from Class V to Class VI.
20. To see if the Town will vote to change the classification of Forest Street from the Gary property to Rowe Mt. Road from Class V to Class VI.
21. To see if the Town shall call upon the Governor and Executive Council, its State Representative(s) and State Senator to promptly convene a Special Session of the Legislature for the sole purpose of preventing the imposition of high cost increases in electric rates resulting from the Seabrook Nuclear Power Plant on the citizens, businesses, schools and agencies in the Town of Bradford, and to direct the Selectmen to promptly notify our above listed elected officials of the Town's desire. (By Petition)
22. To see if the Town will vote to accept the reports of the Town Officers.
23. To transact any other business that may legally come before the Meeting.

SELECTMEN'S COMMENTARY

1983 was a good year for Bradford. The Town operated within the guidelines passed at Town Meeting with no large, unexpected problems. This was accomplished with a small, 1.4% tax increase.

The Legislature made several changes to the formulas that provide the Town with revenue. Rooms and Meals, Interest and Dividends and the Savings Banks Tax were combined and are now called Shared Revenues. We received \$17,730 versus \$27,726 in 1982! The Highway revenues saw Highway Subsidies, Town Road Aid, Class V Highway Maintenance (Duncan Fund) grouped together as simply the "Highway Block Grant". Here we lost an additional \$2,000 versus 1982.

The other two areas that we do not control saw the school bill go from \$545,274 to \$547,990 and the County Tax assessment jump from \$61,283 to \$72,253. The modest increase in the school assessment went a long way toward controlling our overall increase. The 1983 tax rate was NOT affected by the enrollment problem we have settled with the School District. After all the "dust settled", it was agreed that Bradford had paid an extra \$37,934.50. We will be credited half of the money in 1984 and the balance in 1985.

The firehouse project was great! The volunteer hours and local merchant-contractor participation provided the Town with a functional building that will service us for many, many years. The list of contributors is too long to properly thank individually, but this Board and the Town deeply appreciate your efforts and applauds the results!

Did everyone see us on ABC Evening News? The Fourth of July Community Activity was quite a success. We are again recommending an appropriation to help offset the expense of the Fire and Police Departments for the fireworks, extra police protection and public liability insurance.

Bradford is involved in another first — for us anyway. The Rescue Squad is seeking participation from four towns to purchase a new ambulance. The new vehicle will cost the Squad \$49,000. They have raised \$15,000 through private donations which is \$3,000 more than their present ambulance cost in 1972!

The \$34,000 balance is being requested of Bradford, Warner, Newbury and Sutton based on the percentage of "runs" per town, averaged over the last five years. We feel this approach is equitable, and, after talking with the selectmen of the other towns, believe that this one time expense will pass in all four towns.

A Waste Management Committee was formed to establish a policy to handle the refuse the Town generates. The committee's initial recommendations and report can be found elsewhere in this publication. The Board supports their ideas and suggested methods. We all must recognize that landfills will shortly be a "thing of the past" and we need to address the future and reduce the amount of waste we generate by recycling as much as possible.

Work is underway to complete the Bradford Master Plan. Response to the last questionnaire was overwhelming. It further indicates to us that you truly care about the Town.

We feel fortunate to have the services of all those who serve on Town committees. The Planning Board has had a quiet but steady docket all year; the Historical Society has continued to make improvements to their new home located at the intersection of Rts. 103 and 114. The Conservation Commission's activities can be seen throughout Town. The Brown Memorial Library is a tremendous asset to the Town. We hope the problem with the roof has **finally** been resolved. The Budget Committee spent far more hours trying to resolve the 1984 budget than in the past. Believe us, they analyzed **all** the expenses of the Town. The budget presented represents a workable program that is geared to provide the same standards we have enjoyed, plus it has an eye on the future needs of the Town.

Marvin, Phil and Ginny has made our jobs easy — to a point! The Town is lucky to have such dedicated, competent employees. We thank them and their crews for a job well done!

March 1984 marks the end of an era. Lillian Frye, our Town Treasurer since 1945 is going to retire. Her dedication to precise bookkeeping and wonderful talent with figures will be deeply missed. Through the years the job has become more difficult with government forms, dual taxation and most importantly, Town investments. The more difficult or complicated the task, the better Lillian was able to respond. The Town owes her a debt of gratitude and the Board thanks Lillian for the years of service and wishes her the very best in the future.

LIBRARY COMMENTARY

Mrs. Dolores Hansen, Librarian for the past eight years, resigned in May because of a change in residence. A Farewell Afternoon was held at the library and the large attendance of townspeople, students, and official representatives attested to the warmth and regard Mrs. Hansen has won during her tenure. She guided the library through the years of changing requirements and exemplified the best of a small town librarian.

Mrs. Margaret Ainslie was unanimously appointed Librarian. Her background in library work includes positions at the Adams Public Library, Chelmsford, Massachusetts, the Concord Public Library, and employment at a wholesale book house. Locally she has served on the Library Board of Trustees and as president of the Bradford Historical Society.

We were saddened by the death of two of our active patrons, Mrs. Rowena Swinnerton and Mr. Arthur Rand. Memorial donations have been made in their names.

The state budget cuts caused the elimination of the Bookmobile and the semi-annual lending services, a loss of a turnover of approximately fifteen hundred volumes a year. During the phase out process, we acquired over four hundred books for the Brown Memorial Library.

A plaque was placed in the library in 1983 listing memorial gifts to the library through the years.

Mrs. Ainslie continues weekly story sessions for both the preschool and kindergarten.

The Librarian and Board of Trustees thank you for your support throughout 1983. With the rising costs of books and periodicals and the loss of the lending service, your gifts and donations are a great help in maintaining our selections and standards.

As always, we invite and welcome more residents to make use of the Brown Memorial Library.

REPORT OF THE BRADFORD POLICE DEPARTMENT

The year 1983 was highlighted by a marked increase in telephone calls to the department. Through our dispatch services some 1,793 calls were received for services of a varied nature. These calls show an increase of 313 over 1982. This increase would indicate that the citizenry of our community realizes the services of the department and the twenty-four hour coverage that we provide.

The organization and efficiency of our police department is reflected in the manner in which our budget is prepared and its budgetary appropriations are expended and contracted. Considerable time, thought and effort has gone into preparation of our 1984 budget. This budget should reflect the establishment of an efficient program of police activity for this year. Only by continually comparing current operations with past experience can I keep a constant check on the future needs of our community. Our dedicated staff will continue to serve you in a professional manner and to the best of our ability.

Once again I would like to thank the Board of Selectmen, Administrative Assistant, Fire Department, Rescue Squad, Highway Department and all town employees for their continued cooperation with this department.

Respectfully submitted,

MARVIN RICH
Chief of Police

HEALTH OFFICER'S REPORT

During the past year there have been eleven new septic systems installed. This reflects an increase in building activity in town. Several complaints of attacks by dogs were followed up with the cooperation of the New London Hospital and the Bradford Police Department.

Respectfully submitted,

JAMES V. BIBBO JR.
Health Officer

REPORT OF THE BRADFORD FIRE DEPARTMENT

We would like to start by Thanking everyone who helped make the new Firehouse project a huge success. We are all moved in and making use of it's many features. Our open house was very well attended and if you haven't stopped by to see the new station, please do so. We would be glad to show you around.

Over 5500 man hours have been volunteered by members this year, which includes, fires, accidents, in house training, outside Fire schools, maintenance and work on the new station to provide the best possible protection for the community.

This year we are asking for two (2) new self-contained breathing apparatus to insure firefighters a safe environment to work in during firefighting operations. We would appreciate your support on this purchase.

Remember: THINK FIRE SAFETY

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Once again, our cooperative town and state forest fire prevention and control program leads the nation in least acres burned per forest fire. Less than one-half acre per fire statewide average.

At the town level, your Forest Fire Warden is responsible for the prevention and control of all grass and woods fires when the ground is not snow covered.

Forest fire prevention is achieved at the town level by issuing a written permit for every fire that is to be kindled on the ground out of doors when the ground is not covered with snow. Each person wishing to have an outside fire must obtain this written permit from the town Fire Warden before kindling the fire. Any person that does not obtain a fire permit, when one is required, is violating our forest fire permit law and is subject to a court appearance and could be fined up to \$1,000 and receive a jail sentence of up to one year.

No fire permit will be issued between 9:00 a.m. and 5:00 p.m. unless it is raining. The reason for this is twofold: the fire danger increases steadily between 9:00 a.m. and 2:00 p.m., then subsides to a safe level between 2:00 p.m. and 5:00 p.m. This happens because the sun dries out the fine fuels that are easily ignited and dries the air which permits rapid fire spread. Also during this part of the day fire fighters are not readily available in most communities so an escaped fire could burn longer and cause greater damage before being suppressed.

Your cooperation in burning only when conditions are safe is greatly appreciated.

As Smokey says, "Remember, Only You Can Prevent Forest Fires!"

1983 STATISTICS

	STATE	DISTRICT	CITY/TOWN
No. of Fires	779	26	0
No. of Acres	348	5.75	0

BRADFORD RESCUE SQUAD

The Bradford Rescue Squad has been in existence for 13 years. As in the past, the members are dedicated volunteers brought together by their common desire to provide necessary emergency care to the community. The squad is a non-paid, non-profit organization presently consisting of 16 EMT's, 3 RN's, 3 Advance First Aiders, and 3 drivers.

In 1983 the Bradford Rescue Squad responded to a total of 134 emergencies, 64 of them in Bradford. The following is a breakdown of the squads service to the town of Bradford over the past 5 years.

Year	Total Calls in Bradford	% of Total BRS Calls
1979	63	56%
1980	51	52%
1981	78	52%
1982	38	35%
1983	64	48%

Bradford Rescue Squad's Ambulance is now eleven years old. Over the past four years, it has cost the squad \$9,248.23 in repairs alone. In addition to the financial burden, there is also the problem of taking the ambulance out of service for major repairs. During these times, the community is forced to rely on ambulance services who must travel greater distances. In 1983, Bradford's ambulance was out of service at least 6 times.

For the above mentioned reasons, Bradford Rescue Squad needs a new ambulance. Through fund raising and donations, the squad is in a position to put a substantial amount of money towards the new ambulance. Unfortunately, the squad cannot hope to finance the total cost of a new ambulance. Therefore, the Bradford Rescue Squad must appeal to the community for additional funds.

Yankee Coach - Pioneer III

Ambulance.....	\$	39,200
Bond		800
Equipment		<u>9,000</u>
	\$	49,000

Based on \$49,000:

Bradford - 49%	Newbury - 21%	Sutton - 18%	Warner - 12%
\$24,010	\$10,290	\$8,820	\$5,880

Bradford Rescue Squad will pay the \$9,000 for equipment, the \$800 bond plus \$5,200 towards the ambulance which reduces the cost to the towns to \$34,000.

Based on \$34,000:

Bradford - 49%	Newbury - 21%	Sutton - 18%	Warner - 12%
\$16,660	\$7,140	\$6,210	\$4,080

REPORT OF THE ROAD AGENT

It has been a very productive year for the Highway Department. Fairgrounds Road was paved by Pike Industries. West Road, Old Sutton Road and Jones Road were paved by the Town crew.

I urge the townspeople to purchase a new truck this year. It has been five years since the Town replaced a truck and it is very important to replace equipment on a regular basis. Due to the high cost of plow trucks and equipment it pays off in the long run to buy quality trucks that will last for ten years. The truck I want to replace is thirteen years old and although it is no longer a reliable plow truck, it will serve the Town for another five to ten years at the Dump.

We paved the skating rink this year, and that cured most of its ills. We hope to get a couple of basketball nets for it and it can be used in the summer and fall also. I don't feel as though we do enough for the kids in Town. Maybe this will help.

Lastly, I hope that the systems of work, such as plowing and sanding, drainage maintenance, sweeping and mowing and surface improvements will continue after I leave this summer. The systems work well and there are not many problems with the roads anymore.

Respectfully submitted,

PHILLIPS BYFIELD III
Road Agent

REPORT OF SOLID WASTE COMMITTEE

In September of 1983 the Selectmen formed a committee to evaluate the present and future outlook for solid waste disposal for Bradford. Originally, the members were George Morse Jr., Ruth Perron, Bernie Lamach, Phillips Byfield, Charles Hirshberg, Marcia Keller and John Pfeifle. Unfortunately, George Morse and Ruth Perron were compelled to resign due to the press of other schedules. Bliss Dayton was subsequently appointed to assist in the investigation.

Members reviewed our membership in Central New Hampshire Regional Planning Commission and New Hampshire Resource Recovery Association and performed an audit of existing operations and costs to the Town. Visits to disposal sites in adjacent communities were accomplished and information compiled for comparisons.

Bulk disposal for Bradford is by compaction and transport to a landfill site in Vermont by contractual arrangement with Browning-Ferris Industries. Whereas assurances have been offered concerning the capacity of the site, the financial agreement is subject to yearly review and modification.

Factors in this review relate to volume and tonnage required to be hauled to this site. Bradford's quantity of solid waste varies seasonally because of the influx of summer residents. Capacity and schedule must be adjusted to accomodate these changes. The Committee investigation found that significant volumes could be offset by creating convenient provisions to recycle material now being compacted and hauled. Markets exist for materials such as corrugated, aluminum, and bottles, if they can be properly sorted and prepared. At present only loose corrugated is collected for resale, only at times when unbaled cardboard is saleable.

If proper arrangements can be effected, revenue from the recycled material can help offset increasing dump costs. Consequently reduced volume of hauled material can also extend the time when the existing landfill will be available.

Briefly, current operations require approximately 60 loads per year being hauled by BFI. Preliminary calculations indicate that at present levels over 10% of the hauled volume could be offset, and revenue from 31 tons of corrugated and 32 tons of glass plus a quantity of aluminum could be realized if proper collection improvements could be established.

The Committee has adopted the stance that Bradford should initiate these recycle facilities as early as possible so that this material can be reclaimed and the advantages derived.

Optimum price can be obtained if the material is properly sorted to bins and the cardboard paper is baled.

The Committee expects to continue its efforts during the coming year and to encourage citizen support to offset increasing dump costs.

Respectfully submitted,

CHARLES HIRSHBERG, Chairman

"HEALTH BEGINS AT HOME"

KEARSARGE VISITING NURSE ASSOCIATION ANNUAL REPORT OF SERVICES

During 1983, the Kearsarge Visiting Nurse Association has continued its growth in services to the towns of Andover, Bradford, Danbury, New London, Newbury, Springfield, Sunapee, Sutton, Warner and Wilmot. We are proud of the professionalism of our staff which now totals 17 and our two new services of Speech Therapy and Social Services. The enrollment in our Child Health Clinic totals 170 children from birth to 6 years of age. The opening of an office in Bradford has been a success and very much appreciated by the communities in our southern catchment area. We have expanded our services without asking for an increase in town appropriations for the **fifth** year in a row.

The graph represents the visits made to your town during 1983.

If you know of someone who needs help, please call us in New London at 526-4077 or Bradford at 938-2002 for a free evaluation visit. We are a Medicare Certified Agency and will be happy to help you answer any questions you may have regarding home health care.

Robin Gallup, RN
Co-Director

Tanya Wilkie, RN
Co-Director

Representatives from your town on our Board of Directors are:

Mrs. Louise Signorino

Mr. Robert Bell

BRADFORD HISTORY COMMITTEE

To Each Resident of Bradford

In 1981, we asked you for your "family tree", in 1982, we asked again, offering forms for your use. To date, ten families have responded. It is an impossible task for committee members to do this research. Won't you help? Your family will be glad you did.

We have had gifts of memorabilia, pictures have been taken of current events, the Fourth of July celebration, the new firehouse, the Lake Todd dam, and all have been placed in the historical albums.

"Two Hundred Plus" the Bradford history is available from Mrs. Cilley at the Town Clerk's office. Nineteen books were sold during 1983 and \$302.50 paid to the treasurer. The vote taken at the 1977 town meeting to place money from sales in a trust fund, will become effective this year. The total cost of publication to the town has been repaid.

One of our members, Dorothy Davis, died this year. She was particularly interested and knowledgeable in the genealogy field.

Any person interested in preserving Bradford's history, past and present, would be welcomed as a member of the committee.

The Bradford Historical Society reports a sell-out of its cookbook publication and success at its strawberry festival and holiday bazaar. It started the renovation of the interior of the Old Post Office. Their meetings, held the fourth Wednesday of the month, except November and December are open to the public. They invite your membership.

BRADFORD PLANNING BOARD

The Bradford Planning Board met at least once monthly during the past year. Approval was given for eleven subdivisions and 5 lot line adjustments that were presented.

Subdivision requires a complete survey by a registered surveyor prior to approval. The Board members are available to answer questions of landowners considering this action. The regular meeting times are the second and fourth Tuesdays of the month at 7:30 p.m. at the Selectmen's Office.

We have dropped our membership in the Law Council because we had not seen any use of it in the last several years. However, the Chairman and Secretary attended four sessions of the Municipal Law Lecture Series put on by the Municipal Training Consortium, dealing with revisions of the law regarding Planning Board functions. The new legislation that immediately affects us requires that abutters to a planned Subdivision be sent notices for the public hearing by certified mail with **return receipt requested**. This return receipt means an additional 60 cents postage on each notice.

The ongoing projects of the Board include review of the rules and regulations regarding Subdivisions, and the preparing of the final draft of the Master Plan for the town, with the able assistance of those committees.

Respectfully,

CARDON RUCHTI, Chairman
EDYTHE L. CRAIG, Secretary
MARY SMITH
DELBERT HARRIS
DONALD HAMBRECHT
RICHARD MESSER
KENNETH BROWN, Selectman

CENTRAL NEW HAMPSHIRE REGIONAL PLANNING COMMISSION

The Central New Hampshire Regional Planning Commission has been in existence since 1970 and during this period has continued its involvement in studies of both a regional as well as a local nature. The Commission acts as an advisory body to its member municipalities and as such is often invited to participate in local planning projects.

In addition to the traditional planning, zoning and ordinance assistance offered, we are continually working to develop new ways to help our member communities, and to expand our services into those areas that have the greatest need. As in the past, we urge full participation by our member communities in the affairs of the Commission, and encourage questions and comments to be directed to the Commission office in Concord.

The Commission hopes to be able to continue to serve the needs of its member municipalities in the future, and fully appreciate the past support of its activities by the Town of Bradford.

Respectfully submitted,

MARY SMITH
Representative to the Commission

BRADFORD CONSERVATION COMMITTEE

In 1983 three more trees were planted on Main Street making a total of sixteen new trees.

Even though Clarence Wheeler had a setback this summer, he was able to trim and clean up the Fitness Trail. More and more children and joggers are using and enjoying our trail.

The cleanup at French's Park went off on schedule with the Sunapee Skindivers donating their time and skill to clean up the beach area at Lake Massasecum.

The old water tower base had some new planting with the help of Jackie Martin. The shrubs along the Blue Seal fence were trimmed and fertilized. The picnic table and receptacles were in place near the entrance to the Bradford Pines. There was a great amount of vandalism to the State's picnic table and due to this we may have to discontinue this service to the Public.

The Commission was able to have the three signs put into place, welcoming travelers to Bradford. We wish to thank John Mock of the Lumber Barn, Kearsarge Reel Corporation and the Town Highway Department for their contribution to the completion and erection of the signs.

The Bradford Bog, out on East Washington Road, is also our concern and is checked regularly by the members of the Commission.

Tillie Wheeler and Rick Spafford attended the State Conservation Meeting at New Hampshire College in Manchester, keeping our Commission up to date.

We hope that the old and new residents who have not visited the Bradford Pines will do so in the coming year. The entrance is located south of the traffic light on Rt. 103 and Main Street.

BRADFORD CO-OP PRESCHOOL AND KINDERGARTEN

The Bradford Co-op Preschool and Kindergarten is a non-profit organization which consists of a group of concerned parents who are sincerely interested in providing an excellent socialization and learning experience for 4 and 5 year olds, in order to afford an easier transition into further education. We began this year with 15 Kindergarten children and 9 Preschool children.

We are fortunate to have our well qualified teacher, Cynthia Bunn, with us again this year. During the past two years she has provided the children and parents with an enriching experience through her skill, fresh ideas, and dedication.

We try to provide this experience at the most reasonable cost possible so that as many interested families as possible can benefit. This is achieved through the constant support of the town of Bradford and through various fund raising activities.

The annual budget for '83-84 is over \$7,000. We have raised approximately \$1,000 through fund raising projects such as: the annual pig roast, the Bradford-Newbury Business Directory, booth at the Womens' Club Fair, and the town election dinners.

We are very grateful to the town of Bradford for its continued support in our effort to provide this experience for the children.

JOY J. DONAHUE
President

MARRIAGES RECORDED IN THE TOWN OF BRADFORD

January 1 through December 31, 1983

Date of Marriage	Name of Groom	Name of Bride	Place of Marriage
February 2	Marshall H. MacKenzie	Melissa A. Spafford	Contoocook, NH

Saturday 10 a.m. - 6 p.m.
Sunday 10 a.m. - 5 p.m.

The Dump is closed on all holidays with the exception of: Memorial Day; July 4th; Labor Day and Columbus Day.

Annual
Reports
OF THE TOWN OF
BRADFORD
NEW HAMPSHIRE

**FOR THE YEAR ENDING
DECEMBER 31, 1984**

RECYCLING

Bradford residents voted at the 1984 Town Meeting to begin a recycling program at the transfer station, with two major objectives:

1. Reduce the weight and volume of waste placed in the compactor and shipped to Vermont.
2. Sell materials for which there is a reliable market.

Each ton not put in the compactor saves \$20.00 a ton plus the added savings of \$200.00 in the hauling fee for each compactor load not hauled away.

Baled corrugated cardboard and newsprint can be sold for \$30.00 per ton or more. A baler has been purchased and installed. For the best re-sale price, newspaper and cardboard must be kept separate. No magazines can be included.

Aluminum cans bring about \$0.20 per pound. Please be sure the cans are aluminum (a magnet can help); crushing the cans takes less space in the barrels.

The market for glass is uncertain at this time. Clean glass, with the caps removed, can be safely crushed and landfilled at the site, again saving in the hauling charge for the compactor. For now, glass does not have to be separated by color.

As you enter the facility, newspaper is dropped off first, then the cardboard. Glass and aluminum cans go in separate barrels next to the compactor.

The map inside shows the new layout for the facility. Ask the attendant if you are uncertain what can be recycled and where to place the material

**YOUR VOLUNTARY PARTICIPATION
IS REQUESTED!!! WE ALL BENEFIT**

The facility is closed on all holidays with the exception of Memorial Day, July 4th, Labor Day, and Columbus Day (when these days fall on a regular dump day.)

	Article 10 Transfer site bins, etc.....	12,000
	Article 11 Rescue Squad Ambulance.....	34,000
	Article 6 Block Grant Highways.....	20,000
Article 3	Selectmen authorized to borrow money in anticipation of taxes.	
Article 4	Selectmen authorized to apply for, accept and expend, without further action by the Town Meeting, money from the State, Federal or other government unit or a private source which becomes available during the fiscal year.	
Article 5	Voted to accept monies for the establishment of trust funds during the year since last Town Meeting.	
Article 6	Affirmative vote to accept \$41,921. from the State Highway Block Grant. \$20,000 to be spent on the construction and reconstruction of Class V roads, the balance, \$21,921. to be used to offset General Expense of the Highway Department.	
Article 7	Voted to retain the unexpended portion of the Conservation Commission's 1983 appropriation in the Special Conservation Fund established in 1977 under the provisions of RSA 31:112 (II).	
Article 8	Voted to authorize the expenditure of \$23,000 from Revenue Sharing Funds to cover part of the cost of removal of garbage from the Disposal Area.	
Article 9	An affirmative vote to raise and appropriate \$1,700 to cover the cost of fireworks display, police protection and public liability for the Town's July Fourth Community activity.	
Article 10	Voted to raise and appropriate \$12,000. to create a recycling program at the Town's present transfer site. The project to include a baler for corrugated and newsprint, proper housing	

and storage areas for the baler and bales, and initial bins (tanks) to recycle glass and cans.

- Article 11 To see if the Town will vote to authorize the Selectmen to donate on a one-time basis \$34,000. to the Bradford Rescue Squad towards the purchase of a new ambulance. The ambulance, a Yankee Coach Pioneer III, with necessary equipment and a performance bond will cost \$49,000. The Bradford Rescue Squad will contribute from its funds \$15,000. The Town to appropriate** with the anticipation of receiving revenues in the amount of \$17,340. from the Bradford Rescue Squad from contributions from the Towns of Newbury, Sutton and Warner. Newbury, Sutton and Warner have been asked to donate on a one time basis, \$7,140., \$6,120. and \$4,080. respectively toward the cost of the Bradford Rescue Squad ambulance. (The contributions were arrived at by determining the percentage of "runs" per town averaged over the last five years.) **\$34,000
Article passed with not one dissenting vote.
- Article 12 To see if the Town will vote to raise and appropriate \$60,000 to purchase a new four wheel drive diesel truck for the Highway Department. The truck to be equipped with an eleven foot plow and six yard dump body. The entire \$60,000 to be withdrawn from the Capital Reserve Fund.
This required a paper ballot with a two-thirds majority for passage. There were 141 ballots cast. There were 86 votes for and 55 against. The moderator declared the motion lost.
- Article 13 To see if the Town will vote to change the classification of the Day Pond Road from the Bradford/Warner line, a distance of 600 feet, from Class VI to Class V. (Submitted by petition)
The voice vote on the question was unsure and the supervisors counted a show of hands: 77 yes 40 no.
The motion carried.
- Article 14 Voted to authorize the Selectmen to sell town owned property acquired by Tax Collector Deed.
- Article 15 The motion was passed to Authorize the Selectmen to establish a committee of three to study the social and financial implications of altering the Bradford/Warner Town Line to encompass the part of Warner of Route 114 South between Bradford and Henniker, into Bradford.
Passed as in warrant.
- Article 16 On a vote by a show of hands, 63 no and 43 yes, the reclassification of Alder Plain Road from Class V to Class VI was defeated.
- Article 17 It was moved and voted to pass over changing the Johnson Hill

- Road from the Richard Sweet property to Fairground Road from Class V to Class VI.
- Article 18 To see if the Town will vote to change the classification of Jackson Road, from Howlett Road to Forest Street from Class V to Class VI.
- Article 19 To see if the Town will vote to change the classification of Jewett Hill Road from the Gary Perkins property to Center Road, from Class V to Class VI.
- Article 20 To see if the Town will vote to change the classification of Forest Street from the Gray property to Rowe Mt. Road from Class V to Class VI.
- On motion of the Selectmen to consider Art. 18-19-20 as one, and waive the reading, the vote was in favor.
- Article 21 To see if the Town shall call upon the Governor and Executive Council, its State Representative and State Senator to promptly convene a Special Session of the Legislature for the sole purpose of preventing the imposition of high cost increasing electric rates resulting from the Seabrook Nuclear Power Plant on the citizens, businesses, schools and agencies in the Town of Bradford, and to direct the Selectmen to promptly notify our above elected officials of the Town's desire. Submitted by Petition.
- Move to pass over was defeated.
- A motion to move the question received a $\frac{2}{3}$'s vote.
- The original motion was then defeated 55 no 48 yes
- Article 22 Voted to accept the reports of Town officers.
- Article 23 Moved to adjourn.

A true copy of record. Attest:

ELIZABETH A. CILLEY
Town Clerk

Amendment to Article 12 as recorded in the minutes of the Annual Meeting, March 14, 1984.

WHEREAS the original language of Article 12 stated that a two thirds majority vote was required for passage. WHEREAS a simple majority was legally required and not a two thirds majority AND WHEREAS there were 141 ballots cast, 86 votes FOR and 55 AGAINST AND WHEREAS a Public Hearing was held on July 11, 1984 to explain the aforesaid error, we hereby certify that the vote was in the affirmative.

Signed

BRACKET L. SCHEFFY
Moderator

This amendment was made part of the record of the March 14, 1984 Town Meeting on page 354 Book of Record, Vol. VII and on page four of the typewritten record.

Attest:

ELIZABETH A. CILLEY
Town Clerk

Dated Oct. 15, 1984

TOWN WARRANT

State of New Hampshire

The Polls will be open from 12:00 Noon to 7:00 p.m. March 12, 1985.

To the inhabitants of the Town of Bradford in the County of Merrimack in said State qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Bradford on Tuesday, the twelveth of March next, at twelve o'clock noon to act on the following Articles:

1. To choose all necessary Town Officials for the ensuing year.
2. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same. To adjourn the meeting until Wednesday, March thirteenth at 7:00 o'clock in the evening: the raising of money and other articles in the Warrant to be taken up at adjourned meeting.
3. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.
4. To see if the Town will vote to authorize the Selectmen to apply for, accept and expend, without further action by the Town Meeting, money from the State, Federal or other government unit or a private source which becomes available during the fiscal year.
5. To see if the Town will vote to accept monies received for the establishment of Trust Funds during the year since last Town Meeting.
6. To see if the Town will vote to accept \$47,558.09 from the State Highway Block Grant. \$20,000.00 to be spent on the construction and reconstruction of Class V roads. The balance (\$27,558.09) to be used to offset General Expense of the Highway Department.
7. To see if the Town will vote to retain the unexpended portion of the Conservation Commission's 1984 appropriation in the Special Conservation Fund established in 1977 under the provisions of RSA 31:1122 (II).
8. To see if the Town will vote to authorize the expenditure of

\$22,966.00 from Federal Revenue Sharing Funds to cover part of the cost of removal of garbage from the Disposal Area. (Recommended by the Budget Committee)

9. To see if the Town will vote to raise and appropriate \$1,700.00 to cover the cost of a fireworks display, police protection and public liability insurance for the Town's July Fourth Community Activity. (Recommended by the Budget Committee)
10. To see if the Town will vote to raise and appropriate the sum of \$7,000.00 for the recycling program at the Town transfer station. The project includes extension of the existing building to provide all-weather shelter for the compactor, covered area adequate to handle corrugated cardboard prior to baling and space for the collection of glass and cans. (Recommended by the Budget Committee)
11. To see if the Town will vote to raise and appropriate \$26,000.00 to pay for a new Caterpillar 926 Wheel Loader. The entire \$26,000.00 to be withdrawn from the Town's Capital Reserve Fund. The balance of the cost will be covered by insurance adjustments received after the Town Shed Fire. (Recommended by the Budget Committee)
12. To see if the Town will vote to raise and appropriate \$3,700.00 for repairs to Engine 3. Repairs to include rust removal, repainting, exhaust system and door repair. (Recommended by the Budget Committee)
13. To see if the Town will vote to raise and appropriate the sum of \$1,900.00 for a Mitrek Mobile 110 watt, four frequency operation four channel scanner with a Gain antenna radio and transmitter for the police cruiser. (Recommended by the Budget Committee)
14. To see if the Town will vote to raise and appropriate the sum of \$500.00 toward the cost of the Town's Bicentennial Celebration in 1987. (Recommended by the Budget Committee)
15. To see if the Town will vote to authorize the Selectmen to sell Town owned property acquired by Tax Collector's Deed.
16. To see if the Town will vote to raise and appropriate \$250.00 to assist in covering the yearly facility usage fee that the Kearsarge Children's Center, Inc., a licensed, non-profit child-care facility, is requested to pay to the Community Action Program for providing them with safe,

licensable space in their building on Main Street in Warner. (By petition)

17. To see if the Town will vote to maintain the road leading into and out of French's Park in the winter as well as the summer. (By petition)
18. To see if the Town will vote to accept the reports of the Town Officers.
19. To transact any other business that may legally come before the Meeting.

Given under our hands and seal, this eighteenth day of February, in the year of our Lord nineteen hundred and eighty-five.

SELECTMEN COMMENTARY

1984 was a difficult, but in the end, successful year. The Memorial Day week long flood and the town shed fire were the major events that dominated the year. Mother Nature dumped over eight inches of water on Bradford during the week of May 28th. There was a great deal of flooding around Lake Massasecum and the fields at the head of the Warner River. A good ditching program avoided problems on most roads, however, sheer volume destroyed portions of Davis and Deer Valley Roads.

Large dollars had to be spent to purchase new culverts and repair the damage. We were hopeful that some State or Federal funds would become available to help offset these unexpected expenditures. Unfortunately, nothing materialized. Accordingly, at the Budget Committee's recommendation, we decided to redirect \$10,000 of the State Highway Block Grant from "Special Projects" to help offset the General Highway Expenses account. Every cloud has a silver lining the community spirit involving telephone relays, canoe transportation and property surveillance during the washout was fantastic!

We were just sitting down with the Budget Committee to start our 1985 budget process when the phone brought news of a fire at the town sheds. The extraordinary efforts of our fire department with Mutual Aid from Sutton, Warner, Henniker and Newbury saved two bays. However, the major structure along with our frontend loader and four-wheel drive Ford truck were lost.

Insurance will cover the costs of rebuilding the sheds (the bidding process has already started) contents and a second hand diesel four-wheel drive International truck equipped with a new sander. The frontend loader is not as cut and dried..... we found a comparable second hand piece of equipment for \$37,000. Further investigation revealed we could purchase a brand new Caterpillar 936 for \$54,500! The new equipment carries a three year guaranty with a forty-eight hour service clause. The Board, with the Budget Committee's recommendation, feels that the Town would be better served with a new piece of equipment. Accordingly, we are asking the Town to withdraw \$26,000 from the Capital Reserve Fund to make up the difference between the cost and our insurance settlement.

Speaking of the Capital Reserve.....there is a small plaque on our wall that reads:

*When a plumber makes a mistake,
he charges twice for it.*

*When a lawyer makes a mistake
he has a chance to try the case again.*

*When a doctor makes a mistake,
he buries it.*

*When a judge makes a mistake,
it is the-law-of-the-land.*

*When a preacher makes a mistake,
nobody knows the difference.*

*But when the Selectmen make an error,
GOOD NIGHT!*

We incorrectly stated in 1984 Warrant Article 12 that the Town needed a two-thirds majority vote to withdraw \$60,000 from the Capital Reserve Fund to purchase a new diesel truck for the Highway Department. On July 11, 1984 we held an informational meeting to explain the legal options available to the Town and go over our position. By State law, the selectmen cannot exceed statutory authority, therefore we could not mandate, by design or error, a two-thirds majority when by statute only a simple majority is needed to withdraw money from the Capital Reserve. We did not think the removal of the two-thirds majority would have influenced the 85 voters in favor and 55 opposed votes. Therefore, we authorized the purchase of the vehicle.

The recycling project did not go as smoothly as we had hoped, certainly not because of the Solid Waste Committee. We have had to adjust the program to take full advantage of the limited funds available. A pit baler was installed in a new foundation and a rough shed was built. Our contract with Browning Ferris Industries, the company that handles our solid waste, allows us to control our costs as we are now charged on a per haul, per ton basis. Therefore, the less we have to send to Vermont to be buried, the less it will cost. We are asking for an additional \$7,000 to extend the roof over the compactor, enclose the facility and add lighting.

We are in awe of the amount of corrugated paper we are receiving! The additional space will enable a smoother baling operation and allow room for

stations to recycle cans and glass. The program is on a voluntary basis; your help and cooperation is needed. This year the dump was over budget by \$8,192.....27.3%. Tonnage records are available for one half the year and analyzed, we generated 677 tons of material.....garbage; that is 1,354,000 pounds! Each load costs us \$200; each tone \$20.70. We need to recycle every pound possible.

Overall we finished 1984 in the black, actually improving our financial posture by \$5,600. We had to raise an additional \$105,000 in taxes for 1984 versus 1983.....\$21,000 for town operations, \$77,000 for the school and \$7,000 for the County. The school number includes a \$18,967 credit for the enrollment adjustment, otherwise it would have increased \$95,967. The Town Budget that we are submitting will have a net 2.5% decrease on funds needed to run the Town. We cannot control the school's or county's share.

In addition to the recycle program and new loader we have also included capital requests to purchase fireworks, insurance and police protection for the 4th of July; \$1,900 to purchase a new radio system for the police department; \$3,700 to repair Engine #3 of the fire department and \$500 to start a 1987 Bicentennial Celebration Fund. These figures are included in the 1985 budget which represents a decrease from 1984.

Again, our thanks go out to all those who make our Town operate. Salaried, part-time, volunteers.....we all come together to make it work. It is the people of Bradford that make it so worthwhile.

BROWN MEMORIAL LIBRARY COMMENTARY

Brown Memorial Library is measuring up well with the New State Library Public Standards in books and materials but is in need of upgrading in hours, personnel and space. These standards will be phased in gradually and as economically as possible.

Emphasis has been placed, this year, on serving the area youngsters. Our summer reading hour, conducted by the Librarian and six volunteers has been very well attended. The Library has been regularly attended by classes of the Bradford School, the Johnson Hill School as well as the Pre-School, and Kindergarten. As a result, circulation in the youth area has increased greatly. (Our general circulation is also up from last year).

Miss Janet Niles, a long time Trustee, submitted her resignation which was accepted regretfully. Mrs. Elaina Hume has been temporarily appointed to fill the position until the March election.

Mrs. Elsa Weir, Assistant Librarian has spent many hours of volunteer work since August. Her background includes work in the Framingham, Mass. Public Library.

Mrs. Maggi Ainslie has enrolled the library in a library pool which purchases books in large quantities for a discount which is to our advantage.

Our library is appreciative to our townspeople for their generosity with donations of time and materials to help out with the Book and Bake Sale; the summer reading program; and the donations of books, magazines and other publications. This volunteerism has been a great factor in maintaining the quality of the Library within our budgeted funds.

REPORT OF THE BRADFORD POLICE DEPARTMENT

The task of a police chief is one most difficult in our modern society. He must not only use limited resources to deal with increasing crime, and do so with budgetary, organizational and legal constraints that limit discretion in establishing objectives and priorities. The Bradford Police Department, although small in number, has established objectives and priorities to best serve the citizenry of our community.

Policemen often perform in public under circumstances that could cause misunderstanding and misinterpretation of police activities. This can lead to incidents that cause resentment of all police action - no matter how legitimate. If the public understands and appreciates that nature of the police task, they can better judge whether we are exceeding our authority. I feel that our citizens have a right to know when an officer may or may not legally conduct an investigation or make an arrest without a warrant. With this in mind I cordially invite any citizen of our community to visit our police department and make inquiries as to our police tasks.

Effective communication between police and the public helps the public understand police decisions and helps us measure our success or failure in enforcing the law and in fulfilling community expectations. It is my sincere hope that your department is fulfilling our communities needs.

I would like to once again thank the Board of Selectmen, members of the Fire Department, Rescue Squad, Highway Department and the office staff of the Selectmen for their continued cooperation in helping us meet our objectives in making Bradford a safe place to live and an understanding of our role within the community.

Respectfully submitted,

MARVIN RICH

REPORT OF THE BRADFORD FIRE DEPARTMENT

This year we have seen an increase in fire calls and feel that this will be the trend for the future due to the increase in activity in the Bradford area. You will also note an increase in training and work sessions by the department. This increase is a coordinated effort by the members to keep the equipment at its most efficient level and to provide the Town with the best fire protection possible through constant training.

This year we hope to repair serious corrosion problems on Engine #3, our main attack piece. Engine #3 is 15 years old and showing signs of salt and moisture damage to its body and cab. With skyrocketing costs of new trucks we feel by doing this work now we will eliminate expensive repairs later while keeping this valuable truck in first rate condition. We hope you support our recommendations on this project.

This year in joint cooperation with the Bradford/Newbury grade schools and the Newbury Fire Department, we provided Fire Safety Seminars at the schools. This project gave all of us a good feeling and the children a better insight into fire safety. A disturbing fact about smoke detectors became evident during these classes. Most of the kids indicated that they has detectors installed in their houses but due to poor installation and or maintenance these detectors are not working or are being ignored when activated. We urge all of you to install detectors if you don't have any and if you do make sure they are installed and maintained properly. If you have any questions about detectors please feel free to contact us.

The department in cooperation with the Selectmen are in the process of reviewing our tanker situation. Presently the department has two tankers. Our prime tanker, a 1952 military conversion has been out of service with transmission problems since August. We hope to have it repaired by the time you read this. Eventually, we hope this tanker will become our backup unit. Our other tanker is a 1964 Mack we acquired after it was retired by Holmes Trucking Company. This truck has severe corrosion problems and its mechanical systems are very tired. We hope to replace this truck in the future with a more efficient vehicle. The department is working on a plan that should be presented at the 1986 town meeting. Any suggestions on this project would be greatly appreciated.

REMEMBER: SMOKE DETECTORS SAVE LIVES

REPORT OF THE TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Our first forest fire prevention law was enacted by our State Legislature 90 years ago. This early law set in place a cooperative forest fire prevention and suppression effort between city and town governments and State government. It simply stated that no open fire could be kindled, when the ground is free of snow, without the written permission of the town/city Forest Fire Warden. This law also stated that anyone kindling a fire without written permission shall be liable for the damage caused and subject to a \$1000 fine.

During the past 90 years, this law has worked so well that it has remained unchanged. All open fires when the ground is not covered with snow must be authorized by the local Forest Fire Warden. Persons kindling a fire without a permit when one is required are liable for damages caused, fire suppression costs and subject to a \$1000 fine.

This cooperative fire prevention law has contributed significantly to our nationally recognized annual forest fire loss record.

1984 Statistics

	State	District	City/Town
No. of Fires	875	14	0
No. of Acres	335	10.07	0

BRADFORD RESCUE SQUAD

Bradford Rescue Squad's new ambulance arrived on August 27, 1984 and was equipped and in service on August 30. The Squad is delighted with the performance of the new vehicle and wishes to thank the townspeople of Bradford. Without your generous support, this purchase would not have been possible.

In 1984, the Bradford Rescue Squad responded to a total of 125 emergencies. Of the fifty-five emergency calls in the Town of Bradford, forty-five were medical emergencies, seven were motor vehicle accidents, and three were stand-bys at structure fires.

The Bradford Rescue Squad is also pleased to announce the formation of the Bradford Rescue Squad Auxiliary. The Auxiliary has been extremely helpful in carrying out fund raising activities during 1984 and the Rescue Squad is most grateful.

A very sincere thank you for all your support during 1984.

THE BRADFORD RESCUE SQUAD

HEALTH OFFICER'S REPORT

During the past year four new septic systems were approved for operation. This is a slight decrease from our past experience and reflects a slowing of new home construction. There were seven replacements of systems approved.

Several dog bite reports by the emergency room of the New London Hospital were investigated. Thankfully all the dogs involved had received rabies shots.

Water samples from several wells along Main Street were taken for possible contamination, but all have proved negative so far..

At the request of the State Dept. of Health and Welfare inspections were done for facilities at a Day Care Center and a Foster Home.

Respectfully submitted,

JAMES V. BIBBO JR.
Health Officer

REPORT OF THE ROAD AGENT

1984 was an eventful year and a busy one as well. The heavy rains in June that washed out Davis Road took a large share of the construction money with it. We were still able to resurface sections of Pleasant View Road, Pleasant Valley Road, Forest Street, Center Road and Davis Road. West Road is under construction again and will be paved this summer.

The purchase of the new four-wheel drive truck in August is a welcome replacement for the 1979 truck that was lost in the fire at the town highway garage in December.

At present we are operating out of the two bays that did not burn in the fire and hope to have the remainder of the garage rebuilt as soon as possible. We have attempted to replace the equipment lost in the fire with comparable vehicles.

I feel personally responsible for the fire at the garage in that I put the woodstove there. Therefore, I would like you to know that I will do my best to replace what we lost in the fire and provide you with an efficient highway department, given available funds.

I am asking the town to purchase a new snowplow for \$5,000 and a new secondhand tractor for mowing the roadsides.

PHILLIPS BYFIELD III
Road Agent

SOLID WASTE COMMITTEE REPORT

The first phase of a long term plan to handle the Town's solid waste was set in motion at last year's Town Meeting. The recycling program has two major objectives:

1. To reduce the volume/weight of material presently being hauled to Vermont for disposal, and
2. To recover and sell marketable materials.

It is the strong feeling of the Solid Waste Committee that this project will continue to be important no matter what method of disposal is used in the long term.

The funds appropriated at Town Meeting have been used to purchase and install a baler and to begin construction of a building to house the baler and the newspaper and cardboard to be baled. An additional grant was given to the Town by New Hampshire The Beautiful, which will be used to help complete the project.

The effective operation of the facility will result in a continuing reduction of the amount of waste that must be sent to a landfill or any other disposal facility. Unless the maximum amount of salvageable material is removed, the cost of waste disposal can become an overwhelming burden.

It is very important that both the public and the operator of the facility understand the purpose and the procedures of the recycling facility. The operator can help residents become familiar with how the center is to be used. The success of a voluntary program depends on how clearly the operator explains the program and encourages full participation by everyone who uses the facility. A brochure describing the facility has been prepared and will be widely distributed.

During the next year, the building should be extended to provide shelter for users, workers, and the collected materials. The system and the layout may be adjusted, if necessary, to improve the access and ease of operation. Additional equipment may be recommended to better handle the materials.

For the longer term, the Committee will continue to look into other methods of disposing of any waste that can not be recycled. Some of the possible options include cooperation with neighboring towns or joining one of the resource recovery projects currently being planned.

The Committee appreciates the support of the Town and looks to increased cooperation as the recycling facility moves toward meeting its objectives.

Respectfully submitted,

CHARLES HIRSHBERG, Chairman

KEARSARGE VISITING NURSE ASSOCIATION

When it comes to Health Care, there's no place like home.....

Kearsarge Visiting Nurse Association services have expanded 36% this year to meet the increased needs of our town residents. Did you know that.....

1. Kearsarge VNA provides services to children from birth to school age.
2. Free evaluation visits are offered to all our residents.
3. Kearsarge VNA works with the physician and hospital of the patient's choice.
4. In addition to professional services, our new TLC private duty program is available around the clock.
5. A nurse can be reached 24 hours a day by dialing 526-4077.

Below are the services we provided to your town in 1984.

ROBIN GALLUP, RN
Co-Director

TANYA WILKIE, RN
Co-Director

Your Town Representatives on our Board of Directors are:

MR. ROBERT BELL

MRS. LOUISE SIGNORINO

BRADFORD HISTORY COMMITTEE

The Bradford History Committee is concerned that plans for Bradford's Bicentennial celebration should be formulated during 1985 and 1986. They have suggested to the Board of Selectmen that they appoint a committee to make plans, and that a sum of money be placed in the 1985 budget for this purpose. The Selectmen would welcome volunteers to serve on this committee.

Our committee asked a group of women known for their creative sewing skills to plan a Bicentennial Quilt, our funds to underwrite the first costs. The group includes Fran Winch, Doris Sargent, Shirley Scribner, Hazel Morse, Charlie Harris and Harriet Douglass, who have met regularly and will soon make public their plans.

Plans to publish a volume of Bradford genealogy in 1987 are at a standstill. Less than twenty families have furnished records. Forms are available from the committee or at the Selectmen's Office.

The original History Committee with Mildred Gunscheon as chairman, is now down to four working members. Margaret Ainslie is town librarian, Mrs. Gunscheon is not able to assist and Raymond Jaycox has moved to Portsmouth. Linda Deschenes offers only secretarial help. The four worked for ten years to publish the history and since 1976 have kept historical data in the form of albums, and are willing to be a part of the Bicentennial Committee.

The sale of thirty copies of "Two Hundred Plus" this year, for the sum of \$527.50 has brought the Historical Fund in the hands of the treasurer to over \$650. The history is available at the Town Clerk's Office for \$17.50.

The Bradford Historical Society which was organized in 1978 through the efforts of this committee, has continued renovations on the Old Post Office and contracted landscaping in the spring. A sign created by Jane Herbert and a post given by the Lumber Barn will be erected then. The annual Strawberry Festival in July and Holiday Bazaar in November provide funds for their projects. Meetings were held at the Old Post Office, including a pot-luck supper. Everyone is welcome to attend their monthly meetings on the fourth Wednesday of each month, with the exception of November and December. The support of Bradford residents by membership dues of \$5.00 is a factor in the society's future.

Won't you volunteer your help to preserve Bradford's past and present, as we look to her third century.

ELIZABETH A. CILLEY, Chairman

JULIAN F. DODGE

DORIS F. SARGENT

LINDA DESCHENES

MILDRED GUNSCHON - MARGARET AINSLIE

Honorary Members

BRADFORD PLANNING BOARD

The Bradford Planning Board met fifteen times during 1984, at least once each month, including special meetings in July and August.

The actions taken at these meetings included approval of one lot line adjustment and the approval of four subdivisions. Two subdivisions were not approved due to poor drainage potential.

The Board reaffirmed its policy of refusing subdivisions whose only frontage is on Class VI road.

A number of persons appeared, asking for information about subdividing and land use. The Board welcomes these opportunities to provide citizens with information and advice relative to subdivisions. In this way rules and regulations are understood, procedures explained before expensive surveying and map preparing are done.

Work is still being done with the expectation of finalizing the Town's Master Plan as is required by the State. It is to be completed and presented to a Public Hearing later this year.

Respectfully,

CARDON RUCHTI, Chairman

EDYTHE L. CRAIG, Secretary

KENNETH BROWN, Selectman

BRADFORD CONSERVATION COMMISSION

In 1984 six trees were planted on Main Street, Kenneth and Diane Brown donated three of them.

The Fitness Trail was trimmed and maintained.

The Kindergarten Parents under the supervision of Joy Donahue helped in the French's Park cleanup. As usual the Sunapee Skindivers cleaned the beach.

The shrubs along the Blue Seal fence were fertilized and trimmed. The Merrimack Farm & Country Store donated flowering plants for the old water tower base which were planted there by Jackie Martin. The Town purchased a picnic table and the State loaned us a basket to be placed near the entrance to the Bradford Pines. Clarence Wheeler kept the basket emptied.

Isabel Sheehan resigned for personal reasons. She was a helpful and faithful member. We welcome Perry Teele as a new member.

Tillie Wheeler and Rick Spafford attended the Annual State Conservation Meeting at the Technical Institute in Concord.

Lilac plantings and getting expert advise on our Town Forests are in our plans for 1985.

BRADFORD CO-OP PRESCHOOL AND KINDERGARTEN

The Bradford Co-Op Preschool and Kindergarten is a non-profit organization which consists of a group of concerned parents who are sincerely interested in providing an excellent socialization and learning experience for 4 and 5 year olds, in order to afford an easier transition into further education. We began this year with 13 kindergarten children and 14 preschool children. Since the preschool number was higher than usual, there is a different mother assisting in the classroom each week.

We are pleased to have our excellent teacher, Cynthia Bunn, with us for the third year. During these three years she has provided the children and parents with an enriching educational experience through her skill, fresh ideas and dedication.

We try to provide this experience at the most reasonable cost possible so that as many interested families as possible can benefit. This is achieved through the constant support of the Town of Bradford, and through various fund raising activities.

The annual budget for '84-85 is \$8,500. Under the direction of our fundraising chairperson, Marlene Freyler, we have raised approximately \$2,550 to date through a number of successful fundraising projects such as: the annual pig roast and chicken barbeque, a raffle, a booth at the forth of July Fair, a booth at the Women's Club Fair, a Christmas Crafts Fair and town election dinners.

These funds are used to purchase consumable and non-consumable equipment for the class, salary our teacher and provide field trip experiences for the students.

We are very grateful to the Town of Bradford for its continued support of our efforts to provide this experience for the children.

JOY J. DONAHUE
President

Annual
Reports
OF THE TOWN OF
BRADFORD
NEW HAMPSHIRE

**FOR THE YEAR ENDING
DECEMBER 31, 1985**

RECYCLING

Bradford residents voted at the 1984 Town Meeting to begin a recycling program at the transfer station, with two major objectives:

1. Reduce the weight and volume of waste placed in the compactor and shipped to Vermont.
2. Sell materials for which there is a reliable market.

Each ton not put in the compactor saves \$20.00 a ton plus the added savings of \$200.00 in the hauling fee for each compactor load not hauled away.

Baled corrugated cardboard and newsprint can be sold for \$30.00 per ton or more. A baler has been purchased and installed. For the best re-sale price, newspaper and cardboard must be kept separate. No magazines can be included.

Aluminum cans bring about \$0.20 per pound. Please be sure the cans are aluminum (a magnet can help); crushing the cans takes less space in the barrels.

The market for glass is uncertain at this time. Clean glass, with the caps removed, can be safely crushed and landfilled at the site, again saving in the hauling charge for the compactor. For now, glass does not have to be separated by color.

As you enter the facility, newspaper is dropped off first, then the cardboard. Glass and aluminum cans go in separate barrels next to the compactor.

The map inside shows the new layout for the facility. Ask the attendant if you are uncertain what can be recycled and where to place the material

**YOUR VOLUNTARY PARTICIPATION
IS REQUESTED!!! WE ALL BENEFIT**

The facility is closed on all holidays with the exception of Memorial Day, July 4th, Labor Day, and Columbus Day (when these days fall on a regular dump day.)

Article 3	Vote carried to authorize the Selectmen to borrow money in anticipation of taxes.	
Article 4	Vote carried to authorize the Selectmen to apply for, accept and expend without further action by the Town Meeting, money from the State, Federal or other government unit or a private source which becomes available during the fiscal year.	
Article 5	Vote carried to accept monies received for the establishment of Trust Funds during the year since last Town Meeting.	
Article 6	Vote carried for the Town to accept \$47,558.09 from the State Highway Block Grant. \$20,000.00 to be spent on the construction and reconstruction of Class V roads. The balance (\$27,588.09) to be used to offset General Expense of the Highway Department.	
Article 7	Vote carried to retain the unexpended portion of the Conservation Commission's 1984 appropriation in the Special Conservation Fund established in 1977 under the provisions of RSA 31:1122 (II).	
Article 8	Vote carried to authorize the expenditure of \$22,966.00 from Federal Revenue Sharing Funds to cover part of the cost of removal of garbage from the Disposal Area.	
Article 9	Vote carried to raise and appropriate \$1,700.00 to cover the cost of a fireworks display, police protection and public liability	

- insurance for the Town's July Fourth Community Activity.
- Article 10 Vote carried to raise and appropriate \$7,000.00 for the recycling program at the Town transfer station. The project includes extension of the existing building to provide all-weather shelter for the compactor, covered area adequate to handle corrugated cardboard prior to baling and space for the collection of glass and cans.
- Article 11 As in warrant: To see if the Town will vote to raise and appropriate \$26,000.00 to pay for a new Caterpillar 926 Wheel Loader. The entire \$26,000.00 to be withdrawn from the Town's Capital Reserve Fund. The balance of the cost will be covered by insurance adjustments received after the Town Shed Fire.
Amended as follows: To raise and appropriate the sum of \$54,500.00 to pay for the new Caterpillar 926 Wheel Loader. The sum of \$26,000.00 to be withdrawn from the Town's Capital Reserve Fund. The balance of the cost will be covered by insurance adjustments received after the Town Shed Fire.
Motion carried as amended.
- Article 12 Vote carried to raise and appropriate \$3,700.00 for repairs to Engine 3. Repairs to include rust removal, repainting, exhaust system and door repair.
- Article 13 Amendment carried to amend the sum of \$1,900.00 to \$2,300.00
Voted to raise and appropriate the sum of a Mitrek Mobile 110 watt, six frequency operation six channel scanner with a Gain antenna radio and transmitter for the police cruiser.
- Article 14 Voted to raise and appropriate the sum of \$500.00 toward the cost of the Town's Bicentennial Celebration in 1987.
- Article 15 Vote carried to authorize the Selectmen to sell owned property acquired by Tax Collector's Deed.
- Article 16 Vote carried to raise and appropriate \$250.00 to assist in covering the yearly facility usage fee that the Kearsarge Children's Center Inc., a licensed non-profit child-care facility, is requested to pay to the Community Action Program for providing them with safe, licensable space in their building on Main Street in Warner.
(Article by petition.)
- Article 17 To see if the Town will vote to maintain the road leading into and out of French's Park in winter as well as summer. (By petition).
A paper ballot was called for. The motion as in warrant was defeated. 47 aye votes 53 no votes.
- Article 18 Voted to accept the reports of Town Officers.
- Article 19 Motion to adjourn at 8:55 carried.

A true copy of Record Attest: ELIZABETH A. CILLEY, Town Clerk

SPECIAL TOWN MEETING

June 20, 1985

The meeting was opened by Moderator Brackett L. Scheffy who read the article set forth in the warrant posted by the Board of Selectmen. Discussion was opened following the second to the motion to pass as read. There were forty-four voters present. A voice vote was unanimous to adopt the article as read. There were no nay votes. Meeting adjourned.

A true copy. Attest:
June 21, 1985

ELIZABETH A. CILLEY, Town Clerk

TOWN WARRANT SPECIAL TOWN MEETING

To the inhabitants of the Town of Bradford in the County of Merrimack in said State qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Bradford on Thursday, June 20, 1985 at 7:30 in the evening to act on the following Article:

"To see if the Town will vote to authorize the Board of Selectmen on behalf of the Town to enter into a cooperative agreement, pursuant to RSA 53-A, for the purpose of joining together towns and cities in a joint and cooperative effort for the disposal of solid waste in a manner which will meet federal and state regulations and for the economical and efficient recovery of energy from said solid waste disposal. The Cooperative to be formed under the cooperative agreement will be designated the "Concord Regional Solid Waste/Resources Recovery Cooperative". A copy of the current draft of the proposed cooperative agreement is posted with the warrant and is available at the town offices during normal business hours. The Board of Selectmen is specifically authorized on behalf of the Town (a) to execute and deliver the cooperative agreement (with such changes therein from the posted agreement as the Board of Selectmen shall approve, such approval to be conclusively evidenced by the Board of Selectmen's execution thereof) and such instruments, documents and agreements as the Board of Selectmen may deem necessary or desirable in furtherance of the purposes of the cooperative agreement; (b) to cause to be performed all obligations which may from time to time be required pursuant to the terms of the cooperative agreement; and (c) to take action relative thereto."

TOWN WARRANT

State of New Hampshire

The Polls will be open from 12:00 noon to 7:00 p.m. March 11, 1986.

To the inhabitants of the Town of Bradford in the County of Merrimack in said State qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Bradford on Tuesday, the eleventh of March next, at twelve o'clock noon to act on the following Articles:

1. To choose all necessary Town Officials for the ensuing year.
2. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same. To adjourn the meeting until Wednesday, March twelveth at 7:00 o'clock in the evening: the raising of money and other articles in the Warrant to be taken up at adjourned meeting.
3. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.
4. To see if the Town will vote to authorize the Selectmen to apply for, accept and expend, without further action by the Town Meeting, money from the State, Federal or other government unit or a private source which becomes available during the fiscal year.
5. To see if the Town will vote to accept monies received for the establishment of Trust Funds during the year since last Town Meeting.
6. To see if the Town will vote to accept \$44,101.33 from the State Highway Block Grant. \$20,000.00 to be spent on the construction and reconstruction of Class V roads. The balance (\$24,101.33) to be used to offset the General Expense of the Highway Department.
7. To see if the Town will vote to retain the unexpended portion of the Conservation Commission's 1985 appropriation in the Special Conservation Fund established in 1977 under the provisions of RSA 36-A:5.
8. To see if the Town will vote to authorize the expenditure of

\$18,816.00 from Federal Revenue Sharing Funds to cover part of the cost of removal of garbage from the Disposal Area. (Recommended by the Budget Committee)

9. To see if the Town will vote to raise and appropriate \$2,000.00 to cover the cost of a fireworks display, police protection and public liability insurance for the Town's Fourth of July Community Activity. (Recommended by the Budget Committee)
10. To see if the Town will vote to oppose the burial, storage, transportation and production of high level radioactive waste in the town of Bradford and State of New Hampshire; and to call upon Congress to conduct an independent investigation with full public participation into the feasibility and prudence of the US Department of Energy's (DOE'S) present plan to dispose of radioactive waste and into the DOE's competence to carry out such a plan. (By petition)
11. To see if the Town will vote to raise and appropriate the sum of \$5,335.00 to be contributed to an area-wide task force to oppose the burial, storage, transportation, and production of high level radioactive waste in the Town of Bradford and State of New Hampshire; and to call upon Congress to conduct an independent investigation with full public participation into the feasibility and prudence of the U.S. Department of Energy's (DOE's) present plan to dispose of radioactive waste and into the DOE's competence to carry out such a plan. (By petition) (Not recommended by the Budget Committee)
12. To see if the Town will vote to raise and appropriate the sum of \$7,500.00 to update property assessments in the Town. (Recommended by the Budget Committee)
13. To see if the Town will vote to raise and appropriate the sum of \$12,200.00 for the purchase of a new police cruiser. (Recommended by the Budget Committee)
14. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 toward the cost of the Town's Bicentennial Celebration in 1987. (Recommended by the Budget Committee)
15. To see if the Town will vote to raise and appropriate the sum of \$70,000.00 for the purchase of a new fire truck tanker. To be paid in serial notes of \$10,000.00 for seven years. (Recommended by the Budget Committee)

16. To see if the Town will vote to raise and appropriate the sum of \$5,350.00 to dredge the fire pond and resurface the dam of same. (Recommended by the Budget Committee)
17. To see if the Town will vote to raise and appropriate the sum of \$2,125.00 to defray the cost of the Bradford Rescue Squad's ambulance insurance coverage (Recommended by the Budget Committee)
18. To see if the Town will vote to adopt an ordinance (pursuant to RSA 261:157-a to exempt Prisoners of Wars) which would waive the fee charged for a permit to register one motor vehicle owned by any person who was captured and incarcerated for 30 days or more while serving in a qualifying war or armed conflict as defined in RSA 72:28, IV, and who was honorably discharged, provided the person has provided the city or town clerk with satisfactory proof of these circumstances. (Recommended by the Budget Committee)
19. To see if the Town will vote to raise and appropriate the sum of \$500.00 to assist in covering a portion of the operating expenses and to help meet the cost of the yearly usage fee incurred from the use of the Community Action Program's building in Warner for the Kearsarge Children's Center Inc., a licensed, non-profit childcare facility. (By petition) (Not recommended by the Budget Committee)
20. To see if the Town will vote to adopt the provision of RSA 72:37 for the exemption for the blind from property tax. This Statute provides that every inhabitant who is legally blind shall be exempt each year from the property tax on a residence to the value of \$15,000.00. A ballot vote is required. (By petition) (Recommended by the Budget Committee)
21. To see if the Town will vote to authorize the Selectmen to sell Town owned property acquired by Tax Collector's Deed.
22. To see if the Town will vote to accept the reports of the Town Officers.
23. To transact any other business that may legally come before the Meeting.

Given under our hands and seal, this tenth day of February, in the year of our Lord nineteen hundred and eighty-six.

JOHN D. PFEIFLE, Chairman
CLARENCE R. HALL
KENNETH C. BROWN
Selectmen of Bradford

SELECTMEN'S COMMENTARY

1985 was a transition year for Bradford. An extraordinary amount of our time and energy addressed ongoing issues attempting to build bridges to future policies.

Town Shed Fire: We seriously analyzed relocating the entire complex. However, the dramatic short term effects on our tax rate could not justify a move. Utilizing the hard fought insurance reimbursement of just under \$106,000; \$26,000 withdrawn from the Capital Reserve Fund; 1985 Warrant Article #11; and with the Budget Committee's approval, redirecting \$13,000 of the General Highway Department expenses, we were able to dramatically improve our facility and equipment. The Town was fortunate to locate and purchase a second-hand four wheel drive diesel International truck to replace the lost Ford, a new sander was bought, a new Caterpillar 926 wheel bucket loader was added, and most of the shed's contents and tools were replaced. A bidding process located Hadley & Bennett, Inc. of Henniker, who after many re-designs, provided us with a single roofline, five door garage...a vast improvement over the old shed. Additional dollars are available to drill an artesian well, providing the crew with heretofore lacking year 'round water. A thanks is due Digger Day of Contoocook for providing the well at a fraction of his costs.

Dump/Recycling: A special Town Meeting overwhelmingly decided to join the "Concord Regional Solid Waste/Resource Recovery Cooperative". A group of 27 cities and towns that have agreed to provide garbage to waste-to-energy complex in Concord. While the final tipping fees have not been established, they will be substantially lower than our present landfill costs. We will also realize a freight savings. Bradford is better prepared than most to enter this new agreement. Our physical transfer site is excellent. Sandy Lee did a great job enclosing and adding the final touches to the facility. We have the tools and know-how to recycle...We must do much, much more, but we have started! It would be difficult to find a better representative to the Concord Group than Marcia Keller...knowledgeable, statewide understanding, concerned and a wonderful commitment provide Bradford with a strong link in this important process.

School - Building Project: The population pressure is a district problem, but the solution, or lack thereof, will have a direct effect on Bradford's children and tax rate. A number of committee meetings have been held with a formal hearing scheduled for March 5th. All of this will lead to a final proposal to be presented at this year's annual school meeting. We urge everyone to become involved!

Legal Proceeding: The Town's suit, co-prosecuted by the New Hampshire Attorney General's office, against George Naughton has been in court for two and one half years. The process seems long, complicated, and expensive. However, we are satisfied that the Town's best interest is being pursued and a great deal of progress has been made.

Master Plan: It has been a long process with countless volunteer hours spent gathering, analyzing, and compiling pertinent town data. The plan is now ready to be finalized and presented to the Town. This last task falls at Dick Perron's competent feet. The Board is excited and confident that the Plan will be well done and worthy of the Town's support.

A number of new issues surfaced or gained momentum.

Bradford's Bicentennial: A Core Committee was formed to oversee and organize 1987's regular activities and special events to celebrate our 200th year as an incorporated township. They hope to present a fun-filled, educational format involving all walks of life in Bradford. All the various departments, organizations, and groups in Town will have an opportunity to participate. We ask for your cooperation and look forward to a great year! If you have any questions or would like to help, please contact Betty Cilley or Dick Whall.

Parks & Recreation Committee: With the Town's present facilities under tremendous pressure and additional growth anticipated, the Board thought it necessary to revive the Parks and Recreation Committee. We charged the group to oversee and schedule present activities and develop a plan for the future. The committee has been enthusiastic and responsive. The requested increase in their budget is sought to improve the town skating rink and make it a year 'round facility to include basketball and volleyball. To address the needs of an increasing number of Bradford soccer players, they plan on installing two goals with nets. Additionally, improvements will be made to the baseball field and French's Park. We appreciate their efforts and look forward to an ongoing program.

The Cardigan Nuclear Waste Facility: By now everyone in New Hampshire knows that a part of Bradford is included in the United States Department of Energy's site selection program. The Governor's office has done a good job keeping us apprised of the events surrounding the selection process. We have attended the public meetings in Hillsboro and Henniker and agree with Governor Sununu that while it is necessary to have nuclear waste facilities, it is inappropriate to locate such a facility in the Bradford-Hillsboro area because of geological and physical shortcomings. Therefore, we support the petitioned warrant article against the site being chosen.

However, we do not support the request for \$5,335 to help fund a local committee to oppose the site selection. It is too little, too late. We must rely on, and force, the State to provide the technical information necessary to disqualify the area.

If the budget submitted is passed, the Town will have to raise approximately \$64,000 more in 1986 than last year. The operating budget is up \$37,788:

Insurance: Plus \$13,000...same coverage as last year. Insurance premiums for municipalities have gone through the roof! We are told that some towns cannot bind their insurance needs. This represents 35% of the operating increase.

General Government Buildings: Plus \$5,500...this increase must be spent to bring the Town Hall in compliance with State Fire Marshal's regulations. 14.6% of operating increase.

Parks & Recreation: Plus \$5,400...basically to handle the projects discussed earlier. Please remember that the old budget was \$2,000. 14.3% of operating increase.

Fire Department: Plus \$4,500...11.9% of operating increase. The majority of the increase covers the cost of converting the present "red phone" alert network to a Concord area dispatch. The present system will no longer be compatible with phone service available. By joining the dispatch service we will have improved coverage without as much pressure on red phone designated firemen.

Police: Plus \$3,600...9.5% of the operating increase. State mandated officer training adds approximately \$1,500 to the budget. The balance of the increase covers normal salary adjustment.

Solid Waste Disposal: Plus \$3,300...8.7% of operating increase. Unfortunately, we did not budget well in 1985. Although this represents an increase over 1985's budget, it is less than what we actually spent. Savings will be realized in less site work and additional recycling.

Now - outside funded capital expenditures will increase \$15,125. Looking at the Warrant Items this would include the town appraisal update, police cruiser, Bicentennial contribution increase, fire pond project and ambulance insurance. It does not include any additional expenses for the Fire Department's tank truck. This will be paid via a long term bond. We will start to see the financial effect in 1987 and continue for the length of the bond.

Finally our operating revenue is down \$10,901. Next year will be worse as Federal Revenue Sharing will no longer be available; an additional loss of almost \$19,900.

The bottom line equates to an approximate increase of \$2.65 per thousand for the Town's share of your tax bill. Unfortunately, we do not have the control we would like over some of the reasons for the increase...insurance, fire marshall regulations, red-phones, officer training or offsetting revenues. This Board is very concerned with the State of New Hampshire. Each year the task of operating the Town becomes more complicated, cumbersome and costly. Town government should run from the ground floor up verses Concord dictating policy. Annual legislative sessions will make the situation worse.

If you have a copy of "Two Hundred Plus, Bradford, New Hampshire in Retrospect" (if you don't have one, you should!) look at the top picture of the 1921-22 grammar school on page 168. On the right hand side of the second row you will see the quiet, steady look of Carroll Butman. During the following years everyone in Bradford would become familiar with that face! Carroll served the Town as a Selectman, Tax Collector, Deputy Treasurer, Member of the Budget Committee, Auditor and Ballot Clerk. He was stern, funny, tenacious, committed, precise and always there when you needed him. Bradford was privileged to have had such a fine son.

Thanks again to all those who help make the Town operate...full time, part time, volunteers. You make it all worthwhile. Ginny Carter will be retiring in April. She has been a wonderful secretary to the Board for many years...attentive, responsive, (sometimes worried) and always caring. We will miss her.

BROWN MEMORIAL LIBRARY COMMENTARY

The Brown Memorial Library has been growing both in patronage and acquisitions. Efforts are continually being made to tailor our needs to our patrons. We have pre-schoolers and the first three grades who come in weekly en masse. We are continually up-grading our reference section to fill our present needs. This year we are purchasing a new encyclopedia as required by state standards.

We have an Assistant Librarian position now ably filled by Mrs. Elsa Weir. The position calls for one day (5 hours) of paid work, another day is volunteered by the current assistant. We have also been fortunate in having Mrs. Barbara McCartney coming in to up date our catalog system. She formally worked in the Wellesley Mass. library and has logged 116 hours over a period of four months.

Our librarian continues to take library courses in accordance with state requirements. Two courses last year and one has been budgeted for this year. She also belongs to a group of area librarians who get together to discuss mutual problems and to exchange ideas on how to improve their respective libraries. We belong to the Baker & Taylor Mum Coop which enables us to purchase books at a substantial discount. Our librarian continues to work many hours to keep up with day to day work. We are tops in our population classification in per capita usage of the library and we also compare favorably with larger towns in per capita usage.

Once again the Trustees and the Librarian wish to thank the townspeople in their support of the library, their generosity in time to our Book and Bake Sale, the summer reading program and the donation of money, books and periodicals to the library. We could not have been nearly as effective without you.

Come in and see us.

REPORT OF THE ROAD AGENT

In 1985 the Highway Department worked on several major projects in addition to regular highway maintenance. We paved the section of West Road that was built the previous year and plan to do another section this coming summer. The reconstruction of a portion of East Washington Road was started, also to be completed this year.

The section of Center Road, more commonly referred to as River Road has seen alot of activity this year with the removal of most of the trees and brush between the road and the river, shimming the pavement and putting in new guardrail posts.

The highway crew has been working steadily to finish the highway garage and hopefully will be near completion by the spring of 1986.

The Caterpillar loader purchased by the Town has been in service for one year and has performed quite well.

Respectfully submitted,

PHILLIPS BYFIELD III
Road Agent

HEALTH OFFICER'S REPORT

During the past year there have been seventeen new septic systems installed in town. This figure is the highest reported in the last ten years and reflects the increased building activity and growth of the Town of Bradford.

Several homes were inspected for suitability to either adopt children or for foster homes. Other inspections were done for day care facilities.

Complaints of dog attacks were followed up with the cooperation of the New London Hospital, Town Clerk for proof of rabies shots and the Bradford Police Department.

Respectfully submitted,

JAMES V. BIBBO JR. D.D.S.
Health Officer

REPORT OF THE BRADFORD POLICE DEPARTMENT

The year 1985 was highlighted by a marked increase in criminal arrests by your police department. There were 92 criminal arrests during the year as compared to 62 in 1984. A high percentage of these arrests were made as results of citizen complaints. The fundamental purpose of our department is crime prevention through law enforcement, however enforcement priorities for every community differ, we have tried to adjust our priorities to the community needs. While crime prevention and control are vital police functions much of our work includes investigation of minor ordinances and statutes, intervention of domestic disputes, traffic patrol and the like.

To most citizens of our country, the police are the law; they are the only contact these people ever have with the law. It is incumbent upon us to demonstrate that the law and its representatives are deserving of respect and admiration because it is the law that preserves the order without which our society could not survive. It is my sincere hope that the Bradford Police Department has gained your respect as we perform our duties.

Our department was sadden by the passing away of Barbara Jordan, our school guard who always had the safety of our children at heart. May she rest in peace.

BRADFORD FIRE DEPARTMENT

This year the Fire Department has been involved with several exciting projects. We would like to take this time to explain them to you.

In joint cooperation with the Rescue Squad our 82-S1, (rescue truck), has been refurbished including a new body. The truck chassis was bought new in 1975 and a used body was installed at that time with all costs paid by donations. This year the old rusted body was replaced with a new enclosed style body. Some of the features of the refurbishing are as follows: 3500 watt, 110 volt engine driven generator, 2000 watts of portable lighting, increase of compartment space, 5 bottle Cascade system (used to refill self contained breathing apparatus at fires and drills) and a heated area so people can get out of the harsh environment during emergency work. All of this work was again paid for by donations.

In cooperation with the Boy Scouts of America the Fire Department is sponsoring a Fire Explorer post. Presently the post has 13 members, ranging in age from 15 to 18 years old. The purpose of this post is to expose young people to the field of Fire Engineering. The Department enjoys working with these young people and their endless enthusiasm and energy has been an uplifting experience for all of us.

In 1986 the Fire Department will be working on some new projects which we'd also like to explain. Due to a change in our present dispatch system, beyond our control, the Department has made the following recommendation. The Town of Bradford should become a member of the Concord Mutual Aid Fire Compact. By making this change we will enter the Concord Fire dispatch system. This is a professional dispatch system manned 24 hours a day by experienced emergency dispatchers. The system provides for information logging and monthly summary of all calls. It also provides for automatic assistance when needed and opens up the resources of the Concord Mutual Aid System. We know Concord sounds far away, but after careful research we do not believe this to be a problem. Towns as close as Warner and Henniker are part of the Compact and with the addition of a transmitter on Craney Hill in Henniker we feel that communications will be excellent. As part of joining the Concord system we will be required to map out the Town in respect to emergency responses. We will be contacting most of you for help and information regarding your residence or business. Once this mapping is completed you will be notified of any special circumstance you should know about. This mapping will be a great benefit to the Town by increasing the accuracy of emergency response. We believe this mapping will require great amounts of volunteer time and we are looking for any help possible.

As we stated in the 1984 Town report the Department has been busy researching its tanker situation. After many hours of researching what requirements a tanker for the Town of Bradford would need and what apparatus would fill these needs most effectively and economically the Department makes the following recommendation: That the Town purchase an all wheel drive chassis equipped with a diesel engine and automatic transmission for reliability and safety. Install a 1500 gallon tank and portable pump with all necessary hardware. This tank will give us maximum carry capacity with good maneuverability for our area. The need for water during fire suppression efforts has not changed in 100 years, but due to the aggressive system of firefighting today a reliable immediate source of water is needed not only for successful extinguishment but more important for Firefighter safety. We remind you that our present tankers consist of a 1952 military conversion and a 1964 retired Holmes Trucking Co. truck. The department feels this new truck will serve the Town of Bradford's needs for 20 years. We urge your support for this project not only for good fire suppression but more important for Firefighter safety.

Remember: Fire is a lousy way to die.

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Between July 1984 and June 1985, we experienced more forest fires throughout our state than in any year in the last 50. Two of the leading causes of the 1,605 fires were children and fires kindled without written permission of a Forest Fire Warden. Both causes are preventable, but only with *your* help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulations is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest law may be violated, call your Forest Fire Warden.

If you own forest land, you will become responsible for the timber tax payment starting April 1, 1986. This is a change in the Timber Tax Law that will impact all forest landowners. Contact your Board of Selectmen for timber tax forms.

BRADFORD RESCUE SQUAD

In 1985 the Bradford Rescue Squad responded to 130 calls, 116 medical emergencies and 14 motor vehicle accidents.

The new ambulance, in its first full year of operation, continues to live up to our expectations. In the fall of 1985 in conjunction with the fire department, we refurbished the rescue truck (82S1). Put back in service January 1st of this year, it will respond to all motor vehicle accidents and will also respond to medical emergencies if the ambulance should be out of town. It is equipped with enough medical equipment to stabilize a patient while we wait for mutual aid.

Three members of the original Bradford Rescue Squad retired in 1985. Phil Hall, Jean Dineen and Harriett Douglass each put in close to 15 years of volunteer service with the rescue squad. We will miss working with them.

We would like to thank the towns people for their continued support. Anyone interested in helping the squad in any way, especially fund raising, please contact any squad member.

Members as of January 1st. 1986:

Emergency Medical Technicians

Carl Olson - Captain	Gail Olson

SOLID WASTE/RECYCLING COMMITTEE REPORT

The recycling program was begun in 1984 and a portion of the building housing the baler was constructed that year. The program includes removal of cardboard, newspaper, glass and aluminum cans from trash that is dumped into the compactor. Recycling provides a means of reducing the volume and weight of trash presently shipped to Vermont in compactor units and earns revenue for recyclable material that is sold. Reducing the amount of trash is economically beneficial to the Town today and will be even more beneficial in the future as waste disposal costs rise.

Last year's warrant article allocated \$7,000 to extend the recycling building. This fall the building was built by a private contractor. The structure was extended to cover the ram and hopper section of the compactor unit to help keep snow and rain out of the containers. The extension also allows users of the facility, especially during inclement weather, to enter through the enclosed access way, discharge their recyclable items, and dump their trash in the compactor with the protection of a roof over head. Doors have been placed at all openings to provide a means of closing the building to both weather and vandals. Siding now covers the entire structure. The attendant's warming room and office has been relocated and incorporated into the large building. Electrical service to the building and to the compactor has now been permanently installed. Some electrical wiring for lighting and additional light fixtures remains to be installed.

The total \$7,000 allocated plus the grant money received from New Hampshire The Beautiful have been used to construct this project.

In June 1985, Bradford took a major step to ensure acceptable disposal of its solid waste for the foreseeable future. At a special town meeting, voters approved joining 23 other towns and the cities of Concord, Franklin, and Laconia in forming the Concord Regional Solid Waste/Resource Recovery Cooperative. The Cooperative has negotiated an agreement with a private company to construct a \$48 million incinerator to be built off Route 93 north of Concord. Completion is expected in the summer of 1987. Since Bradford now operates a successful transfer station, there will be little change in the way our trash is handled. We will continue to use a compactor, with the transfer taking place to nearby Concord rather than to Vermont. The cost to the Town will be its pro rata share of the Cooperative expenses, a charge to haul the waste to the facility, and a tipping fee that includes the Town's share of facility costs, a per ton charge for Bradford waste plus any costs incurred if the tonnage is more than a guaranteed maximum amount.

Based on an estimate of waste generated by the Town, Bradford made a

commitment to send a minimum of 510 tons per year for the next 20 years. There is a built in increase of 20% allowed over the 20 year period. Given the rapid growth in the population in the region, it will be very difficult to stay within this 20% unless all recyclable material is removed from the compactor prior to shipment.

How did we do in our first year of active recycling? For the twelve months ending November 1985, Bradford shipped 526 tons to Vermont and recycled approximately 40 tons of glass, aluminum, cardboard, and newspaper. From this, the Town earned \$883 and saved an additional \$870 that it would have paid to ship the waste to Vermont. The 40 tons represents about 30% of the material that could be removed, ranging from 60% of the cardboard to only 20% of the glass. It is a good start, but increased participation is needed to keep the amount of waste within affordable limits. Glass is an especially heavy item in the trash and has not been separated out as carefully as the other materials. Whether you bring your rubbish to the transfer station yourself or engage a commercial hauler to pick it up for you. **Please** separate your glass, newspaper, cardboard, and aluminum, and encourage your friends and neighbors to do the same. Every ton of waste not put in the compactor currently saves \$21.00/ton in shipping and disposal costs and can earn more when it is sold. This is important now and will be even more so when the Solid Waste/Resource Recovery Cooperative begins its operation.

Respectfully submitted,

CHARLES HIRSHBERG, Chairman

HEALTH PROMOTION PROGRAMS

Adult and Child Home Visits	68
Adult and Child Clinic Visits	205

With your help, Kearsarge VNA can continue to provide cost effective health care in the home, allowing for shortened hospital stays and the prevention of unnecessary nursing home admissions.

Thank you for your support and confidence in our organization.

Robin Gallup, RN
Co-Director

Tanya Wilkie, RN

Your town representatives on our Board of Directors are:

Mrs. Louise Signorino

Mr. Robert Bell

BRADFORD PLANNING BOARD

The Planning Board met this year on the second and fourth Tuesdays of the month except for July and August and on some dates when the weather and road conditions made it expedient to cancel.

Two Lot Line Adjustments were approved and three Subdivisions were granted this year.

Other residents approached the Board for information relative to subdivisions which they contemplated. The Board welcomes these opportunities to provide citizens with the rules and regulations appertaining to this process. In this way explanations can be given before expensive surveying and map preparing are done.

Work has not been completed on the State mandated Master Plan, since care is taken to make it most appropriate.

During the year resignations were accepted with regret from Delbert Harris and Richard Messer. Appointed to fill the vacancies were R. Conrad Szymkowicz and Charles Hirshberg.

Respectfully,

CARDON RUCHTI, Chairman
EDYTHE L. CRAIG, Secretary
MARY SMITH
DONALD HAMBRECHT
R. CONRAD SZYMKOWICZ
CHARLES HIRSHBERG
KENNETH BROWN, Selectmen

CONSERVATION COMMISSION REPORT

In 1985 instead of trees we planted 10 purple lilacs at various locations in the village.

The 4H Club helped in the annual clean up at French's Park also Mr. and Mrs. Franklin Sheehan. As usual the Sunapee Skin Divers assisted.

The shrubs were fertilized and trimmed. Merrimack Farm & Country Store donated the fertilizer and also planted and cared for the plants in the old water tower base.

Again the picnic table was placed near the entrance of the Bradford Pines. The State loaned us a basket and Clarence Wheeler took care of rubbish removal.

Several members of the commission toured the town forest. An inventory of the forest has been taken by the foresters of the State Division of Forests and Lands. We will soon receive their written report.

Vic Wandres resigned because of illness in the family. We shall miss him. We are fortunate to have Dick Whall join us.

Tillie Wheeler, Dick Whall and Leonard Sargent attended the State Annual Meeting in Concord.

The Fitness Trail was mowed and the bushes cut back.

Signs to identify plants in the Bog are in the making.

The large shrub which obscured the stone at Lafayette Square was removed and two small yews planted. More is planned in the spring to beautify this spot.

Plans are being made for the Bicentennial. There will be some sort of planting to commemorate the event.

BRADFORD HISTORY COMMITTEE

This committee has been together only twice this year but in touch by telephone frequently. It continues to keep current happenings and pictures which are added to the albums which now number over seventy.

The committee welcomes items and pictures of current events and particularly those of earlier years which you might find in sorting papers to throw away.

The Bicentennial Quilt committee which was formed out of the History committee, reports:

The Quilt Committee has had a very busy and exciting year as our project has gone from planning to construction. The many subject suggestions were narrowed to the final 36 that we feel best represent the Town's 200 year history. In April a group of 31 stitchers began the task of bringing these scenes to life. Many dedicated hours have gone into these finished blocks. Now another group of quilters will spend the early months of 1986 sashing and hand quilting in a design taken from the stenciling in the Eldred Keays house.

SHIRLEY WESTERBERG SCRIBNER
Project Historian

The Bradford Historical Society has accomplished many renovations to the Old Post Office as well as landscaping the grounds under the leadership of its new president, Bernard D. Lamach. It welcomes your \$5.00 memberships and your attendance at any of its meetings, the fourth Wednesday of each month.

The sale of 29 town histories has returned to the town treasurer \$512.

Have you filled out a genealogy blank for your family?

1987 BICENTENNIAL CORE COMMITTEE

The 1987 Bicentennial Core Committee was named late in the year after the Board of Selectmen called residents to come to two meetings. Members of the Bradford History Committee and the Bradford Historical Society urged the formation of this group with only one year to plan events to celebrate the town's incorporation of September 27, 1787.

Richard Whall, Vice President of the Bradford Historical Society, agreed to be Chairman with Elizabeth Cilley, member of the Bradford History Committee, as Co-chairman. Deborah Lamach, President of the Bradford Women's Club, serves as Secretary, and Lillian Frey, former town treasurer, is Treasurer. Two native sons of Bradford complete the committee: Vernon F. Hall and Robert A. Moore. John Pfeifle is the Selectmen's representative to this committee.

Biweekly meetings have been held to list possible activities for the bicentennial year. The Committee is open to suggestions and seeks volunteers to carry out each project.

They have conferred with chairmen of similar celebrations in Pittsfield and Sutton, and have distributed a tentative schedule of events to town organizations. A contest for a logo for the celebration is planned for early 1986, and following some planned public meetings, a schedule of events will be announced.

Look for more information at the March 11 and 12, 1986 voting and Town Meeting days.

Respectfully submitted,

Bradford Bicentennial Core Committee
RICHARD S. WHALL, Chairman
ELIZABETH A. CILLEY, Co-Chairman
LILLIAN S. FREY, Treasurer
DEBORAH A. LAMACH, Secretary

BRADFORD CO-OP PRESCHOOL AND KINDERGARTEN

The Bradford Co-Op Preschool and kindergarten is a Non-profit organization which consists of a group of concerned parents who are sincerely interested in providing an excellent socialization and learning experience for 4 and 5 year olds, in order to have an easier transition into further education. We began this year with 15 kindergarten and 8 preschool children. This year we had to hire an aide for the kindergarten because the State Law requires this if there are more than eight children per class you are required to have an aide present.

We are pleased to have Judith Marshall as our aide this year. Cynthia Bunn our excellent teacher is with us for her fourth year. During these four years she has provided the children and parents with an enriching educational experience through her skill, fresh ideas and dedication.

We try to provide this experience at the most reasonable cost possible so that as many interested families as possible can benefit. This is achieved through our fund raisers and tuition. We would like to thank the town for the use of the Kindergarten room that makes it possible for us to have this educational experience for our children.

The annual budget for 85-86 is \$11,600. Under the direction of our fundraising chairperson, JoAnn Looney we have raised approximately \$2,950 to date through a number of successful fundraising projects such as: the annual pig roast and chicken barbecue, a raffle, a booth at the fourth of July Fair, a booth at the Women's Club Fair, a Christmas Crafts Fair, a Baked Ham and Bean supper and Town Election dinners.

These funds and tuitions are used for the salaries for our teacher and the aide. They are also used to purchase equipment and learning aids for the classroom, they also provide field trip experiences for the students.

We are very grateful to the townspeople of Bradford for its continued support of our efforts to provide this experience for the children of the town.

MARLENE L. FREYLER
President

**1985 SUMMARY OF SERVICES PROVIDED TO BRADFORD RESIDENTS BY THE
KEARSARGE VALLEY AREA CENTER BELKNAP-MERRIMACK COMMUNITY ACTION PROGRAM**

SERVICES	Units of Service	# of Households/Persons	Value

- Article 4 Voted to authorize the selectmen to apply for, accept and expend, without further action by the Town Meeting, money from the State, Federal or other government unit or a private source which may become available during the fiscal year.
- Article 5 To see if the Town will vote to accept monies received for the establishment of Trust Funds during the year since last Town meeting. Voted to accept.
- Article 6 Voted to accept \$44,101.33 from the State Highway Block Grant. \$20,000 to be spent on the construction and reconstruction of Class V roads. The balance (\$24,101.33) to be used to offset the General Expense of the Highway Department.
- Article 7 Voted to retain the unexpended portion of the Conservations Commissions 1986 appropriation in the Special Conservation Fund established in 1977 under the provisions of RSA 31:112 (II).
- Article 8 Voted to authorize the expenditure of \$18,816.00 from Federal Revenue Sharing Funds to cover part of the cost of removal of garbage from disposal area. (Recommended by the Budget Committee).
- Article 9 To see if the Town will vote to raise and appropriate (\$2,000) amended to \$2,500 to cover the cost of fireworks display, police protection and public liability insurance for the Town's July Fourth Community Activity. (Recommended by the Budget Committee) Voted as amended.
- Article 10 To see if the Town will vote to oppose the burial, storage, transportation and production of high level radioactive waste in the Town of Bradford and State of New Hampshire; and to call upon Congress to conduct an independent investigation with full public participation into the feasibility and prudence of the US Department of Energy's (DOE's) present plan to dispose of radioactive waste and into DOE's competence to carry out such a plan. Submitted by Petition

An amendment to delete the words "transportation and production" was defeated by a show of hands, 184 to 45.

Voted in the affirmative as in warrant.

Article 11 To see if the town will vote to raise and appropriate the sum of \$5,335.00 to be contributed to an area-wide task force to oppose the burial, storage, transportation and production of high level radioactive waste in the Town of Bradford, State of New Hampshire; and to call upon Congress to conduct an independent investigation with full public participation into the feasibility and prudence of the U.S. Department of Energy's (DOE's) present plan to dispose of radioactive waste and into DOE's competence to carryout such a plan. By petition. An amendment was introduced to read:

To see if the Town will vote to raise and appropriate the sum of \$2,000 to be used by the Town of Bradford to oppose the burial, storage, transportation and production of high level radioactive waste in the Town of Bradford and State of New Hampshire; and to call upon Congress to conduct an independent investigation with full public participation into the feasibility and prudence of the U.S. Department of Energy's (DOE's) present plan to dispose of radioactive waste and into DOE's competence to carry out such a plan.

This amendment was defeated 76 nay votes, 67 yea votes. A second amendment was introduced: To see if the Town will raise and appropriate the sum of \$2,500.00 to oppose the burial of high level radioactive waste in the Town of Bradford and surrounding towns.

The amendment passed. The article as amended passed.

A true copy of record. Attest:

ELIZABETH A. CILLEY

Town Clerk

SELECTMEN'S COMMENTARY

The Town spent countless hours, tremendous effort, and a lot of money to meet our ongoing community needs and prepare a format for the continued success of Bradford. As with any organization, group, or family, we have had to maintain everyday needs, deal with ongoing issues, and address new problems...opportunities.

One factor had influenced almost every issue we have dealt with during 1986, is evident in the 1987 budget and will effect the future direction of Bradford... **GROWTH!**

The Board is concerned that the average citizen is unaware of the pressures we see each week:

- A continuous stream of land developers asking questions about Bradford land use regulations, or pointing to the lack thereof.
- Additional student population.
- Questions about our road network, including legal actions regarding Bradford Class VI roads.
- A steady increase of State regulations, forms, requirements, reports, etc.
- A need for more police and fire protection.
- Solid waste tonnage growing in leaps and bounds over past projections.
- An increased flow of transient residents pressing our welfare programs and funds.
- Additional use/need of our library, parks, road maintenance, town buildings, rescue squad, and support systems.
- Unbelievable time demands upon the Town Office and Personnel.

Bradford is a nice place to live, work, play, and raise a family; the very atmosphere we have worked hard to create/preserve is now attracting others. In the last decade New Hampshire has experienced tremendous growth pressure in the Southern tier...it has now reached Bradford! The 1987 Budget addresses these realities; the increases include:

Town Officers' Expenses: The \$5,600 increase is to add office personnel to handle the additional workload...more State forms, checks to be cut, records to keep, questions to be fielded and answered, land transfers to be recorded (8 years ago we would average 10 to 15 transfers per year; last year there were over 120!), tax records to be changed, etc...

Police Department: Over the years Bradford has indicated that we want to have a local response to any problem; the sheer volume of activity does not allow one full time employee to handle all the police needs of the community. Marvin has done a great job, but needs additional full time help. The \$8,000 increase will allow the department to hire a full time deputy, other part time budgets had to be trimmed to keep the increase to a minimum.

Solid Waste: Despite additional re-cycling activity, our tonnage was 11% over the estimated volume. More garbage equates to additional pickups and landfill charges. We budgeted for continued growth plus a slight increase in contractor costs. The "Concord Regional Solid Waste/Resource Recovery Cooperative" has suffered some delays and will not be a factor in 1987. We must concentrate on recycling as our tonnage now exceeds our commitment to the cooperative.

Fire Department: Each call adds to the wear and tear of the department's hose, protective clothing, and equipment...increases in these internal budgets represent \$2,800 of the \$3,000 increase.

The above four departmental increases represent 67% of the operating budget increase; increased insurance costs add \$9,875 or 22%, with the balance of the operating increases spread over the other departments.

Our debt service costs are up as we pay the first of seven principal payments for the tanker we purchased last year plus the associated interest.

Capital requirements include continued support of the 1987 Bicentennial Celebration Committee and the Bradford Rescue Squad insurance. Looking down the road we see that our preannual \$10,000 contribution to the Capital Reserve Fund is not keeping pace with major equipment costs and, therefore, ask that it be increased to \$20,000. Two requests are aimed at prolonging expensive equipment's life... the fire pumper and town grader. Finally, we hope to add a smaller four wheel drive plow truck to take the bucket loader off a route in the winter and allow us to continue to use the International without having to spend enormous repair costs on an older vehicle.

In 1986 the Planning Board adopted the Town Master Plan after countless

volunteer hours of data gathering, writing...re-writing, public hearings, and final presentations to the Town. The Zoning Ordinance presented in this year's warrant gives the Town the tool to ensure that the goals set forth in the Master Plan are met. No Zoning Ordinance can be everything to everyone; compromises must be accepted to allow the Town to retain its character. As previously stated, "growth" is here knocking on our door, and it is not about to go away. The choice is ours...either we control it or it will take over every aspect of the Town.

1987 is Bradford's two-hundredth year as an incorporated Town. The Bicentennial Committee has done a great job organizing the events to celebrate this wonderful year. Please support their efforts...we send our best wishes.

Bradford is what we make it...thanks to all of you who have helped this past year.

BICENTENNIAL CORE COMMITTEE

The Bicentennial Core Committee has met at least monthly this past year and has held three general meetings open to anyone interested in participating in our Bicentennial Year.

A contest for a logo was held and the winning design was done by Jane Herbert with Laurie Sweet Brown's design of the Town Hall as runnerup.

A bulletin board for Bicentennial events was built and placed on the North wall of the Bradford IGA. Our thanks goes to volunteers Art Doten and Bob Moore; also the IGA for allowing us to erect the board and the R.L. Dodge Co. for supplies.

Two fund raisers were held in 1986; Bob Burdette volunteered his services and those of his crew for a successful auction despite the rain on July 5, and a mailing was made in late fall requesting donations.

The Recollection Committee's booklet "Looking Back" has been published and very well received. Copies are available at local businesses.

A program booklet detailing the events of the 1987 Bicentennial Year will be available after the first of the year. The proposed program includes the traditional events of the year plus events that used to be traditional such as the Winter Carnival and the Memorial Day celebration.

The Conservation Commission and the Sunapee Lake Grange are involved in a beautification project at the corner of Main Street and Route 103.

The Bicentennial Core Committee wishes to thank all of the individuals and organizations for their support of these activities. We hope that the Bicentennial Year will be one to be enjoyed and remembered by all.

Respectfully submitted,

BICENTENNIAL CORE COMMITTEE

RICHARD E. WHALL, Chairman

ELIZABETH A. CILLEY, Co-Chairman

VERNON F. HALL

ROBERT A. MOORE

LILLIAN S. FREY, Treasurer

DEBORAH A. LAMACH, Secretary

CONCORD REGIONAL SOLID WASTE/ RESOURCE RECOVERY COOPERATIVE

January, 1987

Member Municipalities

Allenstown	Canterbury	Henniker	Pembroke
Andover	Concord	Hill	Salisbury
Belmont	Deering	Hillsborough	Tilton
Boscawen	Dunbarton	Hopkinton	Warner
Bow	Franklin	Laconia	Weare
Bradford	Gilford	Loudon	Webster
Bristol	Gilmanton	Northfield	

In the past year, the Cooperative has been working with Signal Environmental Systems in monitoring and assisting the effort of permitting for the proposed resource recovery facility in Concord. The project requires obtaining over twenty-five local, state and federal permits and approvals. At present, two permits are outstanding and these are expected to be granted in 1987.

In December, 1986, the NH Supreme Court ruled on an appeal by Public Service of New Hampshire of the project's power rate filing determined by the Public Utilities Commission. The court ruling confirmed the PUC procedures, allowing the resource recovery project to proceed.

In 1987, it is anticipated that the permitting will be completed, the project will be permanently financed, and construction of the 500 ton per day refuse to energy facility will be initiated.

CONSERVATION COMMISSION REPORT

In 1986 instead of our usual tree planting project we started our Bicentennial project which is making a park at the corner of Main Street and Route 103. We made a raised bed for plantings, using treated six by sixes. Dave Pickman donated the loam to fill it, John Mock sold the material at cost. Volunteers did the work. The State is putting up a new fence in the spring. The Merrimack County Telephone Company donated the telephone poles for bumpers. We are continuing this project in 1987.

The annual clean up was held at French's Park. The Sunapee Skin Divers assisted, also, the 4H Club.

Again the picnic table was placed near the entrance to the Bradford Pines. The State loaned us the basket and Clarence Wheeler took care of the rubbish removal.

The shrubs near the Merrimack Farm & Country Store were trimmed and fertilized.

The Fitness Trail was maintained.

Tille Wheeler, Dick Whall and Leonard Sargent attended the State Annual Meeting.

Sonny Harris has volunteered to aid us in updating the Bog.

The field work on our Town Forest has been completed. It is judged to be an attractive piece of land with great potential.

We have many plans for 1987.

RICHARD WHALL

REPORT OF THE BRADFORD FIRE DEPARTMENT

We would like to take this opportunity to Thank the Town for the support of the new Tanker project. Many hours of investigation and planning by the Department has resulted in purchasing a Tanker that will serve the Town in years to come.

The switch to Capitol Area Dispatch System went well. Again as a result of many hours of planning. The Town is benefiting by a much improved dispatch. The system is manned 24 hours a day by professional dispatchers who provide us with automatic assistance as needed.

Due to extremely wet weather this past summer the rearing pool project was not started. Arrangements have been made with a contractor to start the work in the spring. Weather permitting.

1986 has been a busy year for the Department and a large amount of volunteer help by its members has allowed us to keep up.

The Department has spent a large amount of time working with local business people and the school district making sure that they meet local and State Fire codes if applicable. Fire prevention programs were run at the Bradford Elementary School and both Pre and Kindergarten. We all feel good about this program in hopes the children will learn more about Fire safety. We would also like to remind you if you own a business (apartments, hotels, places of assembly, etc.) it is your responsibility that the establishment meets all State and local Fire codes. If you have questions about codes we urge you to contact the Department. Ignorance of the Fire laws is not a valid excuse if you are caught in an unfortunate circumstance.

As always a good deal of time was spent on training to improve Fire suppression and Fire safety techniques. We are very proud to have 5 members complete the State of New Hampshire Certified FireFighter Level I course this year. The course is administrated by the State Fire Training and Standards Commission.

This year in a warrant article we are asking for money for repairs on Engine 4. Even though this truck is only 6 years old it has seen very active service. The truck is showing severe signs of rust and corrosion. We are planning to repair current rust problems and also have work done to minimize future problems. Due to the importance of this truck to the Town Fire protection and replacement costs of Fire trucks today we urge your support for this project.

Some of the projects we hope to work on in the future are improved access to

water sites and hazardous material incident handling. As always we urge your input for these projects.

We responded to 5 major structure Fires within our immediate area and have seen several serious civilian burn injuries and one death caused by Fire. This increase in death and injury in our area disturbs all of us. We urge you to practice Fire safety in your home and remember we are always available to help where Fire safety questions arise.

REMEMBER: SMOKE DETECTORS SAVE LIVES

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Between July 1985 and June 1986, we experienced fewer fires than normal. The two leading causes of forest fires were again children and fires kindled without written permission of a Forest Fire Warden. Both causes are preventable, but only with **your** help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulation is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest law may be violated, call your Forest Fire Warden.

If you own forest land, you became responsible for the timber tax payment starting April 1, 1986. This is a change in the Timber Tax Law that will impact all forest landowners. Contact your Board of Selectmen for timber tax forms.

Forest Fire Statistics - 1986

WARDEN ROGER S. ORDWAY
RICHARD CHASE
State Forest Ranger

HEALTH OFFICER'S REPORT

During the past year there have been fourteen new septic systems approved for operation in town. In addition ten systems have been approved for construction plus a backlog of nine issued in 1985. These figures continue the increase in building activity in town reflected in last years report.

This past summer there were a number of complaints of conditions at the Casino. Several violations were found and a letter ordering their correction was written. The property has since changed hands and there is a possibility that there will be a change in use. Several wells were tested for possible pollution.

A health ordinance suitable for a small town has been submitted to the Selectmen for their consideration. It has also been suggested that funds be appropriated for further testing of water quality as a follow-up of the project undertaken about ten years ago.

Complaints of dog attacks were followed up with the cooperation of the New London Hospital, Town Clerk and the Bradford Police Department.

Testimony at the nuclear repository hearings was given as Health Officer and as a member of the General Court. A letter in opposition was also sent to their office in Illinois prior to the hearings.

Respectfully submitted,

JAMES V. BIBBO, JR.
Health Officer

BRADFORD HISTORY COMMITTEE

The history committee in the loss of its long-time devoted member, Doris Sargent, feels greatly diminished in its accomplishments.

It has been reporting to the town annually for the past sixteen years, and still has two of its original members, Mrs. Moore and Mrs. Cilley. It would welcome additional members. Lucille Sherette, although a resident of Newbury has given several hours to organizing clippings in the albums.

A project of the Bicentennial year is to make a pictorial record of the Town in 1987.

Sales of the Bradford History, "Two Hundred Plus" have doubled over those of the last few years. Mrs. Cilley, agent for the Town, has turned over \$923.50 to the treasurer for the sale of 54 books.

The more than 30 cases, 16 books each, were found to have been damaged by water or dampness in the vault of a Warner bank and had to be brought to Bradford. Ray and Allene Hamilton assisted in checking and cleaning each book and several will require new bindings.

The committee furnished the history and pictures for the 1987 telephone directory of the Merrimack County Telephone Co.

The committee for the Bicentennial Quilt invited the "stitchers" to a private showing of the finished quilt. Robert Sherette, the official photographer for the Bicentennial, photographed each one with their square. Official presentation is planned during the winter Carnival on February 14, 1987. The quilt will hang in the Town Hall, a copy of their journal will be in the library and the quilt kit is available through the Eastern Star.

The Historical Society, in anticipation of the town's Bicentennial held two seminars relating to the past. They moved their strawberry festival from Sunday to Saturday night. Daffodils were planted on the bank at the Old Post Office to welcome spring in 1987. They plan participation in the bicentennial with the June festival and a September openhouse.

Your membership helps to insure the preservation of the Bradford story in the future.

Please contact any member of the history committee if you are willing to help.

KEARSARGE VISITING NURSE ASSOCIATION 1986 ANNUAL REPORT

The Kearsarge Visiting Nurse Association provides medically necessary home health services to the residents of our 10 town catchment area. KVNA staff is available 24 hours per day, 7 days per week throughout the year. Our compassionate professional staff assist the patient and family with a wide variety of health care needs.

KVNA is proud of its tradition of excellence. We are your non-profit, state licensed, Medicare certified, home health care provider.

Your town appropriations serve as "insurance" that essential nursing and clinic services continue uninterrupted to those residents who are in need of care.

Below are the services provided to your town residents in 1986:

Home Health Care Visits	Number of Visits
Skilled Nursing.....	506
Physical Therapy.....	103
Speech Therapy.....	0
Occupational Therapy.....	14
Medical Social Worker.....	0
Home Health Aide.....	178
Homemaker.....	132
Maternal Child Health Visits	Number of Visits
Skilled Nursing.....	34
Homemaker.....	0
Adult Health Clinics	Number of Visits
Clinic Contacts.....	112
Child Health Clinics	Number of Visits
Clinic Contacts.....	20

Your support and confidence in our organization makes it possible for KVNA to continue to provide cost effective home health care.

ROBIN GALLUP, RN, BSN
Co-Director

TANYA WILKIE, RN, BSN
Co-Director

Your town representatives on KVNA Board of Directors are:

ROBERT BELL

ISABEL SHEEHAN

THE BRADFORD CO-OP PRESCHOOL AND KINDERGARTEN

The CO-OP is a non-profit organization which consists of a group of concerned parents who are sincerely interested in providing an excellent socialization and learning experience for 4 and 5 year olds so that they may have an easier transition into further education. We begin this year with 15 kindergarten and 8 preschool children.

We are pleased to have Judith Marshall with us for her second year as our aide. We are pleased to have Susan Driscoll as our new teacher this year.

We try to provide this experience at the most reasonable cost possible so that as many interested families as possible can benefit. This is achieved through our fund raisers and tuition. We would like to thank the town for the use of the room that makes it possible for us to have this educational experience for our children.

The annual budget for 86-86 is \$10,700.00. Under the direction of our fundraising chair-person, JoAnn Looney, we have raised approximately \$1,300.00 to date through a number of successful fund raising projects.

These funds and tuitions are used for the salaries for our teacher and aide. They are also used to purchase equipment and learning aids for the classroom, they also provide field trip experiences for the students.

We are very grateful to the townspeople of Bradford for its continued support of our efforts to provide this experience for the children of the town.

MARLENE L. FREYLER
President

LIBRARY COMMENTARY

Brown Memorial Library, an important department of greater Bradford, serves Bradford citizens, some of the outlying areas and, as usual, this past year served the pre schoolers and the first three grades of the local elementary school.

Our current bookshelves are replenished often with new titles of interest to Bradford's citizens, we also try to keep our reference section up-to-date. This past year we purchased the new encyclopedia in accordance with state standards and we continue to weed out old books no longer circulated to make room for new ones, a task made difficult by lack of adequate shelf space.

Mrs. Margaret Ainslie continues to do an outstanding job as our librarian and is ably assisted by Mrs. Elsa Weir. We have the volunteer help of Mrs. Barbara McCartney in bringing an outdated catalog system up to standard. This coming fiscal year we will be open an extra three hours one evening a week thus serving people who are unable to come during the day.

Mrs. Ainslie continues to take extension courses offered by the Library Techniques Program from the School of Lifelong Learning. The Baker and Taylor Mum Coop group is used to secure books at a substantial discount. We continue to be among the top in our population class on per capita usage.

We were saddened by the death of two of our patrons, Mrs. Margaret Parente who remembered the library in her will. Memorial donations have also been made in the name of Mrs. Christine Rawson.

Mr. and Mrs. Thorkild Jacobsen have given us generous donations on a yearly basis for which we are deeply grateful.

The fact that more and more juvenile and young adults use our facility pleases us. An early reader is the backbone of the adult users. When the new elementary school opens, their horizons will be enlarged still more and young, informed citizens will become a part of our adult population.

We wish to thank Bradford for their continued financial support of the library and any suggestions for making the library a better tool for use will be appreciated. Our effectiveness is a direct result of the town's support.

Come in and visit us!

FRANCIS M. WINCH
President

PLANNING BOARD

Bradford's Planning Board was extremely active during 1986. There were four subdivisions, three lot line adjustments, and one consolidation of lots-an average amount from previous years. The planning activity centred around completion and adoption of the Master Plan, an update of the subdivision regulations, and the drafting of a proposed zoning ordinance. The Board had four resignations and replacements and a new Selectmen's representative.

Noting the rapid growth of the surrounding communities and feeling like Bradford is next in line, the Planning Board pushed to draft the Master Plan from all the information gathered by the Natural Resources, Human Resources, and Community Resources Committees. The documents had been prepared quite thoroughly. Dick Perron had been plugging away at the final draft and gave the Board a very organized docket of information from which to complete the task. On July 22, 1986, after a Public Hearing July 7, 1986, the Bradford Master Plan was adopted by the Planning Board.

The Subdivision Regulations consumed the board's summer months. The Master Plan's information about citizen attitudes/lifestyles, groundwater and soil types, etc. became the basis for the revised regulations. It was noted that the lands most suitable for use are connected by the Town's highway system and that there is no identified aquifer to use for Town water nor a Town Sewerage system. Lot sizes were based on the need for individual water and septic systems using the soil types, topography, and the projected types of uses for the specific lands combined with accessibility based on road classification. A Public Hearing was held September 4 and the regulations were adopted September 9, 1986.

Zoning work began after a short breather. The Board used the Master Plan facts to produce a Zoning Ordinance that is before the townspeople for adoption. The diversity of Bradford's residents has generated spirited discussions at the two Public Hearings held to review and revise the document. It is the Board's feeling that we have found the middle of the road with the Zoning Ordinance. Change will happen within our town. Whether it is done according to the whims of the landowners, with or without the resident's input, remains to be seen.

The Planning Board members who resigned during 1986 were the Chairman Cardon Ruchti, Don Hambrecht, Charles Hirshberg, and Mary Smith. Ken Brown, the Selectman's representative also resigned and was replaced by Stanley Brown. The Board wishes to extend our thanks and gratitude for the time given to the Town during the years on the Board. The new members are

Carol Conforti-Adams, Thomas Riley, Perry Teele and Brooks McCandlish. Dr. Edythe Craig is the Secretary and senior member and Conrad Szymkowicz is the present chairman.

BRADFORD PLANNING BOARD

REPORT OF THE BRADFORD POLICE DEPARTMENT

The prime responsibility of your Police Department is to provide public safety for its citizens. If we do not feel safe in our homes the quality of life is affected and the foundation of a democratic society is threatened. In order to insure this public safety our community must realize that we are at the crossroads with relation to police protection. Since assuming the position of Chief of Police, almost ten years ago, our reported incidents have jumped from 616 to this year's total of 1137 and our arrests from 25 to 116. The work load has been absorbed without any increase in manpower. In order to retain and provide public safety I have submitted a request for an increase in my budget to provide another full time man. With the increase of arrests, more court appearances were necessary and our paper work increased to a point which hindered our normal patrols. With the acquisition of another full time man, we hope to provide full coverage as in the past.

I feel that it is essential that the public has access to the police at all times, 24 hours a day, 365 days a year. It is with this in mind that I respectfully present this year's budget, along with my annual report. We assure you that our efforts through proper law enforcement will enable us to retain our feeling of security and keep Bradford a safe place to live.

Respectfully submitted,
MARVIN RICH
Chief of Police

BRADFORD RESCUE SQUAD

The Bradford Rescue Squad responded to 145 emergencies in 1986. 125 of these calls were medical emergencies, and 20 were motor vehicle accidents.

We tried something new this year and held our annual auction on a Thursday evening in August preceded by a Bar-B-Que. This proved to be a wise decision for the Auction was a big success.

Other fund raising focused on the Rescue Truck which is owned jointly by the Fire Department and Rescue Squad. We held two Spaghetti Suppers at the Appleseed Inn during the year - both were well attended and proceeds have been used to buy more equipment for the Rescue Truck.

The Bradford Rescue Squad Auxiliary is alive and well and was a great help to us this year in our fund raising endeavors.

The Rescue Squad and Auxiliary are always seeking new volunteers. Anyone interested in joining us, please contact any present member.

We wish to sincerely thank the townspeople for your continued support of our squad. We look forward to Bradford's Bi-centennial year and hope to participate in many of the activities and celebrations.

Happy 200th Birthday, Bradford!

REPORT OF THE ROAD AGENT

In June of 1986 I replaced Phillips Byfield as Road Agent.

During the summer the Highway Department worked on several projects in addition to regular road maintenance. Reconstruction was done on several dirt roads, including tree removal, replacement of culverts, installation of new culverts and graveling.

Preparations were made for paving projects on E. Washington Road and a skating rink; but due to the unusually wet spring and summer, these had to be postponed until spring of 1987.

The major project of the summer was beginning the reconstruction of West Road. The project starts at Shattuck's Corner and continues approximately 1.375 miles to Box Corner. Pike Industries was hired to come out and recycle old pavement (to be used as base for new road). Preparations are being made so that partial paving can be started in spring 1987.

This winter's snowfall was more than in recent years and consequently caused more expense (i.e., equipment repairs and having to hire private contractors to assist in plowing roads).

I apologize for any inconveniences which may have occurred due to road repairs and/or conditions.

Respectfully submitted,

ROBERT A. PATTEN
Road Agent

SOLID WASTE/RECYCLING COMMITTEE REPORT

1986 has been a year of problems and changes in Bradford's solid waste disposal efforts.

Last spring, the scrap metal pile got out of control when salvageable materials were co-mingled with worthless items. The cost to Bradford was \$3,000 to haul the pile away. Information has since been gathered on the proper sorting of materials for our best advantage. Please check with the attendant and follow his directions for proper placement.

The total year's deposits in the hopper were 593 tons of waste which were hauled away at a cost to us of \$58 per ton! This is an increase of 70 tons over 1985 and 80 tons over the amount Bradford is scheduled to ship to Concord once the Regional Solid Waste Cooperative Facility is in operation. (See Annual Report for the Concord Regional Cooperative).

One prime item which could cut this total down is glass. If more of the 100 tons of waste glass generated by Town residents each year is separated into the containers rather than the hopper, our total waste can be substantially decreased. Again, ask the attendant for assistance if you are uncertain as to what materials can be recycled and where they should be put.

The Committee has just completed a review of the transfer station and is preparing recommendations for improvement. Items under consideration are equipment for material handling, methods of preparing materials for recycling, and changes in hours of operation so that materials that cannot be deposited in the hopper (scrap metal, tires, construction materials) can be disposed of under the attendant's supervision.

Changes in personnel were experienced both in the operation of the site, in the Committee, and in the Highway Department, all of whose help is so important to the smooth running of the facility. At the end of the year, Charles Hirshberg, Chairman for several years, moved from Bradford. Charlie's many hours of work and helpful ideas will be sorely missed. We wish him and his family the best in their new community.

The Committee would welcome any new members willing to contribute time and thought to resolve the many remaining problems involved in effectively handling the mountains of rubbish generated by our increasing population.

Please contact a member of this Committee or the Board of Selectmen if you are interested. The area of public education on the means and importance of

recycling is an area where assistance would be most welcome.

Respectfully submitted,
CHARLES HIRSHBERG, Chairman (Resigned)

PHILLIPS J. BYFIELD, III

REPORT OF THE TOWN HALL RESTORATION COMMITTEE

In October 1986, the Board of Selectmen gave official recognition to a group of townspeople, who, inspired by the Town's Bicentennial, had gotten together in their concern for what they perceived as the declining condition of the Town Hall which is listed in the "National Register of Historic Places".

In December 1986, the group made a proposal to the Board of Selectmen, which was approved, to make minor repairs and re-decorate the town hall auditorium. The group was sworn in by the Town Clerk as the Town Hall Restoration Committee, a standing, but at the time, inactive committee of the Town.

Generous contributions have been received for the committee's project from the Bradford Women's Club, Women's Christian Guild and from other interested individuals. We thank them and appreciate the gifts. Three hundred and thirty dollars was released by the selectmen from a previous grant to the Town Hall Restoration Committee. The funds have been used to purchase new shades, paint and materials, much of which has been substantially discounted by R.L. Dodge Company. An additional purchase of fabric and labor for window dressing will be underwritten by the Bicentennial General Fund.

Under the leadership and direction of Dick Whall, volunteers have expended three hundred sixty hours of labor to date on this project. Many more volunteer hours will be needed.

The committee would like to recognize Alec Steere and John Rogers for an excellent job of giving professional suggestions for wall preparation and for their donated labor of painting the high and difficult parts of the auditorium, stairwell and stage area.

We would like to thank Colonial Woodworking for a gift of newly designed steps to replace those in front of the fire escape windows.

The committee is aware that re-decoration and repair alone does not constitute "restoration". Any townspeople or professional interested in extending this project is encouraged to avail themselves to the Town Hall Restoration Committee.

In light of the improvements that have been made, the committee is asking the Town to consider completing this phase of the Town Hall restoration by

appropriating funds to replace the present stage curtain.

Respectfully submitted,

The Town Hall Restoration Committee

Adjourned at 9 p.m. to 7 p.m. March 11, 1987

The 1987 Town Meeting was reconvened in the newly redecorated Town Hall at 7 p.m. March 11, by Moderator Brackett Scheffy, fifth generation grandson of Bradford's first town meeting moderator, John Brown, following their incorporation.

Appropriate ceremonies included the ringing of a bell by Town Crier Franklin (Freddie) Sheehan in colonial garb and the reading of a proclamation for Bradford's 200th town meeting.

Moderator Scheffy noted the rules under which the meeting would be conducted and proceeded to:

Article 3 The following sums of money were raised and appropriated:

Town Officers Salaries	13,000
Town Officers Expenses	35,100
Election & Registration Expenses	1,300
Cemeteries	7,500

- Article 4 Voted to authorize the selectmen to borrow money in anticipation of taxes.
- Article 5 Authorized the selectmen to apply for, accept, and expend without further action by the Town Meeting money from the State, Federal or other government unit or a private source which becomes available during the fiscal year.
- Article 6 Voted to accept monies received for the establishment of Trust Funds during the year since last Town Meeting.
- Article 7 Voted to accept \$50,126.00 from the State Highway Block Grant; \$20,000 to be spent on the construction and reconstruction of Class V roads. The balance, \$30,000 to be used to offset the General Expense of the Highway Department.

- Article 8** Motion carried to retain the unexpended balance of the Conservation Commission's 1986 appropriation in the Special Conservation Fund established in 1977 under the provisions of RSA 36A-5.
- Article 9** A motion to remove the words "police protection" and increase to \$3,500 was passed. The amended article passed: To raise and appropriate the sum of \$3,500 to cover the cost of a fireworks display and public liability insurance for the Town's Fourth of July Community Activity (Original \$2,500 recommended by budget committee).
- Article 10** Voted to raise and appropriate the sum of \$1,500 toward the cost of the Town's Bicentennial Celebration in 1987. Recommended by budget committee. Error in warrant figure used from budget.
- Article 11** Voted to raise and appropriate the sum of \$1,000 to cover the cost of additional police protection necessitated by the Town's Bicentennial Celebration in 1987. Recommended.
- Article 12** To see if the Town will raise and appropriate the sum of \$52,000 or the purpose of a new four-wheel-drive highway truck equipped with front-end angle plow and sander. To be paid in serial notes of \$15,000, \$15,000 and \$10,000, the balance to be raised by taxation in 1987. Recommended by budget committee, a hand count by supervisors of 106. Yes 76 No 36. Moderator declared it an affirmative vote.
- Article 13** Voted to raise and appropriate \$2,500 to defray cost of the Bradford Rescue Squad's ambulance insurance coverage. Recommended. Selectmen noted this would become part of insurance budget figure in future.
- Article 14** Motion to raise and appropriate \$5,500 for repairs to the 1980 fire engine pumper, carried. Recommended.
- Article 15** Voted to raise and appropriate the sum of \$11,000 to repair highway department grader. Recommended.
- Article 16** Motion to raise and appropriate \$1,500 for repairs (basement) of Brown Memorial Library was carried. Recommended.
- Article 17** To see if the Town will vote to adopt the BOCA Basic Building code as amended, as established by the Building Officials and Code Administrators International, Inc. pursuant to RSA 674:52 excepting penalty clauses. Following a lengthy discussion pro and con, the motion carried.

- Article 18 Voted \$1,200 be donated to the Town Hall Restoration Committee fund specifically for the purchase of a new fire retardant curtain for the stage in the Town Hall auditorium. by petition-Recommended. Noted were the 100's of volunteer hours given to the restoration to date.
- Article 19 By petition-Not recommended by budget. To see if the Town will vote to raise and appropriate the sum of \$500.00 to assist in covering a portion of the cost of operating and to help meet the cost of the yearly usage fee incurred from the use of the Community Action Program's building in Warner for the Kearsarge Children's Center Inc., a licensed, non-profit childcare facility. Explained that tuition is \$3,000 and cost per pupil \$5,000. Difference made up by contributions. Voted in affirmative -hand count by supervisors. Yes 67 No 35 - Totaled 102.
- Article 20 The following proposed amendment was proposed and voted in place of the warrant article. In accordance with the provisions of RSA 673, the members of the Planning Board of the Town of Bradford shall be elected by a majority vote at the Town Meeting and shall consist of seven (7) members. The selectmen shall choose one selectman as an ex-officio member of the planning board and the remaining planning board positions shall be filled at the next regular town meeting by official ballot pursuant to RSA 669:17. Threafter, all planning board members shall be elected for the term provided under RSA 73:5, II. Prior to the next regular town election, any vacancies on the board shall be filled by appointment, by the selectmen.
- Article 21 An amendment to eliminate the words "Seabrook nuclear waste" leaving "no nuclear waste" was made and passed. The article as passed read: Voted to instruct the Town's representatives to the general court to take all necessary measures to insure that no low level radioactive waste shall be stored or disposed of within this Town of Bradford unless and until the proposed storage or disposal has been approved by the voters of the Town at the Annual Town Meeting by written ballot. (By petition)
- Article 22 To see if the Town will vote to authorize the Selectmen to sell Town owned property acquired by Tax Collector's Deed. Affirmative vote.
- Article 23 Voted to accept the reports of Town Officers.
- Article 24 No business transacted.

Adjourned at 10:30 p.m.

ELIZABETH A. CILLEY
Town Clerk

TOWN WARRANT

State of New Hampshire

The Polls will be open from 12:00 noon to 7:00 P.M. March 8, 1988.

To the inhabitants of the Town of Bradford in the County of Merrimack in said State qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Bradford on Tuesday, the eighth of March next, at twelve o'clock noon to act on the following Articles:

1. To choose all necessary Town Officials for the ensuing year.
2. To vote on Bradford zoning ordinance.
3. To vote on Proposed Flood Plain Management ordinance.
4. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same. To adjourn the meeting until Wednesday, March ninth at 7:00 o'clock in the evening: the raising of money and other articles in the Warrant to be taken up at adjourned meeting.
5. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.
6. To see if the Town will vote to authorize the Selectmen to apply for, accept and expend, without further action by the Town Meeting, money from the State, Federal or other government unit or a private source which becomes available during the fiscal year.
7. To see if the Town will vote to accept monies received for the establishment of Trust Funds during the year since last Town Meeting.
8. To see if the Town will vote to accept \$51,439.00 from the State Highway Block Grant to be spent on the construction and reconstruction of Class V roads.
9. To see if the Town will vote to retain the unexpended portion of the Conservation Commission's 1987 appropriation in the Special Conservation Fund established in 1977 under the provisions of RSA 36-A:5.

10. To see if the Town will raise and appropriate the sum of \$2,000.00 for the purchase by the Police Department of two pager radio units. (Recommended by the Budget Committee)
11. To see if the Town will raise and appropriate the sum of \$13,500.00 for the purchase of a Tractor and attachments for the use of the Highway Department. (Recommended by the Budget Committee)
12. To see if the Town will raise and appropriate the sum of \$5,500.00 for the purchase of a highway sander for the use of the Highway Department. (Recommended by the Budget Committee)
13. To see if the Town will raise and appropriate the sum of \$16,000.00 for the purchase of a loader and attachments for use at the Dump. (Recommended by the Budget Committee)
14. To see if the Town will raise and appropriate the sum of \$500.00 to assist in covering a portion of the operating expenses of the Bradford Cooperative Kindergarten. (Recommended by the Budget Committee)
15. To see if the Town will authorize the establishment of a Capital Reserve Fund (pursuant to RSA 35) for the future revaluation of the Town and to raise and appropriate the sum of \$20,000.00 toward this purpose, and appoint the Selectmen as agents to administer the fund. (Majority vote required) (Recommended by the Budget Committee)
16. To see if the Town will vote to change the purpose of the existing Equipment Capital Reserve Fund to a Highway Department Heavy Equipment Capital Reserve Fund ($\frac{2}{3}$ vote required) (Recommended by the Budget Committee)
17. To see if the Town will vote to establish a Fire Department Heavy Equipment Capital Reserve Fund under the provisions of RSA 35 II, for the purpose of acquisition of Heavy Equipment for the Fire Department, and to raise and appropriate the sum of \$20,000.00 to be placed in this fund. (Majority vote required) (Recommended by the Budget Committee)
18. To see if the Town will ratify and approve the fee schedule set by the Selectmen for implementation of the Building Code adopted by the Town at the 1987 Town Meeting. (Majority vote required)
19. Shall the Town adopt the provisions of RSA 80:58-86 for a real estate tax lien procedure? These statutes provide that tax sales to private individuals for nonpayment of property taxes on real estate are

replaced with a real estate tax lien procedure under which only a municipality or county where the property is located or the state may acquire a tax lien against land and buildings for unpaid taxes.

20. To see if the Town will approve each of the 1987 amendments to Town Ordinances presented at the February 10, 1988 Public Hearing.
 - A) Ordinance relating to Public Dances, Carnivals and Circuses
 - B) Ordinance relating to sale of Cemetery Lots and setting Bounds therein.
 - C) Ordinance regulating Parking on Public Highways in the Town.
 - D) Ordinance regulating the use of French's Park.
21. That the Town of Bradford provide snow removal services and plow that section of Cheney Hill Road from the intersection with Center Road at the property of Stebbins, formerly of Jay George, south to the property of David Duren. (By petition)
22. That the Town of Bradford provide snow removal services and plow that section of Cheney Hill Road lying between the two points where it intersects with Center Road, specifically that section of Cheney Hill Road which lies between the property of Spafford at the Southern end and the property of Stebbins at the Northern end of said Cheney Hill Road. (By petition)
23. To see if the Town will vote to raise and appropriate \$500.00 to assist in covering the yearly facility usage fee that the Kearsarge Children's Center, Inc. is requested to pay to the landlord for providing them with safe, licensable space in the C.A.P. Building on Main Street in Warner, NH (By petition) (Not recommended by the Budget Committee)
24. To see if the Town will vote to authorize the Seletmen to sell Town owned property acquired by Tax Collector's Deed.
25. To see if the Town will vote to accept the reports of the Town Officers.
26. To transact any other business that may legally come before the Meeting.

CLARENCE R. HALL, Chairman
STANLEY M. BROWN
EDNA E. HERBERT

SELECTMEN'S COMMENTARY

The 200th year of the incorporated Town of Bradford has been a year long to be remembered. In the year just closed, not only did the Town celebrate with gusto the Town's Bi-Centennial in celebrations orchestrated by Dick Whall and Betty Cilley with the enthusiastic support of scores of citizens, but simultaneously in the 200th year we had a 100-year flood which kept the Highway Department hopping to replace washed-out roads, and which caused citizens property damage as well as anger, particularly at Lake Massasecum. 1987 was a year that was!

Your Town Report has a somewhat modified format in recognition of the Bicentennial, and the committee's report is the lead story, starting at page 37.

The financial impact of the 100-year flood is reflected in the financial accounts of expenditures from the Town Maintenance and Highway Department appropriations, which diverted funds to meet that emergency which were intended for general highway purposes. Fortunately we have received some reimbursement of these costs and expect to recover in 1988 most of the expenditures from State and Federal emergency relief funds.

We are sure the taxpayers noticed the increase in the Tax Rate. This was more than anticipated, principally because the Town Meeting vote to borrow \$40,000 toward the \$52,000 new highway truck was disallowed on technical grounds by the State (no *written* ballot used). As a result, you have paid the entire \$52,000 in the 1987 year rather than only \$12,000—but we have the truck and it is paid for.

We have a new Town Official, the Building Code Administrator, as a result of the Town Meeting adoption of the BOCA Basic Building Code last March. Bob Moore has taken the job, and his report, at page 60, deserves your attention. The program is working out well. We also have a Building Code Board of Appeals, but no appeals have yet been taken, which is some indication that Bob is doing his job well—as he is.

There has been an unusual turn-over in the working staff at the Town Hall, which you should note.

Patricia Goldberg completed her term as Town Treasurer in March. Nick Stamas was elected to succeed Trish, but resigned on June 1 for health reasons. We then appointed Jack Canty to take over Nick's duties, which he is ably doing. But 3 Treasurers in the 200th year!

Ona Ruchti completed her term as Tax Collector in March. Marjorie Cilley was elected to replace Ona. But, after conducting the hectic May Tax Sale, Marjorie decided this was not for her, and, also on June 1, Marjorie resigned.

Ona came back and we appointed Patricia Magistro as Tax Collector, with Ona as her Deputy. Patricia Magistro has served us well, and we hope she can continue. The Tax Collector's job is a detailed financial job that takes time to learn and should not be undertaken by candidates who do not relish the type of work involved. But, in the year that was, we have been served by 3 Tax Collectors!

Colleen Grehlinger, who served us well as the Selectmen's Secretary, also resigned, but stayed on to help train her replacement, Laurie Ansart. Laurie is doing a superb job and we hope she stays with us for a few years—God willing.

Finally, Hazel Fisk, who has served as our Bookkeeper for years, is ill and largely incapacitated. Regretfully, we cannot impose on Hazel to continue, and want to publicly acknowledge the Town's appreciation for her years of faithful service.

Looking ahead for the third hundred years, we have up-dated Town Ordinances, for which we ask your approval at this Town Meeting, and the Planning Board is presenting a Zoning Ordinance.

We especially ask you to take note of the amendment to the Ordinance regulating use of French's Park. This Park was given to the Town, on conditions that if its use is not restricted to residents of the Town and their guests, we stand to lose it. Presently, we *also* permit non-residents who own property in Town and their guests, also to use the Park. This question was taken to Superior Court more than 10 years ago, and the Court specifically ruled that *only* residents and their guests should be allowed to use the Park. This amendment to the French's Park Ordinance is necessary to comply with Mr. French's condition. The broader use that has improperly been permitted has caused over-crowding, complaints by neighbors, extra expense to the Town, and creates a nuisance—probably why Mr. French imposed the restriction as a condition.

Your present Board of Selectmen do not anticipate attending the Tri-Centennial Celebration in 2087. Have a good one!

CLARENCE R. HALL, Chairman
STANLEY M. BROWN
EDNA E. HERBERT

REPORT OF TOWN AUDITORS
Fiscal Year Ending December 31, 1987

We, the Auditors of the Town of Bradford, New Hampshire have examined the books for the Selectmen, Tax Collector, Treasurer, Town Clerk, Library Trustee and Trustees of Trust Funds for the Year Ending December 31, 1987.

ROBERT A. MOORE
DONALD A. GARMAN

THE BRADFORD BICENTENNIAL

Representatives of Bradford's History Committee and Historical Society approached the Board of Selectmen on Oct. 7, 1985 relative to the need for initiating plans to celebrate the Town's Bicentennial in 1987. The need was endorsed and a decision made to immediately form a 6 member Bicentennial Core Committee (BCC) to plan and implement an appropriate celebration program. This committee was to be appointed by and report to the Selectmen with John Pfeifle acting as the prime contact with the Board of Selectmen.

The following committee was appointed and in place by Nov. 1, 1985: Richard E. Whall, Chmn.; Elizabeth A. Cilley, Co-chmn; Deborah A. Lamach, Secretary; Lillian S. Frey, Treasurer; Vernon F. Hall and Robert A. Moore. Ex-officio members included John D. Pfeifle (1985-86) & Edna E. Herbert (1986-87). The BCC held its first meeting on Nov. 5, 1985 and subsequently met at nominal two week intervals through the end of 1987.

A decision was made that the celebration should start with a Winter Carnival in Feb. and end on Sept. 27, the 200th anniversary of the signing of incorporation. Goals and objectives were next established to provide guidance in developing a comprehensive program that would be a blend of Bradford's past history, present way of life and aspirations for the future.

1986 was action packed for Bradford as the BCC, with broad base support from the total community forged out a program package which included over thirty 1986-87 supporting Activities and 20 scheduled Events for the actual 1987 celebration. *Some of the more important 1986 Activities include:*

- The BCC sent letters to 36 organizations and 34 businesses and held 3 general public program planning meetings. A contest was held for a Bicent. Logo with Jane Herbert winning 1st Prize and Laurie Sweet Brown, honorable mention. Formed several support committees: Publicity, Patty Wilder, Debbie Johnson, Connie Mazol & Virginia Carter; Commercial, Debbie Lamach, Ken Anderson & Steve Pitman; Photography, Bob Shevett & Leonard Sargent and Artwork, Jane Herbert & Laurie Sweet Brown.
- Shirley Scribner's quilt Committee, Hazel Morse, Charlene Harris, Frances Winch, Harriet Douglass & Doris Sargent (late), held a preview of the quilt for the 30 stitchers who had been working on the project since its inception by the History Committee in 1984. Publicized a fund raising Sampler Kit being sold by the Silver Hill Chapter, O.E.S.
- The Historical Society held 3 Seminars on Bradford's past: "Inn & Hotels" by Connie and Tom Mazol & John Estes, "Railroads" by Bernard Lamach and "Professionals" by Dr. Anne Wasson. Allene Hamilton's committee of Ray Hamilton, Beth Bell & Phyllis Whall

published a booklet, "Looking Back" covering cherished recollections of long time Bradford residents.

- Visits were made to Ft. Devens and Pease Air Force Base soliciting marching units and bands for the 1987 Memorial Day Parade. Over 50 individual Memorial Day Committee/BCC letters were written to State and Nat'l. Gov. officials, N.E. Governors & Selectmen, the US Military and the NH National Guard requesting their participation in Bradford's Memorial Day Program.
- A Budget was prepared and funds raised to supplement Town Appropriations of \$500 in '85, \$1500 in '86 & \$1500 in '87. The BCC sponsored a Benefit Auction by Bob Burdette and a Fund Committee, Nancy Hibbard, Chmn., Nancy Beaton, Virginia Carter & Phyllis Whall sent out public appeal letters.
- The 1987 Program Schedule was finalized. Nancy Hibbard's Schedule Book Committee of Allene Hamilton, Barbara McCartney, Hazel Morse, Michael Bryant & Dick Whall completed a draft copy for the printer.
- A Town Hall Restoration Committee was appointed by the Board of Selectmen; Phyllis Whall, Chmn., Virginia Carter, Nancy Beaton, Debbie Lamach, Evelyn Lammert, Kathy McKenna & Jane Simonds. Plans were completed for renovating the auditorium, stage, dressing rooms, ticket/coat room and the main stairwell prior to the 1987 Town Meeting.
- The History Committee, Betty Cilley, Chmn., Ruth Moore & Julian Dodge, selected photographs for the cover and prepared an inside writeup for the 1987 special Bicentennial edition of the Merrimack County Telephone Book.

The beginning of 1987 was a busy time of preparation for all the committees involved in the kickoff of the Feb. 13-15 Winter Carnival Weekend. This was especially true for Kim Lucas, Overall Chmn. of Parks & Rec. Commission Outside Events and Isabel Sheehan, Chmn. of the BCC sponsored Dinner Dance.

E-1 BCC Winter Carnival Weekend - Feb. 13-15

The first official event was a bonfire/skating party at Brown Shattuck Park starting at 7:00 pm on Feb 13. The Bradford Fire Dept. helped fight the frigid temperature with a huge bonfire fed with wood donated by the Kearsarge Reel Co. Hot chocolate by the Bradford Women's Club warmed the insides of the hardy fire watchers and skaters enjoying the ice rink.

In spite of bitter cold on the morning of Feb. 14, there was a good turnout for Kim Lucas's XC Ski Races held on Stan Brown's field. The town was dotted with snow sculptures in a contest organized by Joy Donahue and judged by Odds Bodkin, Jane Herbert & Dona Tropeano. Mauri Scheffy's old time Winter Carnival parade braved the icy blasts to march down Main Street to the Town Hall for the Awards Ceremony and Quilt Presentation. MC Odds Bodkin awarded ribbons to 11 XC Ski Race winners and 16 snow sculpture winners. He also assisted Betty Hall Moore (1940's WC Queen) and Queen Contest Chmn. Marlene Freyler in crowning the 1987 winter Carnival Queen, Kristy Willet. The ceremony closed with the unveiling of the Bicent. Quilt by the Quilt Committee. (The Quilt was later hung in the Town Hall main stairwell & illuminated)

The Mt. Sunapee Ski School awed arriving guests to the dinner dance with a torchlight ski-down of the mountain. A buffet dinner for 325 guests was catered by MaryBeth & Peter Fenton of the Appleseed Inn. Programs were by Carolyn Coolidge & Nancy Hibbard, publicity by Dawn Rich, flowers by Dan Coolidge and decorations were the handiwork of Teresa and Michael Bryant.

Town Crier Fred Sheehan officially rang in the Bicentennial Year and Debbie Lamach led the assembly in singing "God Bless America". MC Marvin Rich introduced honored guests & speakers at the head table: Peter Spaulding, Gov. Exec. Council; John Pfeifle, Chmn., Bradford Board of Selectmen; Jack Chandler, Jr., NH State Senate; Nancy Beaton, Repr. to the NH Gen. Court; Henry Cilley, life long Bradford Resident; Elizabeth Cilley, Quilt Picture Unveiling; Dick Violette, Merrimack County Tel. Book and Rev. Robert Washer, Benediction.

After the reading by Peter Spaulding of a Governor's Proclamation, speeches by John Pfeifle, Jack Chandler and Nancy Beaton, unveiling of the Quilt photo by Betty Cilley, Presentation of Bicent. Book Phone covers by Dick Violette, and the awarding of appreciation bouquets to Chairmen Kim Lucas & Isabel Sheehan, a beautiful tiered 200th Birthday Cake was given to the town with compliments of Dick & Jackie MacLeod. A benediction by Rev. Robert Washer concluded the ceremony. Dancing followed in the upper level lounge to the music of the Woody Roberts Band until 11:00 pm.

Over 200 people enjoyed a special breakfast at the St. Peter's Masonic Lodge on the morning of Feb. 15th, but the Bradford Fish & Game Club Fishing Derby was sparsely attended due to the high winds and sub zero temperatures.

E-2 Bicentennial Town Meeting - March 11

The meeting was rung in by Town Crier, Fred Sheehan, in the newly renovated Town Hall Auditorium. Moderator Bracket Scheffy, a descendant of the first moderator, John Brown, presided. Selectmen John Pfeifle, Clarence Hall and Stanley Brown signed a Bicent. Proclamation Scroll drafted

by Dan Coolidge, with calligraphy & artwork by Carolyn Coolidge. The hall was decorated with bunting by Betty Cilley, Marcia & Dick Keller, Dick Violette & Dick Whall.

E-3 Rescue Squad Shaw Brothers Concert - April 10

This performance of NH's own Shaw Brothers was held at the Kearsarge Regional High School. The Concert Committee was Ruth Perron, Chmn, Carl Olsen, Gail Olson, Marybeth Fenton, Peter Fenton, Dick Perron and Kathy McKenna.

E-4 Childrens' Bicentennial Pageant - April 23

Grades 4 & 5 of the Bradford/Newbury School presented the town with a colorful Town Mural and put on a brilliantly stage choral pageant entitled "Our Country 'Tis of Thee" to a full house in the Bradford Town Hall. The responsible Teachers committee was Chmn. Betty Erickson, Julian Leach, Dayle Wells & Nancy O'Leary. Volunteers assisting with costumes, props, posters, memorizing lines and song writing were Pat Burton, Marybeth Fenton, Gail Olson, Helen Wright, Beverly Weishaupt and Polly Treadwell.

E-5 Bradford Historical Sites Slide Show & Walking Tours - May 11-22

This project was sponsored by the History Committee for Bradford/Newbury elementary school children with Betty Cilley & Megan Szymkowicz as Co-chmn. The Slide Show with historical dialog was given by Betty Cilley in the Town Hall with setup assistance by Megan Szymkowicz & Dick Whall. Followup walking tours were conducted by Jerry Martin (Site of Old Depot), Julian Dodge (Mill Village Area) and Allene Hamilton (Tall Pines/Old Cemetery).

E-6 Bicentennial Church Service - May 3

This special Church Service was sponsored by the First Baptist Church of Bradford. Rev. Robert Washer was assisted by Rev. George Swope. Greeters were Parker Craig & Leonard Sargent; the Organist was Betty Cilley; Choir members were Linda Deschene, Barbara Gameau, Edythe Craig, Jane Graham, David Washer, Deborah Lamach, Clair Stowell, Beth Bell & Bob Bell; Flowers were by Tillie Wheeler, Ushers were Thomas Pitts & Bernard Lamach and a Coffee Hour was hosted by Michael & Teresa Bryant.

E-7 US Constitution Bicentennial Lecture Series - May 27 & Aug. 26

Lectures on the US and NH Constitutions by Dartmouth Professor Jere Daniell were arranged by Dan Coolidge, Chmn. of the Bradford US CONSTITUTION BICENTENNIAL Committee Chmn. under sponsorship of the Historical Society.

E-8 Memorial Day Parade & Service - May 30

A Bicentennial celebration highlight with a traditional old time holiday with a military-based parade and memorial service. The town was spruced up and

bedecked with flags and patriotic bunting. US Sen. Humphrey & Patty Delgado donated new flags for the Town Hall & the new Bicentennial Park flagpoles.

Dr. George Swope was chairman of a hardworking committee made up of: BCC Chmn. Dick Whall; Lou Shevett as Sec.; Rev. Robert Bell, Chaplain; Donald Garman, Parade Marshal; NHARNG Major Raymond Rogers, Parade Cmdr.; Col. Wm. Gall, USA-Ret., Military Advisor; Chief Marvin Rich, Traffic and Security; Isabel Sheehan, Food Arrangements; Shirley & Dick Hambrecht, VIP Hospitality; Jerry Martin, Veterans Involvement; Ted Young, Amer. Legion Liaison; Ruth Perron, Bradford Rescue Squad; Dick & Paul Violette, Communications; Deborah Lamach, Song Leader & Ray Hamilton, Reviewing Stand Arrangements.

The Parade included: Bradford Police Chief, Marvin Rich; Honorary Parade Marshals Elizabeth & Henry Cilley; Centenarians Elna Carr & Roy Parsons Sr.; US Senator Gordon Humphrey; Governor John Sununu; Gov. Exec. Council Peter Spaulding; US Repr. Judd Gregg; Parade Commander Raymond Rogers; USAF Colors and Ceremonial Marching Band; USA Colors, "Spirit of America" & 14th Continental Marching Units; NE Chapter, 10th Mtn. Div. Assoc. Colors & marchers; NH Army Nat'l Guard Colors; Shooting Van, Commando marchers & M198 Howitzer; USN Colors & Lt. Cmdr. Robert Bell, USN Chaplain Ret.; USCG Colors; USMC Corps Colors & Marching Band; American Legion Post No. 39, Area Veterans, 9 Area Police Chiefs, Kearsarge Regional High School Marching Band, Boy Scout Troop #69, Brownie Troop #178, Bradford/Newbury School Players, First Baptist Church Youth Group & KVNA Floats and the Bradford Rescue Squad Vehicles. The parade was briefly halted at the Lake Todd Bridge. After a short prayer by Chaplain Bell for servicemen lost at sea, USN RMI Robert Stewart (Ret.) and USN RMI-SS George German committed a wreath to the water while the Marine Corps Band played the Navy Hymn.

The main Memorial Service was centered about the Veterans Memorial Stone in front of the Town Hall. Master of Ceremonies Dr. George W. Swope introduced honored guests and speakers on the Reviewing Platform: US Senator Gordon Humphrey; US Repr. Judd Gregg; Gov. John Sununu; Gov. Exec. Council Peter Spaulding; State Senator Jack Chandler Jr; Repr. to the Gen. Court Nancy Beaton; Bradford Selectmen Clarence Hall, Stanley Brown & Edna Herbert; Bradford, Vt. Selectman Leonard Dobbins; Gold Star Mother Ethel Brown; Honorary Parade Marshals Elizabeth & Henry Cilley; Rev. Robert Washer, Parade Chairman Donald Garman; Song Leader Deborah Lamach and BCC Chmn. Dick Whall. Military representatives included: Parade Cmdr. USARNG Major Raymond Rogers; USA Col. William Gall, Ret.; USAF Col. Thad Wolfe; USN Lt. Cmdr. Victor Wandress Ret.; USN Lt. Cmdr. Stephen Weber; USN Chaplain Robert Bell, Ret.; USMC Major Stephen Dade; USA Capt. Martin Culp and USCG E6 John Murray.

After an invocation by Rev. Washer, Selectman Hall welcomed the gathering on behalf of the Town of Bradford. Speeches followed by Sen. Humphrey, Repr. Gregg and Gov. Sununu. Chaplain Bell, with the assistance of WWII Gold Star Mother Ethel Brown, conducted a brief memorial service for those who had lost their lives in the service of their country. Military Units then presented arms and dipped colors while NHARNG SFC R. Fredette placed a wreath at the base of the Veteran Memorial Stone. Next came a Rifle Salute and Echo Taps in the Baptist Church Cemetery by the USAF Rifle Party and Bandsmen. The flag was raised from half mast with the band playing "To The Colors" followed by a mass "Pledge of Allegiance To The Flag" led by Major Rogers. Deborah Lamach then led the singing of "America The Beautiful" with the accompaniment of the USAF Band. The ceremony was concluded with a benediction by Chaplain Bell and 11 tolls of the Church Bell by Michael Bryant.

Shirley & Dick Hambrecht hosted a VIP luncheon and Jeanette Hosmer and the staff of the KRHS cafeteria served lunch to military marchers. Military equipment displays followed at the Brown Shattuck Field in the afternoon. High winds delayed the start of the USN Hot Air Balloon rides until 4:30 pm when rides were given to a long line of would be balloonists until 7:30 pm.

E-9 Bradford Central School Reunion June 21

About 150 alumni and friends gathered on the lawn of the Bradford Central School. The event was sponsored by the History Committee with Marjorie and George Cilley as Co-chairmen. Historical school pictures were displayed by Betty Cilley and Ruth Moore; Registration was by Marjorie Cilley and Edna Herbert and History Books and Bicent. Memorabilia Sales were by Marion Hall, Linda Jones & Marcy Jones. The highlight of the event was the opening and reading of a 50 year time capsule taken from the cornerstone of the Central School by MC George Cilley. The capsule contained the names of 90 students entering the new 1937 school and newspaper clippings citing the cost of the building to be \$17,000. Former teachers attending were Doris B. Williams (last Center school teacher), Edward Tucker (1939-41), Genevieve Abbot (1964-71), Mary Nelson (1971-74) and Dorothy Young Carruthers (1940-48).

E-10 Historical Society Strawberry Festival & Banjo Concert June 27

A traditional event with Bicentennial emphasis. Served strawberry shortcake and sundaes with entertainment by the New England Banjo Soc., courtesy of the E. Warren Smith Fund. The event committee was Bernard Lamach, Chmn., Allene and Ray Hamilton, Frances and Fred Winch, Barbara McCartney & Debbie Lamach.

E-11 Bradford Fire Department July 4th Parade, BBQ & Fireworks July 4

The BBC joined with the BFD to expand the scope of this traditional July

4th Event. Ralph Carroll was Chmn. of the BFD program and Robbie MacLeod and Bob Moore served as liaison contacts between the BCC and the BFD. Mauri Scheffey was Chmn. of the 5 km Road Race; Bob Stewart, Parade Marshal; Michael and Teresa Bryant, Float Co-chmn.; Alan and Laurie C. Brown, Colonial Militia Co-chmn.; Allene and Ray Hamilton, Historical Exhibit Co-chmn.; Betty Cilley, Historical Pictures Chmn.; Harriet Douglass, Stamp Cancellation Chmn. and Elinor Harris, Coin Auction Chmn.

About 100 people entered the 5 KM mid-morning road race. Ted Young fired his cannon to start the race and Brackett Scheffey was in charge of finish line time clocking. All entrants received Road Race tee shirts and winners received cash and Bicent. Steins as prizes in four age categories. The tent encampment of coupon Company of the 2nd NH Colonial Militia Regiment at the Brown Shattuck Field provided the public with an insight to revolutionary period militia life. They cooked over open pit fires, slept on straw, staged a mock pistol duel and put on drill and musket firing demonstrations.

The Historical exhibit in the Town Hall had displays corresponding to Looking Back Booklet stories: a vintage telephone switchboard; a school room; a country store; winter sports; a postoffice with a special Bicentennial Stamp Cancellation; Ice, Fish & Milk Sales; a Blocksmith Shop and Maple Sugaring. There was also a US CONSTITUTION BICENT. display by Dan Coolidge, memorabilia from Dick MacLeod's trip to Bradford, England and a History Committee display of old time Bradford Pictures. Beth Bell and Phyllis Whall, dressed in period gowns, collected signatures for a free raffle of a \$50 Savings Bond.

An exciting and lengthy Parade lined up by Parade Marshal Bob Stewart was led by Chief Rich followed by American Legion Post 39 Colors, Bradford Selectmen, Honorary Parade Marshalls, Jack Chandler and Nancy Beaton, a Fife & Drum Unit, Colonial Militia, the Shriners Oriental Band, Clowns & Calliope, 10th Mtn. Div. Alumni Colors, 23 local marching units and floats, several Classic Autos, 10 Tractors, 13 Fire Trucks from Bradford and surrounding communities and Bradford Rescue Squad Vehicles.

After the Parade, a Bicentennial Silver Coin Auction was held in the vestry of the Baptist Church by Auctioneery George Twigg. The Fire Dept. Chicken BBQ was a sellout and the ball field was filled to capacity with an appreciative crowd listening to live music by the Larry Vann Trio. The spectacular fire works display was set off by BFD firing crew Robert Raymond, Peter Blake, Bob Moore, Chris Frey, J.B. Brown, Steve Hansen, and Dick Brunel.

E-12 North Country Choral Group - July 12

These 70 choristers delighted townspeople with a Concert of Patriotic Songs and Spirituals. The Women's Christian Guild sponsored this songfest

with E. Warren Smith Funding. Debbie Lamach was event Chmn. and refreshments were served by members of the Guild.

E-13 Historical Society Quilt Show - Aug. 1 & 2

More than 100 quilts dating from 1848 to the present were displayed in the Town Hall by a show committee made up of Frances Winch, Chmn., Bunny Herman, and Charlene Harris under the guidance of Quilt Show Advisor, Luanne Mayo and with secretarial support by Lou Shevett. Glen Mayo, Gale Bushnell, Jonathan Bushnell, Fred Winch and Roger Herman assisted in quilt display and general setup. Frances Danforth donated a double bed-size quilt for a show raffle drawing on Aug. 2. Kitty Valley and Judy Marshall served food in an outside booth that had been set up by Peter Blake and Kevin Looney of the BFD. Bernie Lamach provided night security in the Town Hall. Alternating teams of volunteers served as quilt watchers and show guides; Lou Doten, Marg Messer, Jean Schwartz, Kathy McKenna, Phyllis Whall, Maxine Lander, Jean Lantz, Betty Cilley, Rebecca Herman, Rachel Herman, Sue Smith, Ruth Page, Leonard Sargent, Marion Tebaldi, Beth Bell, Colleen Grehlinger, Hazel Morse, Barbara Lawthers, Elsie Bailey, Barbara McCartney, Louise Rivers, Fred Winch, Del Harris, Nancy Cadenhead, Laurie S. Brown, Elsa Weir and Deborah Lamach.

E-14 Bradford Women's Club Fair & Flea Market - Aug. 5

A traditional event with Bicentennial emphasis. Tillie Wheeler and Nancy Beaton served as General Co-chmn., Betty Cilley as Grounds Chmn. MaryBeth Fenton, Kathy McKenna & Joy Donahue as Children's Parade Chmn. and Debbie Lamach as Raffle Chmn. Activities included a Snack Bar, Sales Booths, a special Bicent. Children's Parade, a Raffle, Live Music and a Flea Market. Live music was provided by Larry Vannata, Barbara Vannata & Louise Pranzcia. Free blood pressure readings were given by Lk. Sunapee Home Health Care Nurse, Addy Stewart. Booth setup/take down was under the direction of Bob Moore & Parker McCartney of the Bradford Fire Dept.

E-15 Summer Music Concert - Aug. 15

The concert of classical music was sponsored by the Union Congregational Soc. with Beth & Robert Bell acting as Co-chmn. Theodore Lettvin, university professor, brilliant pianist, and Bradford summer resident for many years, performed for the benefit of the Center Church Restoration Fund. Refreshments were served by Laurie Buchar, Diane Ward, Beth Bell, Amy Blitzer, Debbie Lamach, Annie Whipple, Hazel Morse and Phyllis Whall.

E-16 Ecumenical Church Service & Family Picnic - Aug. 16

The Service was held at the old Center Church under the sponsorship of the First Baptist Church of Bradford and the Union Congregational Soc. Rev. Dr. George Swope and Rev. Robert Bell served as Co-chmn. Dr. Swope's sermon topic was "Bradford is My Town". Rhodora Buckle Smith Gerson played the organ and the Choir was made up of Kay Cooper, Debbie Lamach, Betty

Cilley, Bertha Douglas, Sally Bagley, Frank Bagley, Barbara Garneau, Jane Graham, Clair Stowell, Sue Washer and Janet Niles. Bernie Lamach and Roy Hopkins served as ushers. The Picnic Potluck Setup was by Amy Blitzer, Annie Whipple, Alice Lowe, Laurie Buchar, Jim Hume and Michael Bryant.

E-17 Square Dance Fun Night - Aug. 22

The event which was sponsored by the local Country Squares Dance Club with Club Presidents, Dee and Russ Currier, serving as Co-chmn. Decorations were by Laurie C. and Alan Brown, Refreshments were by Jean and Tom Schwartz and publicity by Joyce and Perry Teele. Square and Round Dance Callers were Roger and Jeanette Carignan from Keene, NH and special entertainment was provided by the Foggy Mountain Cloggers.

E-18 Brown Memorial Library Bicentennial Tea - Sept. 21

This event was sponsored by the Trustees of the Brown Memorial Library with Frances Winch serving as Chmn. The Tea was held in the library building and honored past and present trustees. Attendees included: Present Trustees Frances Winch, Jane Herbert, Janet Sillars, Ruth Bibbo, Barbara McCartney, and Barbara Garneau; Former Trustees Janet Niles, Mildred Kittredge, Ruth Moore and Pricilla Danforth and Henry Cilley; Librarian Margaret Ainslee; Assist. Librarian Elsa Weir, former custodian Thomas Pitts; Library Patrons and guests.

E-19 Harvest Fair, Ham & Baked Bean Supper & Dance - Sept. 26

This event, like the Winter carnival was selected as a reminder of Bradford's past. It was sponsored by the BCC with Dan and Carolyn Coolidge as Co-chmn. of a Fair Committee made up of Beth and Carey Rodd, Nancy Hibbard, Laurie S. Brown, Ellen Rice, Ray Hamilton and Ken Martin. The fair was centered around 3 large yellow & white striped tents at the Brown Shattuck Field.

The program featured Arts & Crafts, Children's Games by Laurie S. & J.B. Brown and Deborah Spaulding, Musical entertainment by Margo Coolidge, Ugliest/Cutest Mutt contest by Ellen Rice, Hay Wagon Rides by Tom Wiegelmann, Bubble Gum Blowing contest by Steve Dequoi, Greased Pig contest by J.B. Brown, Oxen Demonstration by Ralph Downes, Readings by Storyteller Odds Bodkins, Canine Performance by the NH State Police, Corn Husking contest, Magic Show by B.J. Hickman, Best Apple Pie and Agricultural Exhibits by Frances Ward, Alice Gove and the NH Dept. of Agric., Quilting by Bunny Herman and Charlene Harris, Sheep to Shawl demonstration by Caroline Cook, Laurie C. Brown, Jan Riley, Thelma Hause, Fred Courser and Thelma Curtis, Clown Show by Nancy Conway, Bradford Women's Club Plant Swap and a Women's Christian Guild Bake sale.

The Ham & Bean Supper was put on by the Baptist Church Choir with Chmn. Clair Stowell assisted by Frank Bagley, Edythe Craig, Deborah

Spaulding, Deborah Lamach, Janet Brennan, Phyllis Whall, Jane Graham and Barbara Garneau.

The Harvest Fair Dance was gratis and was sponsored by the Bradford Rescue Squad with funding of the band by the BCC. Chmn. Ruth Perron was assisted by MaryBeth Fenton and Gail Olson. Members of the Woody Roberts Dance Band were Woody Roberts, Ldr., Bob Messer, Ken Holt, Bob Boynton and Bob Boynton Jr. (caller). Drawings were made for the Harvest Fair Funding Raffle after an evening of ballroom dancing interspersed with lively Square Dance calls.

E-20 Bicentennial Year Closing Ceremonies - Sept. 27

Bradford ended its Bicentennial Year with ceremonies in the Town Hall exactly 200 years from its incorporation on September 27, 1787. Town Crier Fred Sheehan opened the program with bell ringing and a call of "Hear Ye, Hear Ye!" as he had done at the opening ceremonies on February 14th. MC John Pfeifle extended a welcome to a full house and introduced those at the centerstage table, including Peter Spaulding, Jack Chandler, Nancy Beaton, Selectmen Clarence Hall, Stanley Brown and Edna Herbert and members of the BCC.

Dedication plaques were presented to the Town for the Bicent. Quilt, the Town Hall Restoration Project, the Bicentennial Park and the Town Mural with comments by Chmn. Shirley Scribner, Phyllis Whall, Tillie Wheeler and Betty Erickson. Status reports on 3 ongoing projects (Time Capsule, Bog Nature Trail and Moving the old Center School) were given by Betty Cilley, Tillie Wheeler and Dick Whall. Gifts to the town included a Quilt Journal and a completed Quilt Sampler by the Quilt Committee and a Framed Copy of the original 1787 Incorporation Document by the BCC.

Certificates of Appreciation were then awarded to members of the BCC by Chmn. Dick Whall followed by BCC awards to key individuals, organizations and businesses who made the Bicentennial Year celebration possible. John Pfeifle read an honor roll of 140 names, Sue Dodge handed out certificates and the BCC extended personal thanks to those present. Dr. George Swope presented an Appreciation Plaque to Dick Whall and a gift to Phyllis Whall for their contributions to the Bicentennial; and Selectman Hall awarded Dick with a symbolic Key, crafted by Del Harris, which would "open all Bradford doors".

A Bradford Bear Door Prize, donated by Nancy and Carl Christenson was presented to winner Jerry Martin by Lillian Frey. Betty Cilley led the singing of "God Bless America" with Clair Stowell at the organ. After a benediction by Rev. Washer, the Bicentennial Year was officially closed by the Town Crier and the tolling of the Church bell by Michael Bryant.

A-29 Moving of the Old Center School - January 6, 1988

The moving of the old Center Schoolhouse to its original site adjacent to the Center Meetinghouse was a joint BCC/Historical Soc. sponsored activity with John Mock & Bernie Lamach as Co-chmn. The building which had been closed in 1937, sold and moved across the street in 1946 was donated to the town by its most recent owner, Walter Haselton. The move was made possible by BCC & Historical Society Funding; donations of labor, materials and services by local businesses and individuals plus an historical preservation discount by the mover.

Rev. 17 1/18/88

The Bicentennial Core Committee

REPORT OF THE TOWN HALL RESTORATION COMMITTEE

During the early months of 1987, our dream of a more beautiful town auditorium became a reality. New window shades were installed; draperies were contracted for and made by Anne Iwany and were hung with assistance from Ray Hamilton and Richard Whall. Ellen Wheeler repaired and restitched the curtain at the back of the stage. Using left-over drapery material, Edythe Craig created curtains for the stairway windows in the upstairs hall and the west dressing room.

Repairs to the walls and woodwork were carried out and painting of the front stairway, stage and dressing rooms, ticket office and the hall itself was accomplished, thanks to many hours of time donated by the following volunteers:

Alec Steere
Kathy McKenna (stenciling)
Leonard Sargent
Arthur Doten
Dick Keller
Jane Simonds
Milton Brennan
Evelyn Lammert
Nancy Beaton

John Rogers
Richard Whall
Marjorie Messer
Marcia Keller
Virginia Carter
Phyllis Whall
Janet Brennan
Deborah Lamach
Mildred Kittredge

Robin Seabolt
(donated glass for
ticket window)

Paul Gove
(replaced glass in
ticket window)

We are grateful to Mr. Herbert Paradie of Stairs Unlimited for his generous gift of a very fine set of steps for the auditorium-stage area.

At the Town Meeting on March 11, 1987, the voters of Bradford quickly and generously agreed that we should replace the ancient stage curtain with a new flame-retardant one and voted \$1200 toward that purchase. Dunbar Interiors of Concord were selected to provide this curtain and our committee will be proud to display the lovely new one at this year's Town Meeting.

We regret that two of our original members, Evelyn Lammert and Deborah Lamach, have resigned. We are pleased that Susan Young has joined us. Presently we are considering a list of names from which to select a candidate to fill the seventh position.

Projects under consideration for the near future include items we feel necessary for the completion of Phase I on the restoration agenda:

- 1) repair and preparation and painting of the back hall and staircase and lower back hall (requires professional workers)
- 2) painting sash of auditorium windows
- 3) painting of the ground level front entryway-foyer (probably a job that can be executed by volunteers)

Good news bears repeating, so too does appreciation. So we most heartily thank again the volunteer workers mentioned above. We are also grateful to the groups and individuals listed below for the contributions toward this first phase of a worthwhile and rewarding endeavor:

The Board of Selectmen
Bradford Women's Club
Women's Christian Guild
Bicentennial Core Committee
Mr. Stanley Brown

Without their magnanimous support we could not have completed this project.

NANCY BEATON
VIRGINIA CARTER
KATHY McKENNA

Respectfully submitted,
The Town Hall Restoration Committee
JANE SIMONDS
PHYLLIS WHALL
SUSAN YOUNG
DEBORAH LAMACH
(resigned 12/87)

CONSERVATION COMMISSION REPORT

In 1987 we continued with our Bicentennial Park at the corner of Main Street and Route 103. The stone donated by Don and Maggie Ainslee and transported by the Town Road Crew was set up by Ted Young and Clarence Wheeler. The plaque (paid for by the Bradford Women's Club, Christian Guild, Bicentennial Core Committee and Conservation Commission) was installed. We plan to maintain this as a permanent Park of Bradford.

The annual clean up was held at French's Park. The Sunapee Skin Divers assisted, also, the 4-H Club.

Again the picnic table was placed near the entrance to the Bradford Pines. The State loaned the basket and Clarence Wheeler took care of the rubbish removal.

The shrubs near the Blue Seal Feed Store were trimmed and fertilized. The Fitness Trail was maintained and flowers were planted in the water tower base.

We have applied to the Trust for New Hampshire Lands for land giving us full access to the Bradford Bog.

Andy Harrison kept the triangle at the foot of Cochran Hill mowed.

Next year we plan to work on the trail to the Bradford Bog, also, on the Town Forest and maintain our other projects.

MATILDA WHEELER, Chairman
EUGENE SCHMIDT
FREDERICK SPAFFORD
LEONARD SARGENT
PERRY TEELE
RICHARD WHALL

LIBRARY COMMENTARY

The Trustees of Brown Memorial Library wish to report that our library is expanding its services in several directions. We are now open an additional three hours Monday evenings until 8:00 p.m. so that patrons may come in after their regular business hours. People come in after work, parents bring children after school and high schoolers are able to make more use of the library.

We continue to update our reference section (a new Encyclopedia this year) and new, contemporary books continually added. Thanks to a grant from the Town our basement has had a sump pump installed and water proof paint applied to the walls. We hope to get more heat in the basement, update our electrical system so that we may use it as a work room for processing books, doing bookkeeping, etc. This year our floor is dry for the first time.

Our librarian, Mrs. Margaret Ainslie takes courses from the State Colleges from the School of Life Long Learning and meets with nearby colleagues regularly to discuss mutual library problems. Mrs. Elsa Weir serves as part-time Assistant Librarian.

With memorial gifts, donations from patrons and friends, monies from our Trust Funds as well as a grant from the Town we are able to supply an increasingly complete menu of books and periodicals to the townspeople.

The Town gave us \$2,598.00 in 1987 for the purchase of books and running of the Library. The Town also pays the salaries of our employees. We may use only the interest from the Trust Funds which amounted to \$2,800.00 last year. We use this interest to purchase books, periodicals and reference books. We also pay utility bills and such miscellaneous items as cataloging and related expenses. (See financial statement). The Town pays the tuition for our Librarian's courses in the State College system. These courses are required for the Librarian without a B.A. in Library Science.

We wish to thank Bradford for sustaining its financial and moral support to our efforts. Once again, we invite you to visit us and use our facilities.

Trustees, Brown Memorial Library

PARKS & RECREATION DEPARTMENT

This Bicentennial year began with a series of Winter Carnival events: Bon Fire, Skating Party, Cross Country Ski Races, Parade, Bicentennial Queen, Snow Sculptures, and Ice Fishing Derby. Other activities during the year included support of the Little League program, Annual Road Race, the Soccer Program, and the Annual Halloween Party.

In the Fall the skating rink at Brown Shattuck Field was finally completed and is now maintained by the Town. Future plans for this rink are for it to be used for other activities.

We would like to thank all those who have helped the committee in the past and supported our efforts.

Please contact the President of the committee if you are interested in volunteering your time.

Respectfully submitted,
KIM LUCAS
President

THE BRADFORD CO-OP PRESCHOOL AND KINDERGARTEN

The CO-OP is a non-profit organization which consists of a group of concerned parents who are sincerely interested in providing an excellent socialization and learning experience for 4 and 5 year olds so that they may have an easier transition into further education. We begin this year with 15 kindergarten and 8 preschool children.

We are pleased to have Patricia Magistro with us for her first year as our aide. We are pleased to have Susan Driscoll as our teacher again this year.

We try to provide this experience at the most reasonable cost possible so that as many interested families as possible can benefit. This is achieved through our fund raisers and tuition. We would like to thank the town for the use of the room that makes it possible for us to have this educational experience for our children.

The annual budget for 87-88 is \$12,110.00. Under the direction of our fundraising chair-person, Marlene Freyler, we have raised approximately \$1200.00 to date through a number of successful fund raising projects.

These funds and tuitions are used for the salaries for our teacher and aide. They are also used to purchase equipment and learning aids for the classroom, they also provide field trip experiences for the students.

We are very grateful to the townspeople of Bradford for its continued support of our efforts to provide this experience for the children of the town. We are also grateful to the town for it's donation to help support our school.

FAYE BURNELL
President

BRADFORD PLANNING BOARD

Chairman-Thomas Riley, Secretary-Edythe Craig, Members-Edna Herbert, Carol Conforti-Adams, Perry Teele, George Morse, Brooks McCandlish.

Bradford's Planning Board was extremely active during 1987. There were three subdivisions and five lot line adjustments granted. One subdivision was not approved and another was withdrawn. Four more subdivisions are currently in progress.

After the defeat of the Zoning Ordinance at the last election, a proposal was submitted to reexamine and redraft the ordinance. (see the supplementary report below.)

At the behest of the State and Federal Regulations, a Floodplain Management Ordinance was drafted, to be voted on in the current elections.

In March, Selectman Edna Herbert was chosen by the selectmen to replace Stanley Brown as their representative. In April, Conrad Szymkowicz resigned and was replaced by George Morse. Thomas Riley was elected as the new chairman of the Planning Board.

This current year will see some significant changes in the operation of the Planning Board. Members are being elected by ballot in this year's election. The Zoning Ordinance, if passed, will have considerable impact. Several major and complicated subdivisions are altering the procedures needed to resolve pertinent issues.

As we enter this transition we wish to extend our thanks and gratitude to all those who served the Town so well during the years they gave to the Planning Board.

Supplementary Report - Zoning Subcommittee

In June, at the request of the Planning Board, a special subcommittee was established to review and revise the Zoning Ordinance. Members were Ken Brown (Moderator), Peter Fenton, Brooks McCandlish, John Mock, Richard Perron, Thomas Riley, and Perry Teele. They met weekly from June until October and held informational hearings in September, October and December. Public Hearings were held in November and January. Ten drafts were made before the final revision and the resulting Zoning Ordinance was put on the ballot for March. We wish to thank all those who partook in this effort.

REPORT OF THE BUILDING CODE ADMINISTRATOR

Plan Reviews	34	Moving Building	1
New Homes	15	Car Port-Woodshed	2
Remodeling	3	Demolition of building	1
Septic Repairs	2	Car garage	1
Installation of Trailer with		Additions to existing	
Septic System	1	buildings	2
Storage Building	2	Conversion within	
Repairs to homes or cottages ...	2	existing structure	1
Repairs because of fire	1		

The above breakdown will show some of the scope covered by the Code. Even though the Code got off with a reasonable start it might be well to try to give some items covered without using the exact language of the Code.

It covers all new construction such as homes, barns, garages or storage buildings also repairs which change the exterior lines of a building, removal or changing of interior walls, means of egress, converting or otherwise altering a structure and demolition of buildings.

The Code provides for Penalties for non compliance. There are also provisions by which to appeal the Building Official's decision. The Building Official is also charged with the enforcement of the New Hampshire Energy Code.

Respectfully submitted,
ROBERT A. MOORE
Building Code Administrator

REPORT OF THE BRADFORD POLICE DEPARTMENT

The year 1987 was highlighted by the acquisition of another full time police officer for your department. Through constant patrol and dedication, coupled with the extra full time man the burglaries in town were kept down to five.

The public that cooperates with the police, supports them in their efforts, and observes laws and regulations may be said to have a desirable attitude. I firmly believe the citizens of Bradford do cooperate with our department and support our efforts. My task as Police Chief is confronted with the task of creating and maintaining this attitude. We will continue with a one hundred per cent effort, through training for all of our officers to continue an ideal understanding between the police and community.

The year 1987 again proved our availability to the public with some 3,393 calls to our New London Dispatch Center this being an increase of over 1,000 calls from the previous year.

As our Bicentennial year comes to a close we are happy to report, despite the heavy influx of visitors to town we had no major injury or crime directly related to this occasion. As we move forward towards Bradford's next one hundred years may we continue to feel secure in our community.

Respectfully submitted,
MARVIN RICH
Chief of Police

INCIDENTS REPORTED

Total Incidents Reported For The Year	1,250
Total Criminal Arrests	80
Total Motor Vehicle Violations	378
Total Motor Vehicle Warning	259
Total Motor Vehicle Checkups	70
Total Phone Calls Handled Through New London Dispatch	3,393

REPORT OF THE BRADFORD FIRE DEPARTMENT

We would first of all like to take this opportunity to congratulate the Town and the Bicentennial Committee for a very successful celebration. We hope tha the help, enthusiasm and cooperation will be shown in this year's upcoming Town 4th of July celebration.

The Rearing Pool Project was completed this year with a resulting increase of usable water for fire suppression activities.

Body reconditioning on our engine 4 was also completed with hopes to extend its useful service life.

This year as always a tremendous amount of volunteer time was spent for training, maintenance and fire prevention to make Bradford as fire safe as reasonably possible.

Special attention was paid this year to Fire Prevention Classes for both Kindergarten and Grades 1 through 5. The Department also oversaw the compliance of fire codes for the new Bradford school.

New dry hydrant installation and testing were supervised by the Department at Day Pond and the Healey sub-division off Newell Road.

1988 and future years will see us spending tremendous amounts of time complying with state and federal regulations (Sarah Title 3, National Fire Protection Association 1501 Firefighter Safety, New Hampshire Heart and Lung Legislation, Environmental Protection Agency, and Department of Transportation). These regulations are in effect not only to provide efficient fire suppression but also to protect firefighters during these activities.

The Bradford Fire Department would like to thank the Town for its continual support and please remember to: **PRACTICE FIRE SAFETY.**

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Between July 1986 and June 1987, we experienced fewer fires than normal. The three leading causes of forest fires were again children, fires kindled without written permission of a Forest Fire Warden and debris burning. All causes are preventable, but only with *your* help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulation is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest tax law may be violated, call your Forest Fire Warden, or Concord Forest Protection Headquarters at (603) 271-2217.

If you own forest land, you became responsible for the timber tax payment starting April 1, 1986. This is a change in the Timber Tax Law that will impact all forest landowners. Contact your Board of Selectmen for timber tax forms.

REPORT OF THE BRADFORD RESCUE SQUAD

In 1987 the Bradford Rescue Squad responded to 135 emergencies. 106 were medical emergencies and 25 were motor vehicle related. The squad also stood by at 4 structure fires.

The Rescue Squad members were pleased to be involved in Bradford's Bi-Centennial Celebration. The Rescue Squad sponsored the Shaw Brother's Concert in April and the Harvest Dance in October, and stood by at several other events.

Thanks to donations and fund raising, the Rescue Squad was able to update many pieces of equipment during 1987.

Our most exciting news for 1987-88 is the purchase of a defibrillation unit including a heart monitor, 15 squad members will go through a training program in February to become certified to use this device.

The Bradford Rescue Squad is made up entirely of volunteers. As with any volunteer organization, we can always use more help. Anyone who would like to volunteer some time and energy to the squad and to our town, please contact any of the present members. We can always use some "new blood"!

Again, we thank you for your continued support, and we wish you a safe and healthy year!

REPORT OF THE ROAD AGENT

In 1987, the abnormally high amount of precipitation we received from January through June caused many flooding problems, which took up most of the highway department's time and money, some of which will be reimbursed from State and Federal funds.

The damage was extensive. Several roads were washed out and sections had to be rebuilt. On top of these problems caused by the flood, we still managed to complete some of our planned projects for the year including the paving of one-half of West Road and a basketball court at the Brown-Shattuck Memorial Field.

Also, attempts were made to widen and resurface part of River Road; because the condition of the road was worse than we had anticipated, our attempts were unsuccessful. We hope in 1988 to resolve these conditions.

Late in the fall we received our new four-wheel drive truck, with plow and sander unit. It is a much needed item and is operating fine.

Respectfully submitted,
ROBERT A. PATTEN
Road Agent

SOLID WASTE/RECYCLING COMMITTEE REPORT

Productive and safe methods of handling material at the Transfer Site remain consistent concerns of the Committee. The 1987 objectives included completing the lighting inside and outside to facilitate work during winter hours, extending the man hours available and providing equipment for use by the dump master in handling the volume and variety of goods presented for disposal. The intended lighting was installed and has enabled more visibility both for patrons and the dump master, whose working hours have been extended. The Town road tractor was to have been assigned to the site; however, even after some repairs were made, it was not operational for use at the site. A proper loader is requested in the current budget to allow for handling of cardboard bales and to increase the types and amount of materials that can be recycled, to properly sort and place materials for recycling, and to provide more efficient loading into the compactor.

The disposal of solid waste-trash, garbage, rubbish-continues to be an increasingly costly part of the Bradford budget. The amount of waste dumped into the compactor in 1987 was 15% more than in 1986. The rubbish is increasing at a faster rate than the population. An increase in charges for private hauling services this past summer may have resulted in more trash coming directly to the transfer station. Comparative figures for the past two years show the increase:

	1986	1987
Compactor hauls.....	84	96
Total tons.....	594	683
Cost per ton.....\$	59	\$ 61

The costs include a monthly charge for the compactor, a fee each time the compactor is hauled away, and a per ton charge for the disposal. The per ton cost does not include operating costs or the wages of the attendant to run the transfer station.

Recycling continues to be the more effective way to keep the costs down by decreasing the amount of trash handled by the compactor. Newspaper and glass can be disposed of without charge, thus saving \$61 per ton. Cardboard and aluminum cans earned more than \$2200 last year and saved an additional \$2000 in avoided disposal costs.

Your continued and increased participation is needed as we seek to decrease the tonnage that must be hauled out of Town, primarily through the recycling program. Our goal is to recycle enough material so that we do not have to ship more than 510 tons to the Concord incinerator when that facility is in operation.

The Solid Waste Committee welcomed Jim Lawrence, appointed by the Selectmen, as a new member in 1986.

Respectfully submitted,
MARCIA O. KELLER, Chairman
BERNARD D. LAMACH
JIM LAWRENCE

CONCORD REGIONAL SOLID WASTE/RESOURCE RECOVERY COOPERATIVE

The past year was a hectic and progressive one for the Concord Regional Solid Waste/Resource Recovery Cooperative (CRSW/RRC) as the project to construct a waste-to-energy incinerator to serve the 27 communities in the Cooperative made significant progress.

Early in the year, the \$48-million financing package for the construction of the state-of-the-art facility was completed and secured after lengthy discussions and negotiations with bond counsels, financial advisers, industry officials, community leaders, legal counsel, state officials and others.

With the financing in hand, Wheelabrator Environmental Systems began construction of the incinerator facility on the 23.8 acre site in Penacook in August 1987. At the present time it is anticipated the facility will be operational by late summer of 1989.

The Cooperative also decided, after three years of operations, to hire a full-time project director to monitor the construction of the facility, to coordinate location and permitting of an ash disposal landfill, handle administrative responsibilities and accounting and to serve as a day-to-day contact for member communities, state and federal agencies and other interested parties. After a multi-state search for a project director, the Cooperative hired Ronald H. Ford of Concord, former Director of Public Works for the City of Concord.

At the present time the CRSW/RRC is joining with Wheelabrator Environmental Systems and the New Hampshire/Vermont Solid Waste District to contract the University of New Hampshire to conduct a scientific study of the affect of leacheate from landfills. The results of this study will help our Cooperative to better plan its ash disposal landfill for the protection of our residents in the generations to come.

While 1987 was a busy year for the Cooperative, 1988 promises to be even busier as the Cooperative prepares to continue its efforts to insure the facility is

constructed in a timely manner and our member communities are prepared to begin delivering their solid waste to the facility for incineration.

Together, we have all come a long way in addressing a critical problem facing the State as a whole and our communities specifically. Continued cooperation and hard work by our member communities will enable us to bring this project to fruition and successful operation.

Bradford's representatives to the Cooperative are:

MARCIA KELLER, Joint Board Member

BERNARD LAMACH, Alternate

MARCIA KELLER, Operating Committee/Coop Officer

Respectfully submitted,
WILLIAM G. HERMAN, Chairman
CRSW/RRC

HEALTH OFFICER'S REPORT

Dr. James V. Bibbo, Jr., D.D.S., who served the Town as Health Officer for eleven years, tendered his resignation, which was accepted by the Selectmen with regret. Dr. Bibbo served the Town well, and we are indebted to him.

Dr. Carey Rodd, M.D., was nominated by the Selectmen to replace Dr. Bibbo, and was appointed Health Officer for the Town of Bradford. Dr. Rodd lives off Marshall Hill Road, telephone number 938-2692, and his current practice is primarily at the Merrimack County Nursing Home.

LAKE SUNAPEE HOME HEALTH CARE

"When it comes to health care, there's no place like home."

Lake Sunapee Home Health Care, Inc., is a non-profit, Medicare certified, state licensed home health provider, serving seventeen towns in Merrimack and Sullivan counties.

Our organization was formed July 1st, 1987, by a merger of the Newport Area Home Health Agency, and the Kearsarge Visiting Nurse Association. This merger has allowed us to collectively decrease administrative operating expenses, while increasing services to area residents.

Expanded programs include social service, long-term care, respite care, parent-child program, foot-care clinics, hearing clinics, and flu clinics. Below are the services provided to your town residents in 1987:

Home Health Care Visits	Number of Visits
Skilled Nursing	437
Physical Therapy	64
Speech Therapy	0
Occupational Therapy	5
Medical Social Worker	0
Home Health Aide	187
Homemaker	148
Maternal Child Health Visits	
Skilled Nursing	41
Homemaker	0
Adult Health Clinics	
Clients Served	82
Child Health Clinics	
Clients Served	47
TOTAL VISITS/1987	1,011
Long Term Care	
Client Contact Hours	298

Please remember...your town appropriations serve as "insurance" that medically necessary nursing and clinical services continue uninterrupted to your loved ones and neighbors who are in need of care.

If you know someone who needs these services, please call us at 526-4077 in New London, or 863-4088 in Newport, for a free evaluation visit.

Thank you for your continued support, and your confidence in Lake Sunapee Home Health Care.

R. GALLUP, RN, BSN
Co-Director

T. WILKIE, RN, BSN

Moderator declared an aye vote.

- Article 14 To see if the Town will raise and appropriate the sum of \$500.00 to assist in covering a portion of the operating expenses of the Bradford Cooperative Kindergarten. (Recommended by the budget committee) Moderator declared an aye vote.
- Article 15 To see if the Town will authorize the establishment of a Capital Reserve Fund (pursuant to RSA 35) for the future revaluation of the Town and to raise and appropriate the sum of \$20,000.00 towards this purpose, and appoint the selectmen as agents to administer the fund. Majority vote required. Moderator declared an aye vote.
- Article 16 To see if the Town will vote to change the purpose of the existing Equipment Capital Reserve Fund. (2/3 vote required) Moderator declared it an affirmative vote.
- Article 17 To see if the Town will vote to establish a Fire Department Heavy Equipment Capital Reserve Fund under the provisions of RSA 35 II, for the purpose of acquisition of Heavy Equipment for the Fire Department, and to raise and appropriate the sum of \$20,000.00 to be placed in the fund. (Majority vote required.) Moderator declared an aye vote.
- Article 18 To see if the Town will ratify and approve the fee schedule set by the selectmen for the implementation of the Building Code adopted by the Town at the 1987 meeting.
(Majority vote required). Robert Moore, building inspector and Selectman Stanley Brown spoke to the question and the article passed.
- Article 19 Shall the Town adopt the provisions of RSA 80:58-86 for a real estate tax lien procedure? These statutes provide that sales to private individuals for nonpayment of property taxes on real estate are replaced with a real estate tax lien procedure under which only a municipality or county where the property is located or the state may acquire a tax lien against land and buildings for unpaid taxes.
The Article was adopted unanimously and the moderator ruled it would become effective as of the time of passage, 9:05 p.m.
- Article 20 To see if the Town will approve each of the 1987 amendments to Town Ordinances presented at the February 10, 1988 Public Hearing.
- A) Ordinance relating to Public Dances, Carnivals, and Circuses.
 - B) Ordinance relating to sale of Cemetery Lots and setting Bounds therein.
 - C) Ordinance regulating the use of French's Park.
- A motion was made and seconded to delete the C section was defeated-82 no and 47 yes.
Following a long discussion on the impact of the French's Park Ordinance, the moderator called the article passed.

- Article 21 That the Town of Bradford provide snow removal services and plow that section of Cheney Hill Road from the intersection with Center Road at the property of Stebbins formerly of Jay George, south (this should have read "North, according to the selectmen") to the property of David Duren. (By petition)
First count of hands by the supervisors was yes 52- no 51, second count was 53 yes - no 51. Moderator declared it an aye vote.
- Article 22 That the Town of Bradford provide snow removal services and plow that section of Cheney Hill Road lying between the two points where it intersects with the Center Road, specifically that section of Cheney Hill Road which lies between the property of Spafford at the Southern (should read northern) end and the property of Stebbings at the Northern (should read Southern) end of said Cheney Hill Road. (By petition)
The moderator declared the motion defeated.
- Article 23 To see if the Town will vote to raise and appropriate \$500.00 to assist in covering the yearly facility usage fee that the Kearsarge Children's Center, Inc. is requested to pay to the landlord for providing them with safe, licensable space in the C.A.P. Bulding on Main Street in Warner, N.H. (BY petition) (Not recommended by the budget committee)
Voted to give \$500 to the Kearsarge Children's Center.
- Article 24 To see if the Town will authorize the Selectmen to sell Town owned property acquired by Tax Collector's Deed.
Voted in the affirmative.
- Article 25 To see if the Town will vote to accept the reports of the Town Officers.
Aye vote.
- Article 26 To transact any other business that may legally come before the Meeting.
Moved to adjourn.

Warrant signed and posted on Feb. 22, 1988

CLARENCE R. HALL, Chairman
STANLEY M. BROWN
EDNA E. HERBERT

Board of Selectmen

A true copy of Warrant and Minutes of the Town Meeting Attest:

ELIZABETH A. CILLEY
Town Clerk

TOWN WARRANT

State of New Hampshire

The Polls will be open from 12:00 noon to 7:00 P.M. March 14, 1989.

To the inhabitants of the Town of Bradford in the County of Merrimack in said State qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Bradford on Tuesday, the fourteenth of March next, at twelve o'clock noon to act on the following Articles:

1. To choose all necessary Town Officials for the ensuing year.
2. To vote on Bradford Zoning Ordinance.
3. To vote on proposed Wetlands Protection Ordinance.
4. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same. To adjourn the meeting until Wednesday March fifteenth at 7:00 o'clock in the evening: the raising of money and other articles in the Warrant to be taken up at adjourned meeting.
5. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.
6. To see if the Town will vote to authorize the Selectmen to apply for, accept and expend, without further action by the Town Meeting, money from the State, Federal or other government unit or a private source which becomes available during the fiscal year.
7. To see if the Town will vote to accept monies received from the establishment of Trust Funds during the year since last Town Meeting.
8. To see if the Town will vote to accept \$49,306.70 from the State Highway Block Grant to be spent on the maintenance, construction and reconstruction of Class IV and V highways. (Recommended by the Budget Committee)
9. To see if the Town will vote to raise and appropriate the sum of \$20,000.00 to be paid into the Future Revaluation Capital Reserve Fund. (Recommended by the Budget Committee)

10. To see if the Town will raise and appropriate the sum of \$10,000.00 to be paid into the Fire Department Heavy Equipment Capital Reserve Fund. (Recommended by the Committee)
11. To see if the Town will raise and appropriate the sum of \$10,000.00 to be paid into the Highway Heavy Equipment Capital Reserve Fund. (Recommended by the Budget Committee)
12. To see if the Town will raise and appropriate the sum of \$19,943.00 to lease/purchase a new Dresser Model 850 Articulated Motor Grader with standard equipment and options which has a total list price of \$159,062.00, less trade-in allowance of \$73,062.00 resulting in a net purchase/lease price of \$86,000.00. The lease/purchase agreement will require five yearly payments of approximately \$19,943.00 resulting in the purchase of said grader on the fifth anniversary. (Majority vote required) (Recommended by the Budget Committee)
13. To see if the Town will raise and appropriate the sum of \$16,000.00 for the purchase of a 1989 Police Cruiser. (Recommended by the Budget Committee)
14. To see if the Town will raise and appropriate the sum of way sander for the use of the Highway Department. (Recommended by the Budget Committee)
15. To see if the Town will vote to raise and appropriate \$500.00 to assist in covering a portion of the operating expenses of the Bradford/Newbury Cooperative Kindergarten. (Recommended by the Budget Committee)
16. To see if the Town of Bradford will vote to change the classification of County Road from Dunfield Road south 3,432 feet, approximately 6/10 of a mile from a Class VI to a Class V. (By a Petition) (Not recommended by the Budget Committee)
17. To see if the Town will authorize the Bradford Board of Selectmen and the Bradford Conservation Commission to accept 28 acres, more or less, from the Skeie Tree Farm, Inc. This tract of land found and described as follows:

Beginning at an iron pipe set in the southerly side of the Highway to Bradford, so-called, and at the westerly corner of land now or formerly of Arthur Erbthal, thence in a westerly direction 75 feet along said Highway to Bradford, thence in a southerly direction

approximately 1230 feet to a point which lies 200 feet easterly of a cedar post on a line running N 70 degrees E; then N 70 degrees E approximately 2000 feet to a tramrack post set next to a brook, by land now or formerly of Arthur Erbthal; thence northwesterly approximately 1930 feet to the place or point of beginning. Containing 28 acres more or less.

As the quid pro quo for obtaining the 28 acres the Town of Bradford proposed to terminate easements across the Skeie Tree Farm land. (Recommended by the Board of Selectmen and the Conservation Commission)

18. To see if the Town will vote to increase the number of Library Trustees from six to seven, each Trustee to hold office three years as heretofore. This change is made to bring the Board of Library Trustees into conformity with RSA 202-A:6, as amended in 1987, which requires that elected Boards of Library Trustees shall have an odd number of members. This shall become effective at the 1990 annual town meeting. (Submitted by the Board of Library Trustees)
19. Pursuant to RSA 39:3, the following petition is hereby submitted to the Bradford Board of Selectmen to be placed on the Warrant for the 1989 Town Meeting:

If the zoning ordinance is enacted by majority vote, to see if the Town will further authorize the Planning Board to review and approve or disapprove site plans for developments under the requirements of RSA 674:43. The Planning Board, prior to conducting site plan reviews, shall adopt site plan regulations according to the procedures in RSA 675:6. (By petition)

20. To see if the voters of the Town of Bradford will approve a non-binding resolution to limit the yearly operating budget increase at the level of the previous year's cost of living index (By petition) (Not recommended by the Budget Committee)
21. To see if the Town will vote to abandon a section of Old Route 103 (Old Warner Road), best described as the Witham driveway.
22. To see if the Town will vote to authorize the Selectmen to sell Town owned property acquired by Tax Collector's Deed.
23. To see if the Town will vote to accept the reports of the Town Officers.

24. To transact any other business that may legally come before the Meeting.

JOHN D. PFEIFLE, Chairman
EDNA E. HERBERT
KENNETH C. BROWN

SELECTMEN'S COMMENTARY

It was a pleasure and a privilege to work with Clarence Hall. He unselfishly gave his time and effort to the town and its people. He was down to earth, direct, and always positive. Clarence had character and was a character. We will all miss him.

Health considerations prompted Betty Cilley to resign as Bradford's Town Clerk in October. Respectful of Betty's service to the town, the Board appointed Sue Pehrson as an "Acting Town Clerk" until Town Meeting. (We are happy to see Sue running for the position.) Betty was in her 50th year as Town Clerk! Imagine! She had an influence on all of us; and should be held as an example of how government should operate in New Hampshire. We thank Betty for her smile and a job well done.

Before we look toward the future, a brief review of the past is necessary. Everyone should be aware of the Financial Statement found on pages 29 & 30. The footnotes explain the dramatic change in the town's financial condition. Briefly, last year's statement incorrectly listed \$40,000 "1987 Pre-payment on Truck" as a liability, the amount had been paid, and therefore, was not owed by the town. At the same time the School Tax liability was understated by one (1) month's payment of \$96,029; it should have read \$376,150 vs \$280,121. The net effect was a negative \$56,029, thus we entered 1988 with a deficit of \$27,476 vs the reported \$28,553 surplus.

Two (2) problems occurred in setting the 1988 tax rate:

First, \$26,279 was used to offset taxes for money due the town from federal and state sources to reimburse Bradford for damage during the 1987 flood. The same money was used in 1987 and carried forth as an asset. We will only receive the money once; and therefore, failed to raise \$26,279 in 1988.

Secondly, the computer readout showed a net town valuation base of \$26,658,283. The number included a double posting of Public Service of New Hampshire's valuation; when this posting was corrected our base was reduced to \$26,123,783. Therefore, we raised only \$1,670,240 vs the State mandate of \$1,701,230, a net loss of \$30,990 in tax revenue. (This also happened in 1987 losing \$25,799.07.)

The last area that contributed to the overall problem focuses on actual spending versus appropriations. In 1987 the town spent approximately \$35,300 over and above money appropriated at the Town Meeting. A review of this year's Town Report will show that the majority of the town's extra expenses were incurred in the following departments:

General Highway Department Expense	+ \$11,000
Solid Waste	+ \$ 4,400
Interest Expense - Tax Anticipation Notes	+ \$19,000
Insurance (Net with Refund)	+ \$ 6,000

The following Pareto chart explains 97% of the \$122,156 deficit:

OTHER PAST ISSUES:

The Naughton Case:

The town continues to co-prosecute this case with the State of New Hampshire. The legal maneuvering has run its course, a trial date has been set for May 1989.

French's Park:

The present Board questions the Superior Court's interpretation that French's Park be restricted to residents of the Town and their guests, thereby excluding non-residents who own property in town and their guests. A suit was brought against the town by a concerned group, we have asked their counsel to join us to seek guidance from the Attorney General's office and the Courts. This may modify the ordinance signed last year.

Zoning:

Growth continues to pressure the town with increased requests for subdivisions and land use change. A Planning Board sub-committee has again revised our Zoning Proposal to address issues raised with recent submissions. We feel they have done an excellent job that warrants your approval. Please read the proposal, (it's available in our office) and vote Tuesday, March 14, 1989.

Kimball v. Town of Bradford Planning Board:

Michael and Frances Kimball have filed an appeal from the Planning Board's decision granting the Williams a gravel pit permit. The town is a named party; however, the principals in the litigation really are the abutters, Kimball and Williams.

Pleasant View Inn/Marathon House:

The circumstances surrounding Marathon House's intent to purchase the Pleasant View Inn and transform it into a male adolescent drug rehabilitation center seems to be in limbo as we go to print. Whether Marathon House will proceed with their project may hinge on the passage of our proposed zoning ordinance.

Kearsarge Regional School District:

The school represented 70% of your tax bill. Bradford had to raise \$1,218,024 for the KRSD in 1988. \$8.81/M of the 1988 increase was due to school taxes. Bradford paid the taxes under protest and the tax could be adjusted downward pending the outcome of litigation we are co-prosecuting with the Town of Warner against the School District. At issue is the vote on the apportionment Warrant at the 1988 KRSD meeting; the Warrant passed by a strong majority, but not by the 2/3 vote the District mandates.....one of the questions is whether a local restriction can take precedence over State law.

The KRSD Budget Review Committee was/is a breath of fresh air. We thank our representative, Al Lippincott, for his efforts and look forward to more involvement in the future.

One positive result of the School Budget controversy has been the District Selectmen Meetings. We have met with the other Boards of Selectmen at least once per month and have found the meetings most worthwhile; not only focusing on school related issues, but other areas of concern that affect our towns.

Lets turn our attention to the 1989 Budget. Your Budget Committee did their homework well and we enjoyed working with them to represent the town's financial needs. Overall, the proposed Budget will represent less than a five percent (5%) increase in town spending; a review of major increases is appropriate:

Police Department:

90% of the dollar increase in the appropriation is necessary to bring the town into conformity with the "Garcia Act" which stipulates that police personnel must be paid at least minimum wage and receive time and one-half for work performed over and above 42 Hrs/Wk. Chief Rich spent countless hours searching for alternatives to reduce this increase. All

options involved State Police coverage which we felt were unacceptable due to the lack of availability of State Police to respond to a town need. The budget presented would provide for 100% **local** coverage.

Town Maintenance and General Highway Expenses:

The town did not have a full crew throughout 1988. A portion of the increase is directed at attracting and retaining good employees, the balance will cover the cost of carrying a full crew. There is not any single increase that dramatically affects the General Expense Budget....gravel and rental costs are up.

Solid Waste Disposal:

This was the most difficult budget to address. Bradford is committed to the Concord Regional Solid Waste/Resource Recovery Cooperative. The waste to energy incinerator that will serve twenty-seven (27) communities is scheduled to go on line sometime during 1989....test burns might take place as early as April. The Cooperative is involved in the Public Service of N.H. mess. Briefly, PSNH claims it does not have to honor the contract price with the Cooperative because it filed for bankruptcy. The Cooperative disagrees and has been supported twice in the courts; however, PSNH has appealed again, and therefore, the Cooperative can not be sure of the tipping fee schedule.

Our Solid Waste Committee has also had to research freight implications and new compactor agreements. This is a problem that is not going to go away. While Bradford is better prepared to deal with the issue than most other towns, waste disposal is going to cost all New Hampshire municipalities a great deal of money in the years to come.

Interest Expense - Tax Anticipation Note:

Our borrowing needs will be higher this year. Hopefully, we will be able to recoup a large portion of this increase by receiving interest from short term investment accounts.

We welcome Tim Wright back to our Police Department. He will provide veteran support coupled with a working understanding of Bradford's Police needs. This combination will help Marvin and serve the Town well into the future.

Finally, we thank all those who have served the Town....volunteers, board members, part-time helpers, and full time employees. Your help and dedication is much appreciated.

Total Capital Reserve Funds	84,519.47
TOTAL LIABILITIES	\$ 868,230.66

Fund Balance

December 31, 1987	<\$ 27,475.78>
December 31, 1988	<\$ 122,156.29>
Change in Financial Condition	<\$ 94,680.51>

Footnotes:

1. The Fund Balance was reported in correctly on the 1987 Financial Statement. Liabilities for '87 Truck and Balance School Tax were incorrect. Actual Fund status was <\$27,475.18> vs + \$28,553.22; a difference of \$56,029.00.
2. Three (3) other factors contribute to the increase deficit:
 - a. \$26,270.00 of Flood Reimbursement from State and Federal Governments was credited to Town Assets twice.
 - b. 1988 spending exceeded appropriations by approximately \$35,300.
 - c. A computer error caused the Town to overstate Bradford's valuation; our two (2) 1988 Warrants totaled \$1,670,240 vs the State mandate of \$1,701,230.

Footnote Recap:

1. 1987 Fund Balance	<\$ 27,475.00>
2. Flood Reimbursement	<\$ 26,279.00>
3. '88 Spending vs Appropriation	<\$ 35,300.00>
4. Computer Error, Warrant	<\$ 30,990.00>
	<\$ 120,044.00>

Treasurer

BRADFORD TOWN HALL RESTORATION COMMITTEE

Early in the summer of 1988 the Committee received word that the fabric which we used for window draperies in the auditorium was soon to be discontinued and that a quantity of it was available at a good discount.

Believing it wise to obtain it, if we could, in order to maintain uniformity of color scheme and style through the building, we obtained permission from the Selectmen to purchase the required amount for making draperies for all the offices on the main floor. These draperies are now in place and add considerably to the attractiveness of the rooms.

In the early fall, the parents of the kindergarten children in just one weekend performed a near miracle and cleaned and painted the whole room so that when the session started, the children were greeted by a sparkling learning environment.

We regret to relate that the beautiful new stage curtain in the auditorium developed an obvious defect rather quickly. The problem is an easily visible change in color from brilliant blue to a faded purple streak on most of the folds. This was reported to the fabric manufacturer who readily admitted to such a problem having been discovered. The supplier agreed to replace the material for us in a different color. Work on the replacement is in progress.

Our next project will be the painting of the foyer which underwent some repairs this year.

Respectfully submitted,

NANCY BEATON
VIRGINIA CARTER
KATHY MCKENNA
JANE SIMONDS
PHYLLIS WHALL
SUE YOUNG

CONSERVATION COMMISSION REPORT

1988 was a busy year for the Conservation Commission:

- We set out flowers and shrubs in Bicentennial Park. Also, landscaping matting and bark were put down for improved weed control and appearance.
- Flowers were planted in the old Water Tower base.
- The picnic table was put out in the Tall Pine Parking area and the waste barrel was kept empty by Clarence Wheeler. A dead maple tree was removed and replaced.
- The Fitness Trail was cleaned up and trimmed by Clarence Wheeler.
- Members of the commission took a field trip to the Bradford Bog to scout out a preliminary route for a Nature Trail. Ken Young, Amy and John Blitzer assisted in this activity.
- Three commission members attended the Annual Conservation meeting in Concord.
- The commission was represented at the Town Gravel Hearing.
- Three members attended a Wetlands Board Public Hearing in Concord in support of an earlier commission decision against the digging of a ten acre fish pond in a Bradford wetlands area.
- Our biggest accomplishment was the acquiring, as a gift, of 28 acres of land abutting the Bradford Bog and giving us direct access from the East Washington Road. Perry Teele and Dick Whall spent a lot of time with the owners' representatives working out the details of the transaction. Dan Coolidge and John Robie also made major contributions to this endeavor.
- In addition to regular conservation activities, the completion of the first loop of the Bradford Bog Nature Trail Project and an associated Guide Booklet is a major 1989 goal. Volunteer assistance from the general public in Trail Mapping and Clearing plus Guide Book Preparation would be greatly appreciated. If interested please contact Commission Chairman, Tille Wheeler.

LIBRARY COMMENTARY

The Trustees of Brown Memorial Library have had a very active year. We have seen the completion of the basement "drying out" process and updated the wiring throughout using monies allocated by the Town.

The Bicentennial Committee passed on to us the copier they had been given by Exxon with the proviso that it be used by some department of the Town. It has seen heavy use both by the library and the Townspeople.

Our Librarian, Mrs. Margaret Ainslie reports the Monday evening hours are well patronized. She is continuing her library courses and will be certified in the near future. Mrs. Elsa Weir continues as part time Assistant Librarian.

The number of new titles is increasing and are put out on the shelves as space allows. Our library grows and is being used by more and more residents. Interest has been generated in library related groups which we will undertake to fit in as space and money will allow (Reading Groups, Friends of the Library, etc.) We are always updating our reference section which is used more and more by our patrons. We are also able to borrow from the State Library such books that we have neither space nor money to own.

It is to be noted that we use our Trust Funds for the purchase of books and periodicals. We pay our monthly utility bills and salaries with money which has been appropriated by the Town. (See Financial Report.)

Once again, we thank the townspeople for their support of the library and urge them to come visit us.

Trustee, Brown Memorial Library

BRADFORD PLANNING BOARD

Chairman - Thomas Riley, Members - Edna Herbert, Perry Teele,
George Morse, Brooks McCandlish, Edythe Craig, Joseph Torro

Bradford's Planning Board was extremely active during 1988. There were five (5) subdivisions and three (3) lot line adjustments granted. A request for a gravel pit permit which was granted after extensive hearings and a request for rehearing. Three (3) more subdivision requests are currently in progress.

This was the first year under the Planning Board as elected members. Several alternates were selected so that the board has the ability to function fully, even when a member must be absent. This was also the first year that we were able to use the secretarial services of the Board of Selectmen, which greatly aided the board in keeping up with the paperwork demands involved.

Due to the increasing complexity of the requests coming in to the board, and the lack of a zoning ordinance, the board elected to again revise and review a zoning proposal. To focus in on the issues, it was decided that two (2) proposals would be put forth. Thus hearings were held on a wetlands ordinance and a zoning ordinance, and both are to be put before the voters on this year's ballot. We wish to commend the subcommittees that worked so many extra hours and evening to draft and compile these ordinances.

Because of the complexity of some of the subdivision requests, the board has voted to use the expertise of the field personnel of the Central New Hampshire Regional Planning Commission in those cases where engineering studies are needed to determine slope or drainage considerations, etc. In this way, impartial outside expertise can be utilized without cost to the town.

We wish to conclude with a vote of thanks to Edythe Craig who is leaving the board after many years of service, especially her most recent ones, serving also in the capacity of secretary.

REPORT OF THE BUILDING CODE ADMINISTRATOR

During the year 1988, sixty five (65) Plan Reviews were done. There were Seventeen (17) Inspections and seven (7) Occupancy Permits issued. It should be noted that there is a carry over from year to year.

The following is a breakdown of the Plans submitted this year.

New Homes	8	Trailers	4
Garages	10	Septic Systems	3
Additions	17	Others	2
Storage Buildings	10	Repair Buildings	5
Remodeling	5		

Respectfully submitted,

ROBERT A. MOORE
Building Code Administrator

REPORT OF THE BRADFORD POLICE DEPARTMENT

To effectively perform the mission for which it was created, our Police Department must be supported by sufficient budgetary appropriations. You will note an increase in the budget requests for this year which is mainly due to government regulations under the Garcia Decision regulating various functions of police benefits pertaining to officers salaries.

In order for this department to continue with full twenty four hour coverage, it is necessary to conform with the fair labor standards act for employees. For the past twelve years your Police Department has given you full twenty four hour coverage with a man on call, or on patrol, enabling the citizenry to always be in contact with the police. In order to continue this coverage it was necessary to request the increase as presented.

1988 showed 124 criminal arrests as compared to 80 in 1987, this was made possible by continued patrols and the additional full time man that was acquired during the year. There were 40 D.W.I. arrests in Bradford during the year also showing the need for constant patrols to make our community a safe place to live.

Regardless of the outcome of the budget requirements, I assure you that this department will continue to operate in the best manner possible to assure you continued safety.

Respectfully submitted,

MARVIN RICH
Chief of Police

INCIDENTS REPORTED

Total Incidents for the Year	1,058

Total Motor Vehicle Checkups	53
Total Phone Calls Received by New London Dispatch	2,891

REPORT OF THE BRADFORD FIRE DEPARTMENT

The department would like to thank everybody who participated with last years Fourth of July Celebration. Anybody wishing to help with this years celebration please contact a department member for details. We hope that with your help this years celebration will be the best yet.

Working together the fire department and rescue squad purchased a variety of air bags and controls. These bags allow quick and safe rescue of patients from entrapment in confined areas. We would be glad to demonstrate these bags to you Sunday mornings at the fire house.

This year we are asking for money to install a dry hydrant at a needed location. There is a lot of water visible in Bradford, unfortunately most of it is inaccessible to fire apparatus, especially during the winter months. By spotting dry hydrants in strategic locations during future years, the town will be assured of vital and reliable water sources in case of emergencies.

We have all seen the success of smoke detectors in recent years. There is a general concern in the fire community that owners are not maintaining these detectors, causing faulty operation. We urge you to make sure your detector is maintained in a proper manner and batteries replaced regularly. If you don't have smoke detectors, we urge you to obtain some now!

Remember: Make sure your smoke detectors work!

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Between July 1987 and June 1988, we experienced more fires than normal. The three leading causes of forest fires were again children, fires kindled without written permission of a Forest Fire Warden and debris burning. All causes are preventable, but only with **your** help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulation is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest law may be violated, call your Forest Fire Warden, Concord Forest Protection Headquarters at (603) 271-2217, or a local Forest Ranger.

On January 1, 1989, the Deceptive Forestry Business Practices Law (RSA 224:54) goes into effect. This law, in summary, states that a person is guilty of a misdemeanor if, in the course of buying or selling a forest product, uses a false weight or measure for falsely determining any quality or quantity of a forest product. For more information, contact one of the persons mentioned above.

REPORT OF THE BRADFORD RESCUE SQUAD

In 1988, the Bradford Rescue Squad responded to 143 emergencies. 120 of these emergencies were medical in nature, 20 of them were motor vehicle related, and 2 involved standing by at structure fires. One call was a false alarm.

During the past year, the squad has purchased several new training and service equipment items. We have two new Recussi-Annies for CPR training, and a complete set of educational slides which cover all aspects of emergency medical technician (EMT) training. In conjunction with the fire department, we are in the process of purchasing a complete set of air bags. These have many uses, and are especially important in stabilizing motor vehicles, assisting in the extrication of patients from the vehicles.

Thirteen squad members are certified to use the heart monitor and defibrillator that were purchased last year. These pieces of equipment have proven to be useful additions for the squad.

Over the past year we have had eight new members join the squad. Four of them are already certified EMT's, and the other four are currently taking the EMT course at New London Hospital which will be completed in May.

The Ambulance has been very reliable, requiring only routine maintenance. As of August, our "new" ambulance will be five years old, and will have reached half of its projected life.

As always, we greatly appreciate all the support we receive from the people of Bradford, Newbury, Sutton, and Warner!

Thank you all, and we wish you a safe and healthy year!

REPORT OF THE BRADFORD HIGHWAY DEPARTMENT

For the most part in 1988, we had a somewhat normal winter. We started the spring off by sweeping roads, culvert work and patching potholes.

Our first project for the summer was to pave River Road. Major work was also done on Cheney Hill Road. Culverts were added, trees were removed and gravel was added. The whole road was done so that River Road could be closed while being paved. The first part of East Washington Road was also paved by the Highway Dept.

The second half of West Road was paved by Pike Industries.

We also had other projects going on: ditch work, major patch work, culverts to be replaced and new ones added to several roads.

In the fall, we lost Selectman Clarence R. Hall, my boss. To me, he was a friend and I will miss him.

Respectfully submitted,

ROBERT A. PATTEN
Road Agent

SOLID WASTE/RECYCLING COMMITTEE REPORT

Recent news items have focused on problems other communities face in dealing with large volumes of trash. Although not in the same immediate concern, our problems of dealing with a quantity of waste that is escalating faster than the population remains a constant concern of this committee.

This past year (1988) resulted in almost 685 tons of material processed through the compactor as compared to our goal of just over 500 tons which was our commitment to the Concord Facility.

During 1989, we will start directing trial amounts of waste to the new trash-to-energy incinerator, and by fall should be handing all loads to that new facility. Both the need and the advantages of a more complete and defined separation of recyclables will become more obvious, and we encourage every citizen's participation to make this work.

Efforts to initiate productive and safe methods of handling this large volume of material were helped with the new tractor/loader which was purchased last year. Being able to adequately sort and handle the steel, cast iron, and aluminum scrap saved disposal costs of \$2,500 over the year previous. In addition, the recovery and sale of cardboard and aluminum cans returned \$3,038 to the town, and saved along with the removal of glass from the waste stream, \$4,991 in haulage. It is imperative that we redouble our efforts in this area to both reduce the volume and weight of hauled material, but also cash in on the market value of recyclable materials.

This year we are requesting additional hours of a part time person to assist at the site, and we are encouraging the Selectmen to initiate a fee schedule for difficult materials such as tires. The Committee is intending to investigate and purchase suitable containers for loader use, research markets for newspaper and glass, and act as coordination for the phase-in with the Concord facility. We would welcome any town resident who is willing to serve on this committee.

We are pleased to have Marcia Keller of this Committee named to Vice Chairman of the Joint Board and member of the operating committee of the Concord Waste-to-Energy facility, and we wish her well in that task.

Respectfully submitted,
MARCIA KELLER, Chairman
JANET BAUER
SUE MCKEVITT
BERNIE LAMACH
TOM PAGE
JIM LAWRENCE

Concord Solid Waste/Resource Recovery Cooperative

In 1988, the construction of the 500 ton per day refuse to energy facility by SES Concord (Wheelabrator Technologies) in Penacook has proceeded. The construction of the facility is nearing completion, with the initiation of shakedown operations scheduled for this April. During the spring and early summer months, refuse deliveries by the Cooperative to the plant are anticipated to be intermittent as start-up operations proceed. Full commercial operation is anticipated to begin in the late summer/early fall of 1989.

The power generated by the refuse to energy plant is to be sold to Public Service of New Hampshire (PSNH) under the terms of a rate order previously issued by the NH Public Utilities Commission. The impact, if any, of the PSNH bankruptcy on the price to be paid for power is not yet clear. The Cooperative, which entered into financial obligations on the basis of the PUC rate order, continues to maintain the position that the PUC specified rates are in place. Significant progress has been made in dealings with PSNH and Concord Electric Company on finalizing and constructing electrical distribution system improvements.

In March, 1988, the Cooperative was apprised by the NH Department of Environmental Services that the Concord Landfill, which has been approved for disposal of ash residue from the refuse to energy plant, would not be available for use. The Cooperative was successful in acquiring a 38 acre parcel in Franklin. Obtaining permits, securing long term financing, designing and constructing a double lined secure residue landfill in ten months. The landfill was constructed using intensive quality control procedure and, despite the aggressive schedule, was completed at a cost under budget. The landfill is substantially complete and will be operation in April.

The member municipalities need to ensure that arrangements are made to allow full delivery to the refuse to energy plant by no later than August, 1989. The Cooperative requests that each community make arrangements for the storage and disposal of unacceptable waste, including motor vehicle batteries which constitute the greater source of lead in municipal solid waste. Such batteries are not to be delivered to the refuse to energy plant. The Project Director further encourages all communities to consider and implement materials recycling to reduce anticipated excess tonnage.

BRADFORD HISTORY COMMITTEE

The Bradford History Committee has lost by death another of its members.

Ruth Swallow Moore was one of the most knowledgeable in Bradford history having been steeped in it ever since her marriage to the late Reuben S. Moore, native and long time selectman. She had also done much research of her own, all of which was lost when her home burned, and from which she narrowly escaped. Her name will forever be remembered as one of the writers of Bradford's 1978 history.

The committee has continued to accumulate clippings of Bradford news. They need a new member to put these in order in the albums that Mrs. Cilley has been keeping for more than ten years, but is unable to continue.

As agent for the Bradford history "Two Hundred Plus", 21 books were sold and \$367.50 paid to the Town Treasurer.

Copies of the history are available at Mrs. Cilley's home on Main Street. The price is \$17.50.

COMMUNITY ACTION PROGRAM

Over the past twelve years, the Kearsarge Valley Community Action Program has been the focal point of social service delivery in this area, providing help when needed to the income eligible and elderly, as well as to the community at large.

As perhaps you are aware, Community Action Program Belknap-Merrimack Counties, Inc. generates funds through mobilization of available federal, state and local monies. Support for the local Area Center is derived from a combination of federal appropriations and local tax dollars. This combination allows the Kearsarge Valley Community Action Program to provide a variety of services to the residents of your community, from the development of programs which meet local needs, to outreach, referral and direct assistance.

The attached budget reflects the minimum costs of maintaining and continuing the operations of the Kearsarge Valley Area Center. I respectfully submit that an item be placed in the Town Budget in the amount of \$4,306.00 for the continuation of services to the residents of the Town of Bradford.

This figure is based on the operating costs of the Area Center, as well as on last year's local community participation level and the services provided to Bradford in the amount of \$75,314.68. The total dollar amount needed from the local towns to maintain and operate the Area Center is \$28,937.00.

The staff of the Kearsarge Valley Area Center wish to thank you and the Town of Bradford for your support in the past. With your continued interest, we will be able to continue to provide needed services to the members of your community.

Sincerely,

BARBARA CHELLIS, Area Director
Kearsarge Valley Area Center

LAKE SUNAPEE HOME HEALTH CARE (formerly Kearsarge VNA and Newport Area Home Health)

“When it comes to health care, there’s no place like home.”

Lake Sunapee Home Health Care, Inc. (LSHHC), a non-profit, Medicare-certified, state-licensed home health provider serving 17 towns in Merrimack and Sullivan counties, completed its first full year as a merged agency. In 1988 our nursing, aide and therapy staff traveled over 90,000 miles to make almost 10,000 home visits throughout the 1600 square mile area we serve.

In addition to in-home visits, LSHHC enhanced our support for family care at home through the development of respite care and private duty RN services. Homemaker/Home Health Aide Training, Red Cross Training and CPR were offered to staff through the support of town funds and business contributions. The Parent Child Program continued operating in New London and began in Newport using monies from the church communities.

Services provided to residents of Bradford in 1988 were:

<i>Home Care Program</i>	<i>Number of Visits</i>
Nursing.....	383
Therapy	53
Homemaker/Home Health Aide.....	627
Social Service	19

<i>Health Promotion Programs</i>	<i>Number of Client Contacts</i>
Adult Health	
Blood Pressure.....	52
Foot Care.....	1
Flu Immunizations	2
Hearing Screening	
Maternal and Child Health	
Child Health Clinics.....	47
Parent Child Program.....	135
Dental Health Clinics.....	6

<i>Long Term Care Program</i>	<i>Hours of In Home Care</i>
Nursing	
Aide	1069
Companion.....	43
Respite	180

Thank you for your continued support and confidence in our organization.

CHAREN URBAN, MA
Executive Director

TANYA WILKIE, BSN
Executive Director

Your town representative(s) on the LSHHC Board of Trustees is (are):

Article 3 To vote on the Proposed Wetlands Protection Ordinance
Yes - 325 No - 112 Article Carried

Election Officials present March 14, 1989:

Selectmen: John Pfeifle, Kenneth Brown, Edna Herbert

Moderator: Brackett Scheffy, Mildred Kittredge Protem

(Acting) Town Clerk: Susan Pehrson

Supervisors: Isabel Sheehan, Kathleen McKenna, Ellen Wheeler

Ballot Clerks: Esther Spaulding, John Blitzter, Matilda Wheeler, Kathleen Bigford, Amy Blitzter

Meeting adjourned until 7:00 PM March 15, 1989

Moderator Brackett Scheffy opened the meeting at 7:30 PM. He announced the elected officers on March 14, 1989. He then gave the floor over to Selectman John Pfeifle who made a presentation to Elizabeth Cilley for 50 years of continuous service to the town as Town Clerk. She was presented with a bouquet of roses and a plaque. Clarence Hall who died in 1988 as well as Stanley Brown who resigned due to illness were both shown the town's appreciation with a round of applause. Moderator Scheffy noted the rules under which the meeting would be conducted and proceeded on to:

Article 4 To see if The Town will raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.

TOTAL APPROPRIATIONS 736,866

- Article 5** To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes. **Carried**
- Article 6** To see if the Town will vote to authorize the Selectmen to apply for accept and expend without further action by the Town Meeting, money from the State, Federal or other government unit or a private source which becomes available during the fiscal year. **Carried**
- Article 7** To see if the Town will vote to accept monies received from the establishment of the Trust Funds during the year since last Town Meeting. **Carried**
- Article 8** To see if the Town will vote to accept \$49,306 from the Sate Highway Block Grant to be spent on maintenance construction and reconstruction of Class IV and V highways. **Carried** (Recommended by the Budget Committee)
- Article 9** To see if the Town will vote to raise and appropriate the sum of \$20,000 to be paid into the Future Revaluation Capital Reserve Fund. **Carried** (Recommended by the Budget Committee)
- Article 10** To see if the Town will raise and appropriate the sum of \$10,000 to be paid into the Fire Department Heavy Equipment Capital Reserve Fund. **Carried** (Recommended by the Budget Committee)
- Article 11** To see if the Town will raise and appropriate the sum of \$10,000 to be paid into the Highway Heavy Equipment Capital Reserve Fund. **Carried** (Recommended by the Budget Committee)
- Article 12** To see if the Town will raise and appropriate the sum of \$19,943 to Lease/Purchase a new Dresser

Model 850 articulated Motor Grader with standard equipment and options which has a total list price of \$159,062 less trade-in allowance of \$73,062 resulting in a net purchase/lease price of \$86,000. This lease/purchase agreement will require five yearly payments of approximately \$19,943 resulting in the purchase of the grader on the fifth anniversary. **Carried** (Recommended by the Budget Committee) Majority Vote Required

- Article 13** To see if the Town will raise and appropriate the sum of \$16,000 for the purchase of a 1989 Police Cruiser. **Carried** (Recommended by the Budget Committee)
- Article 14** To see if the Town will raise and appropriate the sum of \$3,500 for a Highway Sander for the use of the Highway Department. **Carried** (Recommended by the Budget Committee)
- Article 15** To see if the Town will vote to raise and appropriate the sum of \$500 to assist in covering a portion of the operating expense of the Bradford/Newbury Cooperative Kindergarten. **Carried** (Recommended by the Budget Committee)
- Article 16** To see if the Town of Bradford will vote to change the classification of County Road from Dunfield Road south 3,432 feet approximately 6/10 of a mile from a Class VI to a Class V. (By Petition) (Not Recommended by the Budget Committee) Counting of hands 87 Against, 60 For - **Article did not Carry**
- Article 17** To see if the Town will authorize the Bradford Board of Selectmen and the Bradford Conservation Commission to accept 28 acres more or less from the Skeie Tree Farm, Inc. This tract of land found and described as follows: *Beginning at an iron pipe set in the southerly side of the Highway to Bradford, so called and at the westerly corner of l and now or formerly of Arthur Erbthal, thence in a westerly direction 75 feet along said highway to Bradford, thence in a southerly direction approx-*

imately 1230 feet to a point which lies 200 feet easterly of a cedar post on a line running N 70 degrees E, then N 70 degrees E approximately 2000 feet to a tamarack post set next to a brook, by land now or formerly of Arthur Erbthal, thence northwesterly approximately 1930 feet to the place or point of beginning. Containing 28 acres more or less.

As the quid pro quo for obtaining the 28 acres the Town of Bradford proposed to terminate easements across the Skeie Tree Farm land.

Carried (Recommended by the Board of Selectmen and The Conservation Commission.)

- Article 18** To see if the Town will vote to increase the number of Library Trustees from six to seven, each Trustee to hold office three years as heretofore. This change is made to bring the Board of Library Trustees into conformity with RSA 202 A:6 as amended in 1987, which requires that elected Boards of Library Trustees shall have an odd number of members. This shall become effective at the 1990 Town Meeting. **Carried** (Submitted by the Board of Library Trustees)

- Article 19** Pursuant to RSA 39:3 the following petition is hereby submitted to the Bradford Board of Selectmen to be placed on the Warrant for the 1989 Town Meeting. If the zoning ordinance is enacted by majority vote to see if the Town will further authorize the Planning Board to review and approve or disapprove site plans for developments under the requirements of RSA 674:43. The Planning Board, prior to conducting site plan reviews shall adopt site plan regulations according to the procedures in RSA 675:6. **Carried** (By Petition)

- Article 20** To see if the Voters of the Town of Bradford will approve a non-binding resolution to limit the yearly operating budget increase at the level of the previous year's cost of living index. **Not Carried** (By Petition)(Not Recommended by the Budget Committee)

- Article 21** To see if the Town will vote to abandon a section of Old Route 103 (Old Warner Road) best described as Witham driveway. **Carried**
- Article 22** To see if the Town will vote to authorize the Selectmen to sell Town owned property acquired by the Tax Collector's Deed. **Carried**
- Article 23** To see if the Town will vote to accept the reports of the Town Officers. **Carried**
- Article 24** To transact any other business that may legally come before the Meeting.

No further Business was transacted.

Moved to adjourn at 9:30 P.M.

TOWN WARRANT

State of New Hampshire

The Polls will be open from 12:00 Noon to 7:00 PM March 12, 1990.

To the inhabitants of the Town of Bradford in the County of Merrimack in said State qualified to vote in Town Affairs:

You are hereby notified to meet at the Townhall in said Bradford on Tuesday, the thirteenth of March next, at twelve o'clock noon to act on the following Articles:

1. To choose all necessary Town officials for the ensuing year.
2. To vote on combining the Office of Town Clerk and Tax Collector. (RSA 41:45-a)
3. To vote on changing the term of the Town Treasurer, from one year to three years. (RSA 41:26-a)
4. To vote on adopting the optional veterans' exemption and expanded qualifying war service for veterans seeking the exemption. (RSA 72:28 V and VI)
5. To vote on adopting the optional property tax exemption on residential property for a service-connected total disability. (RSA 72:35 VI)
6. To vote on adopting the adjusted elderly exemption. (RSA 43f)
7. To vote on the adoption of Amendment No. 1 to the Zoning Ordinance.
8. To vote on the adoption of Amendment No. 2 to the Zoning Ordinance.
9. To vote on the adoption of Amendment No. 3 to the Zoning Ordinance.
10. To vote on the adoption of Amendment No. 4 to the Zoning Ordinance.

11. To vote on the adoption of Amendment No. 5 to the Zoning Ordinance.
12. To vote on the adoption of Amendment No. 6 to the Zoning Ordinance.
13. To vote on the adoption of Amendment No. 7 to the Zoning Ordinance.
14. To vote on the adoption of Amendment No. 8 to the Zoning Ordinance.
15. To vote on the adoption of Amendment No. 9 to the Zoning Ordinance.
16. To vote on the adoption of Amendment No. 10 to the Zoning Ordinance.
17. To vote on the adoption of Amendment No. 11 to the Zoning Ordinance.
18. To vote on the adoption of Amendment No. 12 to the Zoning Ordinance.
19. To vote on the adoption of Amendment No. 13 to the Zoning Ordinance.
20. To vote on the adoption of Amendment No. 14 to the Zoning Ordinance.
21. To vote on the adoption of Amendment No. 15 to the Zoning Ordinance.
22. To vote on the adoption of Amendment No. 16 to the Zoning Ordinance.
23. To vote on the adoption of Amendment No. 17 to the Zoning Ordinance.
24. To adjourn the meeting until Wednesday, March fourteenth, at 7:00 PM, at the Bradford Elementary School on Old Warner Road: the raising of money and remaining articles in the Warrant to be taken up at adjourned meeting.

25. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.
26. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.
27. To see if the Town will vote to authorize the Board of Selectmen to apply for, receive and expend federal and state grants which may become available during the course of the year, in accordance with RSA 31:95-b and also to accept and expend money from any governmental unit or private source to be used for purposes for which the town may legally appropriate money. (Majority vote required)
28. To see if the Town will vote to accept monies received from the establishment of Trust Funds during the year since last Town Meeting.
29. To see if the Town will vote to retain the unexpended portion of the Conservation Commission's 1990 appropriation in the Special Conservation Fund established in 1977 under the provisions of RSA 36-A:5.
30. To see if the Town will vote to have the annual town audit done by a professional CPA firm, rather than having elected town auditors, and to raise and appropriate the sum of Four thousand eight hundred fifty dollars (\$4,850) for this purpose. (This article would take effect upon passage) (Recommended by the Budget Committee)
31. To see if the Town will vote to raise and appropriate the sum of Fifteen thousand dollars (\$15,000) to be added into the Future Revaluation Capital Reserve Fund, previously established. (Majority vote required) (Recommended by the Budget Committee)
32. To see if the Town will vote to raise and appropriate the sum of Ten thousand dollars (\$10,000) to be added into the Highway Department Heavy Equipment Capital Reserve Fund, previously established. (Majority vote required) (Recommended by the Budget Committee)

33. To see if the Town will vote to raise and appropriate the sum of Ten thousand dollars (\$10,000) to be added into the Fire Department Heavy Equipment Capital Reserve Fund, previously established. (Majority vote required)
(Recommended by the Budget Committee)
34. To see if the Town will vote to raise and appropriate the sum of Twenty-five thousand dollars (\$25,000) to purchase a 6 wheel, 2 wheel drive Highway Dump Truck and authorize the withdrawal of Twenty-five thousand dollars (\$25,000) from the Highway Department Heavy Equipment Capital Reserve Fund (Expendable Trust) established at the 1988 Town Meeting for this purpose. (Majority vote required)
(Recommended by the Budget Committee)
35. To see if the Town will vote to raise and appropriate the sum of Fifteen thousand dollars (\$15,000) to purchase a Highway 1 Ton 4-wheel drive Dump Truck and authorize the withdrawal of Fifteen thousand dollars (\$15,000) from the Highway Department Heavy Equipment Capital Reserve Fund (Expendable Trust) established at the 1988 Town Meeting for this purpose. (Majority vote required)
(Recommended by the Budget Committee)
36. To see if the Town will vote to raise and appropriate the sum of Eight hundred dollars (\$800) to purchase a hand held portable radio for the Police Dept. (Recommended by the Budget Committee)
37. To see if the Town will vote to raise and appropriate the sum of Twelve thousand dollars (\$12,000) for use at the Solid Waste Disposal Area for Recycling Equipment. Six thousand dollars (\$6,000) of which is to be raised by general taxation and the remaining portion is contingent upon receipt of a grant from the State of N.H. in the amount of Six thousand dollars (\$6,000) which represents 50% of the costs. (Majority vote required) (Recommended by the Budget Committee)
38. To see if the Town will vote to raise and appropriate the sum of Four thousand five hundred twenty-one dollars (\$4,521) for the Community Action Program. (Recommended by the Budget Committee)

39. To see if the Town will vote to raise and appropriate the sum of One thousand ninety-six dollars (\$1,096) for membership dues in the Central New Hampshire Regional Planning Commission, of which we are a member community. (By Petition) (Not Recommended by the Budget Committee)
40. To see if the Town will vote to raise and appropriate Seven thousand five hundred dollars (\$7,500) and to authorize its expenditure to cover a portion of the cost estimates to construct a baseball and soccer field at the Kearsarge Elementary School in Bradford and to update and improve the Brown Shattuck Field. The cost estimates include chain link fencing, temporary plastic safety fence, site work, four dugouts, two score boards, one utility shed with floor, safety based, one set of soccer goals, and miscellaneous equipment for the maintenance of the field. The cost estimate for constructing the new field at the elementary school is \$13,555 and the updating and improvements at the Brown Shattuck Field are estimated to cost \$7,250. Total cost estimates are \$20,805. The balance of the estimated cost shall be generated by fund raising at the local level. (By Petition) (Not Recommended by the Budget Committee)
- 41 To see if the Town will vote to approve the following statement and direct the Selectmen to send it to our elected representatives in Washington, D.C.: "As citizens of New Hampshire assembled at our town meeting and concerned over the present and future well-being of our town, state, nation and world, we call on our representatives in Washington to work vigorously for substantial reductions in military spending - spending for which taxpayers of our town paid approximately \$1,400,000 last year - and to redirect our federal tax dollars toward such purposes as education, environmental protection, deficit reduction, farming, housing, health care, and welfare of the elderly and children." (By Petition)
42. To see if the Town will vote to designate and proclaim April 22, 1990, as Earth Day 1990, and to set aside that day for public activities promoting preservation of the global environment and launching the "Decade of the Environment". (By Petition)

43. To see if the Town will vote to authorize the Selectmen to carry out a revaluation of the Town. (By Petition)
44. To see if the Town will vote to authorize the Selectmen to sell Town owned property acquired by Tax Collector's Deed.
45. To see if the Town will vote to accept the reports of the Town Officers.

Edna E. Herbet, Chairman
Joseph O. Battles
Richard V. Perron

SELECTMEN'S COMMENTARY

A Selectmen's Newsletter was sent to all taxpayers last October. This newsletter addressed issues relating to French's Park, finances and taxes, solid waste disposal, planning, building and zoning. Copies are still available at the Selectmen's Office.

The Kearsarge Regional School District continues to represent the majority of our tax bills, and the district Selectmen are continuing to meet monthly to address the issue. This past year, nineteen district Selectmen attended a School Board meeting, individually introduced themselves by name and town, and presented their concerns regarding the effect that the school budget has on local taxes and services. The School Board was receptive and seemed understanding. The proposed 1990-1991 School Budget is \$10,881,815, up from \$10,526,266 last year, an increase of 3.38%. Copies of the Proposed 1990-1991 KRSD Budget and Final Report of the 1989-1990 Budget Review Committee are available at the Selectmen's Office. It is strongly recommended that you review this budget and report before attending the annual school meeting.

The proposed town budget totals \$836,276. On the surface, it might appear that this is an increase of 13.5% over last years budget of \$736,866; however, that is not the case. There are five areas of the budget that relate to fees collected by the Town: Tax Collector Fees, Town Clerk Fees, Planning Board Fees, Zoning Board of Adjustment Fees and Building Inspection Fees. These estimated fees have increased nearly \$23,000 in the proposed budget, but all fees will be offset by revenues and will not affect the tax rate. Also, it is proposed to withdraw \$40,000 from Capital Reserve Funds for highway equipment and to accept \$6,000 from the State as their share of a recycling grant. These expenses will not affect the tax rate either. All these factors taken into consideration, the proposed budget represents an increase of 4.2% over last year's budget. A rough estimate of what next years tax rate might be, assuming a five percent increase in the school budget (along with other assumptions), indicates that the tax rate should not increase or might even drop somewhat.

Hopefully, this will be the case so that last years increase in taxes of 7.87% (\$64 to \$69 per thousand) will be spread over two years.

Please keep in mind that the financial reports presented herein have not been audited. Again this year, we are planning to be audited by an outside, professional firm. The audit results will be made available upon completion.

New town stickers will not be issued this year, as we have a supply of current stickers; however, all stickers in use will gain access to the transfer station/disposal area and French's Park.

In closing, we thank the seven full-time employees for their long hours and hard work to provide the excellent services we sometimes take for granted. Also, our thanks to the many part-time and volunteer employees, critical to the operation of Town affairs.

Edna Herbert
Joseph Battles
Richard Perron

Two handwritten signatures are present. The top signature is written in a cursive style and appears to read 'Done'. The bottom signature is more stylized and appears to be 'H. H. H.' with a large 'X' or 'H' shape.

BRADFORD TOWN HALL RESTORATION COMMITTEE

The committee regrets that 1989 was not a year of great accomplishment due to the difficult financial situation in which our town has found itself.

Although \$4,000 had been designated for painting and repairing the back hall and stairs, the work was postponed, along with other non-essential projects, at the request of the Board of Selectmen.

The members of the committee contributed from their own pockets enough money to purchase supplies needed for patching, spackling, and painting the main entrance foyer during the month of March. We are grateful for the pleasant and proficient assistance of Ken Young in painting the ceiling and for Dick Whall's help in sanding and spackling, Sue and Martha Young and Phyllis Whall's painting of the walls and woodwork. Kathy McKenna's stenciling talents are again visible as she adds the finishing touch of color to the walls.

Jane Simonds' resignation was reluctantly and regretfully accepted.

The new brick-red stage curtain was installed by Dunbar Interiors of Concord and it appears to be trouble-free. We appreciate Mr. Dunbar's cooperation in dealing with the manufacturer of the original defective material, re-ordering material in a different color, and creating the new curtain for the auditorium at no cost to the town.

Having learned that this building was placed in the National Register of Historic Buildings in 1980, we hope to acquire soon and put in place a plaque on the exterior of the building to document this event.

Our group's major aspiration for 1990 is to complete Phase I (upstairs) of the restoration by repairing and painting the back hall and stairway.

We are indebted to the citizens of Bradford for their past interest and support in maintaining and beautifying this fine edifice and we enlist your continuing support of our efforts to preserve and improve it.

Respectfully submitted,

Nancy Beaton - Virginia Carter
Kathy McKenna - Phyllis Whall
Sue Young

BRADFORD CONSERVATION COMMISSION

Major 1989 BCC activities include the following:

-Weeded, fertilized and mulched the Bicentennial Park. Also planted flowers around the Memorial Stone and set out several new shrubs.

-Planted flowers in the old railroad Water Tower Base.

-Placed the BCC Picnic Table and a Waste Barrel (borrowed from the State) on the grassed area adjacent to the Tall Pine Tree parking loop. The waste barrel was dumped weekly by Associate BCC member, Clarence Wheeler.

-Carried out the annual cleanup of French's Park on Lake Massasecum prior to the start of the Women's Club Swimming Lessons Program in early June:

- + General cleanup of branches, leaves, and debris from the parking, picnic and beach areas.
- + Cleared the sandy beach area of leaves, branches, and seaweed out to a depth of 3 feet.
- + Removed broken glass, bottle caps, etc. from the swimming area.
- + BCC members were assisted by Assoc. members, a team of volunteer Skin Divers and the Bradford Pines 4-H Club.
- + A cookout lunch was provided to the cleanup workers.

-The Fitness Trail was cleaned up and trimmed.

-Boundary points were walked for the newly acquired Bog property. The survey plot map was redrawn, certified, and recorded.

-The clearing of the Bog Nature walk was delayed due to the abnormally wet summer season. Completion of this project will be a priority activity for 1990.

-Three BCC members and two Assoc. members attended the annual NHACC meeting in Concord.

-BCC & Assoc. members attended a full=day Inherit New Hampshire Inc. sponsored Statewide Conference on *"The Preservation of Community Character"*.

-A sub committee was formed (BCC & Assoc. members plus BCC Friends) to develop a "Procedures Manual" covering the various approaches and resources available to the BCC for the preservation of natural, scenic, and historic land resources within the town.

+ The effort was kicked off with a presentation by a representative of the Land Preservation Unit of the Society for the Protection of New Hampshire Forests.

+ Similar presentations by other appropriate state, federal and private groups are being scheduled for 1990.

+ Volunteers interested in assisting in this important project, please contact Tillie Wheeler.

LIBRARY COMMENTARY

Brown memorial Library has had an active and productive year. In November Mrs. Margaret Ainslie, the librarian, completed the Public Library Techniques Course Program. On Wednesdays she had Mrs. Elsa Weir, assistant librarian, read stories and assist the kindergarten and preschool children who visit the library. A circulation of 10,457 books, 2,248 periodicals and 237 inter-library loans were logged this year. We wish to extend thanks to all who responded to our questionnaire last spring. The results have been collated and we are working on implementing your suggestions.

The trustees are pleased to report the formation of an active Friends Group which grew out of responses to the library questionnaire. Please see the Friends report for information on their varied events and activities.

Under the direction of Barbara McCartney an inventory has been started. Every Monday since August trustees and other volunteers have been working on this project which involves updating our records for every volume in our collection. This time consuming project is now more than half done.

Gifts and acquisitions for 1989 totaled 515 books. Three quarters of our purchased books are funded by Memorial and Trust Funds.

The trustees and librarians wish to thank the townspeople for their support of the library, for their generosity in donation of time, money, books and periodicals. We could not be as effective without your support.

Trustees, Brown Memorial Library
Barbara Hall, Co-Chairman
Helen Mallard, Co-Chairman
Barbara McCartney, Treasurer
Jane Herbert, Secretary
Janet Sillars
Robert Bell

FRIENDS OF THE LIBRARY

A Friends of the Library group has been formed to supplement the activities of the Brown Memorial Library. The group is co-chaired by Laurie Buchar and Megan Hunt-Szymkowicz, with Melanie Evers as secretary and Joy Donahue as treasurer, and holds general meetings once a month.

The Friends was organized in cooperation with the trustees and staff of the library and is aimed at assisting them in their service to the community. During the fall of 1989, the Friends organized several programs for children, including both Halloween and Christmas parties for pre-schoolers and story-telling for older children by the library fireplace. In addition, a wreath-making class, instructed by Laurie Sweet-Brown, was held for adults.

Activities for this spring include additional seasonal children's programs and more crafts classes for adults, plus a film and short story discussion group. Efforts are also going towards outreach service to people who are unable to take advantage of the library because of their current situation, plus a literacy tutoring program for adults.

The Friends hopes to gain widespread membership from the community, whether or not individuals plan on attending programs or meetings. You can show your support through a dues payment.

Student \$2.00 - Adult \$4.00 - Family \$6.00

In this way, the Friends hope to help the Brown Memorial Library to meet the needs of the community by providing some fun and educational programs to the public. Everyone is welcome to attend any of the meetings or events, which will be publicized by posters and cable television.

Thank you,
Laurie Buchar
Megan Hunt-Szymkowicz

REPORT OF THE BRADFORD PLANNING COMMISSION

Chairman

Thomas Riley

Members

Joe Battles - Perry Teele - George Morse

Brooks McCandlish

Joseph Torro - Dave Pickman

Alternates

William Lucas - Paul Kennedy

Bradford's Planning Board was again very active during 1989. There were 8 subdivisions, 2 site plan reviews, and 1 lot line adjustment granted. 3 more subdivision requests and 2 site plan reviews are in progress.

This was the first year that the Planning Board operated under the new Zoning Regulations. We started the year off by adopting Site Plan Review Regulations as mandated by the Zoning Regulations. We also began to interface with the new Zoning Board of Appeals, with whom we will be working closely as site plans and zoning questions become more frequent.

Because of the Zoning Regulations, we also had to revise the Subdivision Regulations to agree with them, and at the same time we introduced the concept of cluster development as an alternate to subdivision. In cooperation with the Zoning Board of Appeals, several amendments to the Zoning Regulations have been proposed to clarify some of the parts of that ordinance.

As time goes on, there will be other parts of these regulations which are unclear or not in the best interest of the Town. We welcome any suggestions or corrections from the Towns people who we are attempting to serve.

REPORT OF THE ZONING BOARD OF ADJUSTMENT

The Zoning Board of Adjustment met for the first time on April 16 and thereafter nineteen more times before the end of the year. Many long hours have been spent in dedicated effort to establish an efficient and properly operating Board. One member, Al Grindle, resigned in August to assume the duties of the Town Code Enforcement Official. The Board was fortunate to have him as an able and valuable contributing member during the important and busy time of start up and development and for the majority of the appeal cases. In September the board welcomed Marcia Keller to fill the vacancy.

During the year the board received a total of twelve applications for appeal. The board granted eight, denied two and two are on hold awaiting further action by the applicants.

As with most new boards, the first year has been a time of development and a learning experience for the members. The function of the board is to serve the Town and residents, consistent with the adopted Zoning Ordinance and to do so in cooperation with all other Town boards, departments and officials.

At the present time the board meets in the office of Selectmen the first and third Tuesday of each month. Each meeting begins at 7:00 PM. No appointment is necessary for anyone to meet and conduct appropriate business with the board. All meetings are public and visitors are welcome.

REPORT OF THE BUILDING CODE ENFORCEMENT OFFICER

During the 1989 year this department issued eighty-one (81) Building Permits, seven (7) Intent to Repair Permits and thirty-one (31) Occupancy Permits. We did eighty-nine (89) Plan Reviews, two hundred forty three inspections including Footings, Foundations, Plumbing, Electrical and Final. There were seven (7) inspections of faulty septic systems and one (1) inspection for a Burial site on a Homeowner's lot.

Plans submitted to this department this year included:

New Homes.....	9	Septic Systems.....	7
Additions	18	Remodeling	5
Garages	6	Storage Buildings....	11
Repairs	8	Foundations	5
Barns	1	All Other	11

Each time a Building Permit is issued an average of three (3) inspections are required before an Occupancy Permit is granted. This department has tried to be available to answer questions, and to give inspections within twenty-four hours after they have been requested, including Saturdays and Sundays for those people not able to be at their sites during the week.

With the implementation of the Zoning Ordinance the Code Enforcement Officer's job has become more complicated and time consuming. He must answer all complaints regarding Zoning, faulty septic systems, and infractions of the BOCA Code which was put into effect by the town in 1987. He must also enforce any State laws applicable to this department.

I wish on behalf of many of the townspeople to extend Best Wishes and gratitude for a job well done during his years of service to Bob Moore who retired as Building Code Administrator in 1989.

Respectfully Submitted
Halton T. Grindle
Building Code Enforcement Officer

REPORT OF THE BRADFORD POLICE DEPARTMENT

Over twelve years have passed since I assumed the position as your Chief of Police. Over the years I have tried to build the department into full time coverage at modest budget requests. Through the dedication of your officers, both part time and full time numerous hours were volunteered to the town in a spirit of cooperation. Today with the increasing demands of more training through the Police Standards and Training Council, we find it necessary to meet certain requirements as mandated by State Statutes. These changes have influenced our budget demands as the men are being paid for their respective time required to comply with the law. This, coupled with the staggering economy, the part time men can no longer volunteer their time as they did in the past.

Our budget as submitted allows for the continuation of full time coverage by this department, offering the response of a Police Officer any hour day or night. Any decrease in our budget requests would result in a reduction in services. I assure you we will do our best with the monies allotted. In 1989 we investigated only four burglaries and twelve larcenies out of one thousand seventy nine incidents reported. This should prove that Bradford is still a safe place to live. This department will continue to serve you, the citizens of our community, in a professional manner.

Respectfully submitted,

Marvin Rich
Chief of Police

INCIDENTS REPORTED

Total reported incidents for the year	1,079
Total criminal arrests	132
Total motor vehicle violations	569
Total motor vehicle warnings	201
Total motor vehicle checkups	69
Total phone calls received by New London Dispatch	2,857
(This does not include direct phone calls received)	

REPORT OF THE BRADFORD FIRE DEPARTMENT

The year started off quiet for the Fire Department and like all departments we hoped it would stay that way, unfortunately it did not.

We had several major breakdowns on our front line apparatus. Through the help of local repair companies and many volunteer hours by our members we were able to keep fire suppression capability at an acceptable level while repairs were made.

The end of the year brought us two major fires. A house on Fairgrounds Road was totally destroyed by fire. There are two interesting points about this fire. First the occupants which included several children barely escaped with their lives. Follow up investigation of this fire revealed that either there were no smoke detectors installed or the smoke detectors were not operating. We again urge you to make sure you have smoke detectors and that they are operating properly. The second interesting point was the fact that under our dry hydrant installation program a dry hydrant was installed near this structure 2 days before the fire. The dry hydrant made fire suppression activities quicker and safer than would have been before the hydrant installation. We will be installing another dry hydrant at a selected spot this year under the dry hydrant program.

The second fire happened just before Christmas at the Kearsarge Reel plant located on Breezy Hill Road. With the help of 15 mutual aid Towns and 35 pieces of fire apparatus the fire was contained to the chipper rooms, allowing Bradford's largest business to reopen the following day. The success of this fire operation can only be attributed to the swift and professional actions of the fire suppression system in place for the town. These include mutual aid agreements with surrounding towns, fire dispatching done by the Concord Mutual Aid Dispatch System and the countless volunteer hours given by the Bradford members for training and equipment maintenance. The success of this fire operation was a truly special Christmas present for all of us.

REMEMBER: SMOKE DETECTORS SAVE LIVES!

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

During calendar year 1989, the State of New Hampshire experienced an average number of wildfires. The three leading causes of these wildfires were fires kindled without a fire permit from the Forest Fire Warden, children and debris burning fires that escaped control. All these causes are preventable, but only with your help.

Please help your town and state forest fire officials with forest fire prevention. By New Hampshire State Law (RSA 224:27b), "No person, firm or corporation shall kindle or cause to be kindled any fire or burn or cause to be burned any material, except when the ground is covered with snow, without first obtaining a written fire permit

from the Forest Fire Warden of the town where the burning is to be done."

Violations of RSA 227:27 and other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$1,000 and/or a year in jail and you are also liable for paying all fire suppression costs.

The State of New Hampshire, Division of Forests and Lands assisted many towns in wildland fire suppression during 1989 including several large fires in Allenstown, Alton, Chesterfield, Concord areas, as well as the 100 acre fire on Mt. Belknap in Gilford.

If you have any questions regarding New Hampshire forest fire laws, please contact your local Forest Fire Warden, State Forest Ranger, or the Division of forests and Lands at 271-2217.

REPORT OF THE BRADFORD RESCUE SQUAD

In 1989 the Bradford Rescue Squad responded to 182 emergencies. 154 of these emergencies were medical in nature, 25 were motor vehicle accidents. We transported from one structure fire and stood by at two other structure fires.

The squad's major expense this year was the purchase of 8 new pagers and 2 new radios. Pagers will also be a major expense in the year to come because most of our pagers are eight to ten years old and will need to be replaced.

The members of the Bradford Rescue Squad are saddened by the death of Margaret Wise. Our ambulance displays the name of Frank A. Wise in remembrance of the generosity of Frank and Margaret Wise over the years since the squad's beginning. We extend our sincere sympathy to the family of Margaret Wise.

We thank the townspeople for their continued support!

SOLID WASTE - RECYCLING COMMITTEE

The focus of this year's activities at the Transfer Station was the transition from landfill disposal to incineration through our membership in the Concord Regional Solid Waste/Resource Recovery Cooperative - the Coop. (See companion report) Bradford was the first member town to ship wastes to Concord during the start-up period. H.A. Gobin of Claremont is the designated hauler to handle the shipping at a fee that includes a discount because six towns in the region are using the service.

In anticipation of using the new facility, the Board of Selectmen prepared and adopted, after a public hearing, a Solid Waste Ordinance. Requirements for use of the Transfer Station are established, including what materials can be placed in the compactor, and what materials must be kept separate for recycling purposes.

Recycling efforts in 1989 removed 2 1/2 tons of aluminum cans and 27 tons of cardboard, bringing income of \$2,900 for the year. Recycling, stockpiling glass and keeping metal sorted by type decreased hauling and disposal costs and resulted in savings of approximately \$5,000 - a total offset in the solid waste budget of \$7,900. The cooperation of residents in these efforts is greatly appreciated. As a result, Bradford was able to decrease its tonnage commitment to the Coop by 50 tons.

A further decrease is anticipated through the efforts of a Recycling Subcommittee that was organized in October and includes Debbie Bruss, John Robie, Nora White, Melanie Evers, Amy Blitzer, and Millie Kittredge, with ongoing advice and assistance from Tom Page. Janet Bauer serves as liaison to the Solid Waste Committee. The subcommittee assessed the recycling priorities for the coming year and explored the possibility of obtaining a matching grant for equipment under a state recycling program.

Three items have been included in the 1990 budget request: a portable recycling center to handle newspaper and glass; a box for mixed metals and aluminum to simplify that operation; and a container for the safe collection and

disposal of waste oil. Voter support for this equipment, with the grant covering half of the cost, will improve materials handling at the site, expand the items that can be recycled, and increase the overall savings to the Town.

Improvements proposed at the site for the coming year include providing on-site water for the safety and protection of the Transfer Station Manager and the public.

It has been a busy year for the solid waste/recycling volunteers. Sue McKevitt is Bradford's representative to the Central New Hampshire Solid Waste District and serves on the Executive Committee. The District Plan for 26 towns/cities has been prepared and submitted to the State for review. The District is awaiting to see if the Plan is acceptable, as is; needs minor modifications; or needs a major rewrite. A decision is expected in mid February.

The Plan identified disposal problems and needs for each member town/city that must be dealt with either individually, through cooperation with other town/cities, as a mini-district, or by altering the District's current legal status to authorize the creation of regional disposal facilities through agreement or eminent domain. How each town/city deals (or doesn't deal) with its waste will determine the future direction of the district.

Next year holds more prospects for changes and increased activities in the solid waste field. Any residents with concerns in this area are urged to contact the Committee and get involved. We all generate the waste and pay the taxes for its disposal.

Respectfully Submitted,
Janet Bauer
Bernard Lamach

CONCORD REGIONAL SOLID WASTE/RESOURCE RECOVERY COOPERATIVE

The 1989 year was an exciting one for the Cooperative as the long awaited Plant and Ashfill came on line in time and within budget. When all factors are complete we will be entering the 1990 year with an anticipated \$50,000 in our Operating Reserve Fund and the same Tipping Fee of \$36.45 per ton as we had in 1989. Including the shakedown period from April 89 to August 28, 1989 and the Commercial Operations from August 28 to November 30, 1989 the Plant processed 107,285 tons of refuse and the Co-op disposed of 41,529 tons of ash through it's Operator, J.D. McLeod at the Ashfill. It is anticipated that the Co-op Towns/Cities will dispose of 120,000 tons of trash in 1990 which will be about 78% of the Plant capacity. Once again, many thanks to the Co-op representatives who have spent many evenings in guiding this project to it's present status.

Ronald H. Ford
Project Director

COMMUNITY ACTION PROGRAM

Over the past twelve years, the Kearsarge Valley Community Action Program has been the focal point of social service delivery in this area, providing help when needed to the income eligible and elderly, as well as to the community at large.

As perhaps you are aware, Community Action Program Belknap-Merrimack Counties, Inc. generates funds through the mobilization of available federal, state and local monies. Support for the local Area Center is derived from a combination of federal appropriations and local tax dollars. This combination allows the Kearsarge Valley Community Action Program to provide a variety of services to the residents of your community, from the development of programs which meet local needs, to outreach, referral and direct assistance.

The attached budget reflects the minimum costs of maintaining and continuing the operations of the Kearsarge Valley Area Center. I respectfully submit that an item be placed in the Town Budget in the amount of \$4,521.00 for the continuation of services to the residents of the Town of Bradford.

This figure is based on the operating costs of the Area Center, as well as on last year's local community participation level and the services provided to Bradford in the amount of \$82,638.15. The total dollar amount needed from the local towns to maintain and operate the Area Center is \$26,985.

I have also attached a detailed summary which provides a brief description of our programs and the number of Bradford residents who participated in them.

The staff of the Kearsarge Valley Area Center wish to thank you and the Town of Bradford for your support in the past. With your continued interest, we will be able to continue to provide needed services to the members of you community.

Sincerely,

Barbara Chellis, Area Director
Kearsarge Valley Area Center

LAKE SUNAPEE HOME HEALTH CARE

1989 Report of Services

Provided in Bradford

Lake Sunapee Home Health Care, Inc., a non-profit, Medicare certified, state-licensed Home Health Care agency, provided health care services to people, regardless of their ability to pay, in 17 towns in Merrimack and Sullivan counties. These services were paid for by Medicare, Medicaid, private insurance, client fees, town and municipal appropriations, grants and contracts, United Way funds, and donations from individuals and businesses.

In 1989, we provided 6,766 nursing and therapy home visits and more than 12,425 homemaker/home health aide hours; cared for more than 455 children at our child health clinics; and conducted adult foot care, flu, and blood pressure clinics.

The following chart is a summary of the services provided to people in Bradford in 1989:

Home Care Program

Nursing	369 visits
Physical Therapy	110 visits
Occupational Therapy	75 visits
Speech Therapy	1 visit
Homemaker/Home Health Aid	1,241 visits
Social Service	7 clients

Health Promotion Program

Maternal Child Health

Pediatric Skilled Nursing	2 clients
Child Health Clinics	39 clients
Health Education	12 clients
Parent/Child Program	7 clients

Adult Health Program

Blood Pressure	21 clients
Flu Shots	14 clients
Hearing Screening	2 clients

The Long Term Care Program (TLC) 907 hours

The staff of Lake Sunapee Home Health Care, Inc. and Pauline Dishmon, your town representative on our Board of Trustees, thank you for your continued support of our services.

Cheryl Blik
Executive Director
